Hunter Shoots 500 Pound Bear

A Tyrone N. C., hunter killed a 500 pound black bear Thursday morning near Swansboro. Walter Foster killed the bear with one shot from a 253 Savage rifle.

The bear was the third killed last week by Foster's hunting party. The other two were shot by Foster's brother, E. G. Foster of Gatlinburg, Tenn. Neither of them was as big as the one killed Thursday.

Other members of the party were Dr. F. B. Hicks and E. H. Bowman of Hickory, N. C. Dr. Hicks has been hunting in Carteret county for 15 years.

The party was guided by two Cherokee Indians, George and Henry Lambert of Cherokee, N. C. They had a pack of 22 bear hounds which they used to trail the bears.

The favored Elizabeth City Yellowjackets lived up to their advance reputation Friday night when they defeated Beaufort 31-6. The Sea Dogs' defensive team was too tight to stop the hard-driving Elizabeth City backs.

For most of the first quarter it seemed that the game might be close. Each team scored the first time it received the ball, but the Yellowjackets began to roll in the second period.

The visitors drew first blood when John Sawyer went over his own right tackle to score standing up. His six-yard run climaxed a drive that started on the Elizabeth City 46. With Sawyer, Van Cuthrell, Dick Darling and Wilson Roughton carrying the ball, the Yellowjackets racked up three first downs on their scoring march.

B. G. O'Neal took the kickoff on the 26 and returned it to his own 46. Three running plays left the Sea Dogs just inches short of a first down. O'Neal kicked to Cuthrell on the visitors' tea.

A 15-yard penalty for illegal use of the hands brought the ball back and gave Beaufort a first down on Elizabeth City's 29. From that point, the Sea Dogs went on to score in six plays.

Billy Eudy went over the right side of the line for a first down on the 16. Gus Farlowe picked up four more yards, and Eudy moved the ball to the eight. Wallace Conner bucked through the middle of the line for a first down on the seven.

Eudy went over right tackle for the score. O'Neal's kick for the extra point was no good.

Early in the second quarter, the Sea Dogs got possession of the ball on their own 20. Two plays netted nothing and O'Neal's third down kick went out on his own 49. The visitors took over and began to drive toward their second touchdown.

The visitors picked up three more first downs on the drive. Darling passed to Ronald Saunders in the end zone for the score. The attempted conversion was no good.

A blocked Beaufort kick set up Elizabeth City's third tally in the closing minutes of the half. The Sea Dogs received the kickoff after Darling's touchdown, but they were unable to get a drive started. The visitors blocked O'Neal's kick and took over on the Beaufort 20.

Roughton carried for five straight plays and scored from the four as the half ended. The conversion was no good and Elizabeth City led 18-6.

Beaufort received the opening kickoff of the second half, but could not get the ball beyond its own 28. On third down, O'Neal kicked to the 44. Elizabeth City's drive ended when O'Neal intercepted Cuthrell's pass on the 30 and stepped out of bounds on the 32.

The Sea Dogs could do nothing with the ball and the visitors took over. This time they held on to the ball long enough to add their fourth touchdown. Elmer Smith

cut over the right side of the line from the 12 for the score. The conversion again failed.

The visitors picked up their last touchdown midway in the fourth quarter. A series of passes put the Yellowjackets on the Beaufort five, and Darling went over for the score. Darling's pass to Walter Wall was good for the extra point.

Beaufort threatened once in the closing minutes of the game. The threat ended when Wesley Toler intercepted Lewis Woodard's pass on the Elizabeth City 12 as the game ended.

Over The Line
The Beaufort offense could not get rolling against the Yellowjackets. The Beaufort backs were held to short gains or thrown for losses on their running plays. Woodard's passes, very effective in recent games, did not click against the Yellowjackets.

Coach John Evans at times shifted B. G. O'Neal into the line in an effort to strengthen the Sea Dogs' forward wall. O'Neal alternated between end and his usual backfield spot.

Paul Miller's tackle on O'Neal when he intercepted a pass in the third period was one of the hardest seen in a Beaufort game this season. O'Neal dropped in his tracks as soon as Miller hit him.

The big attraction at the game was the famed Elizabeth City band which performed at half-time. The group showed why it is recognized as the best high school band in the state. The Beaufort band performed before the game, leaving the entire period between the halves for the visitors. Bill Winslow, Elizabeth City drum major, led the combined bands in the Star Spangled Banner before the game.

Several members of the idle Morehead City football team were at the game to scout the Sea Dogs whom they will meet Friday night in the second Mullet Bucket game.

Clinton Beats Black Knights As Queen Street Ends Season

Clinton defeated Queen Street Saturday night in the Black Knights' last game of the season. The 14-12 win gives Clinton a shot at Tarboro for the conference championship.

Queen Street scored first as the result of a blocked kick in the first quarter. Bernie Jones went off his own right tackle from Clinton's seven for the touchdown. The try for the extra point failed.

The visitors scored all their touchdowns in the second period. The first came on a pass play and the second was the result of a Queen Street fumble. Both conversions were good.

Both teams were scoreless in the third period and the Knights scored their final tally in the fourth period. Fullback Harold Hargett scored the tally on a seven-yard run. The attempted conversion again failed.

Queen Street threatened in the closing minutes of the game. The Knights drove inside Clinton's 20, but were unable to score. Richard Tootle, subbing for the injured William Jordan, threw four passes which were incomplete. Clinton took over just as the game ended.

The Knights had also threatened late in the second period. Time ran out with Queen Street in possession of the ball on Clinton's 20. Other possible scores were prevented by 25 yards in penalties assessed against the Knights.

Bernie Jones was the offensive star for the Knights. He gained a total of 67 yards rushing. Tootle

Educational Exhibit Set Up For Farmer's Inspection

An educational exhibit directed to farmers will be set up at the courthouse in New Bern on Wednesday, Nov. 19, according to R. M. Williams, county farm agent.

He says that a coach equipped with all types of aluminum farm building products will be set up and all farmers are invited to view the exhibit.

The exhibit, sponsored by the Reynolds Metal company, is, according to Williams, well worth the farmer's time. He believes that aluminum products have a definite place in farm building and urges all farmers in this area to make a definite effort to attend.

In the United States there was one cow for every 5.4 persons in 1925 and one cow for every 5.6 persons in 1950.

Hong Kong (AP)—The Hankow Communist newspaper, Ch'ang Chiang Daily, accuses Communist land reform officials of confiscating the properties of farmers whose lands the officials took for redistribution. The Hankow paper says food stores, farm tools, livestock and clothing taken by the land reformers were either sold by them or held by the officials.
