Drew Pearson Thanks Lions For Friendship Train Help

Morehead City Lions, at their meeting Thursday night at the Waterfront cafe, were read a letter from Columnist Drew Pearson, sponsor of the Friendship Train. The letter, addressed to Lion Victor Wickizer, thanked the Lions for a half carload of food they sent **March of Dimes** tor Wickizer, thanked the Lions for a half carload of food they sent to Italy. Wickizer was in charge of the committee that collected the articles and loaded them in a box The letter follows: 'Dear Friend:

Goal of \$5,000 "You will be happy to know that, though it has been more than four \$5,000 in the 1952 March of Dimes. \$6.59, came in four times over and years since the American people sent the Friendship Train to sent the Friendship Train to France and Italy, that goodwill gesture has not been forgotten.
"And, because it has not been

forgotten, the Italian people have collected an assortment of gifts for the American people, and the Italian Embassy in Washington, together with the newspaper 'Il Mat-tino dell'Italia Centrale,' which helped collect the gifts, has entrusted to me the matter of distri-

"It seemed appropriate that these gifts, which are chiefly in the nature of pictures, vases, wood carv-ings, pottery and other tokens of sentimental value, should be given to the communities along the route of the Friendship Train, which largely made the train possi-ble.
"While I have a list of the lead-

ing workers in these communities, of which your club was one, my of which your club was one, my to the room in each school in the most probably does not include the nearmoney. Expenses aren't expected by communities which cooperated to exceed \$40. with you. Accordingly, and if it is agreeable to you, I will send you in the near future a few of the gifts from the Italian people, leaving to man, was especially p your club the question of their dis-

tribution in your area.
"When the French 'Merci Train' arrived here, many of the American communities receiving the contents of the boxcars placed them in schools, universities, and mu-seums. You may wish to do something similar with the gifts from faly. I know you will agree, with we that we should endeavor to inarm the local newspapers so that the American people realize how deeply their goodwill gesture dur-ing the dark winter of 1947 was appreciated, and how the Italian people remember the Friendship Train even now, four years later.

"Since assorting and repacking the gifts is rather a herculean task, and since I do not know exactly how many gifts the crates contain, I cannot tell you as of this moment how many will be allotted test on "The Rural Home," open to your community. At least you to all Home Demonstration club to your community. At least you will receive one. I am writing now will receive one. I am writing now to ask if you will be good enough to act for the community in the matter of disposing of this gift or gifts.

"If so would you be good enough."

"If so would you be good enough."

State Fails to Convict Driver Of Drunken Driving

Using witnesses subpoenaed by the state but not called to the stand by the state, defense attorney Claud Wheatly proved James Reginald Willis of Smyrna, charged with running through a barricade and drunk driving, not guilty in Morehead City recorder's court yesterday.

The decision was a unanimous one on the part of a jury

of four men and two women who deliberated 45 minutes. The case deliberated 45 minutes. The case started at 11 a.m. and continued five hours. It was the first recorder's court

jury case in Carteret county since 1933 when, by act of legislature, jury trials were abolished in the county recorder's court. The More-head City court, set up by special **Of Raising \$14,000** legislative act at its 1950 session, is not precluded from holding jury trials Because Morehead township

Willie Henry Smith, Pollock st. Beaufort, has been released from jail under \$200 bond. Charged with driving drunk, going through a red light, and causing a wreck, he will be tried in recorder's court today.

Smith, in a four-door automobile, collided at 4:30 Friday afternoon with a 1947 model two-door sedan driven by Robert C. Stevens, USMC, Cherry Point. The accident occurred at the Ann and Turner street intersection, Beaufort.

According to Chief of Police Carlton Garner who investigated, Stevens was proceeding north on Turner st. and Smith was going east on Ann. Each told the officer the green light was in his favor. Smith's car rammed Stevens' au-tomobile in the left rear.

Damage to Smith's automobile was estimated at \$150 and damage to the other at \$75. Smith was placed in the county
