These are work shirts that really work. Shirts of full cut heavy duty, sanforized cotton twill, correctly sized; two roomy flap pockets; non-breakable buttons; extra stitching reinforces main seams, prevents snagging and ripping.

Work pants to match, toughly constructed of heavy mercerized twill, sanforized and vat dyed; closely stitched seams with bartacking to resist ripping; heavy boot sail pockets; comfortable waistband with tunnel belt loops.

Red Camel represents the finest in work clothes value.
