Oct. 27—Ocracoke residents, old and young, enjoyed the annual October carnival, held at the school on Friday night. This was evident by the number who attended and by the gross receipts of about \$180, which netted approximately \$115 for the PTA treasury. At its October meeting, held Monday, Oct. 20, the PTA asked Principal Rondthaler to investigate possibilities of a film projector for the school. Miss Bettie Swindell, Hyde county supervisor, explained that film strips on many subjects were available through the county office. The organization voted an appropriation of \$50 for library needs and of \$15 for cupboard space in one of the elementary rooms. Too Many TV Dealers Can Destroy Public Confidence

New York (AP)—Awarding TV franchises to almost every type of retail dealer in newly opened transmitter areas can undermine public confidence, warned the National Appliance and Radio-TV Dealers association.

Mort Farr, president, cited Denver as a new market where practically everyone is selling television sets. He said paint shops, drug stores and antique shops, among others, were offering sets to the public.

Farr said most of these display samples only and practically none were equipped to inspect, install or service sets. He said there were more than 500 television dealers in Denver, or one for every 650 inhabitants.

Imported Foreign Toys Make Natives Complain

Manila (AP)—The Philippines banned the importation of all foreign toys last year except rubber balls but the plan seems to have flopped.

Local toy-makers are complaining that cheaper and better quality toys, mostly from Japan and the United States, are still flooding the local market. The local manufacturers called on the government to tighten import controls. They also seek to improve the quality of their own goods and refrain from unfair trade practices among themselves.

Morehead City Legion Post To Organize Funeral Detail

The Morehead City American Legion post voted at its last meeting to organize a firing squad and funeral detail from among members of the post.

The post has previously depended upon Cherry Point to furnish firing squads for the funerals of Morehead City veterans. With the decrease in the number of men at the air station, such details are not always available. As a result, the Legion has decided to form its own firing squad.

The members of the post also voted to continue the regular Saturday night square dances.
