

Country Club Buys Property At Crab Point for Golf Course

The Morehead City Country club has made the initial payment of \$5,000 on the \$22,000 Crab Point property being purchased for a golf course. The deed transferring the property from Dave Battle Webb of Morehead City has passed into the hands of the country club and the remaining amount due will be paid in July, according to Dr. John Morris, president of the club.

He stated yesterday that stock in the club may be purchased by Carteret countians until Tuesday, July 15. Thereafter, no more stock will be for sale, but members will be accepted into the club upon payment of an initiation fee.

The board of directors met recently and concluded negotiations for purchase of the land which totals 200 acres.

Members of the board conferred Saturday with C. C. McCuiston, golf architect of Fort Bragg. They went over the property and McCuiston has been requested to draw up an estimate on putting in a nine-hole golf course. An 18-hole course will be blue-printed but only nine holes will be constructed at present.

If present plans materialize, construction is expected to start this month, remarked Dr. Morris, and the course should be ready for play in the fall. It is estimated that cost of construction of nine holes will be \$20,000. McCuiston built the new course at Dunn, N. C. Approximately 10 new members have joined the Morehead City country club during the past week.

Salter Pathers Beat Mill Creek

Salter Path defeated Mill Creek in a doubleheader Sunday at Salter Path by scores of 5-4 and 13-0. Leading batters for Salter Path were Frank Cahoon with 2 for 4 and Harold Bass and Mitchell Burge with 1 for 3 each.

In the second game Salter Path took the game from the beginning to beat Mill Creek 13-0. They made 8 of the 13 runs in the 4th inning. Salter Path credits Southpaw James (Lefty) Webb with the win. Webb pitched a 3-hitter.

Mill Creek used four pitchers in an attempt to hold down the Salter Pathers. Lloyd Culpepper started and was relieved in the 2nd by Nick Culpepper. Nick lasted until the 4th and was replaced by Roy McCain. He only held out for one-third inning and West Taylor took over.

Salter Path collected 12 hits for 13 runs and leading batters were Ray Cummins with 3 for 4, Lloyd Culpepper with 3 for 4, Harold Bass with 2 for 4 and Ronnie Willis with 2 for 4.

Battery for the winners was Webb and Harry Salter. For Mill Creek it was L. Culpepper and McCain.
