

Conference-Leading Newport Tops Morehead City 62-47

In a game that was closer than many people had expected, Newport beat Morehead City 62-47 Friday night. On the basis of past performances, the conference leaders had been expected to win by at least 20 points. The Morehead City girls won 52-36.

Newport's Sid Manning was top scorer with 20 points, and Lloyd Culpepper was second with 17. Roy Dennis scored 11 for the conference leaders.

Leading scorer for Morehead City was Jerry T. Willis with 11 points. Three players, Jerry W. Willis, Denny Lawrence, Dave Freshwater, tied for second with seven points each.

The high-scoring Newport players had one of their infrequent bad nights, and the Eagles might have won the game with a few breaks. Manning, Dennis and Culpepper normally score more than 20 points each, but only Culpepper was able to score 20 Friday night. Billy Widgeon, another high scorer for Newport, was out of action.

Fouls prevented the Eagles from taking advantage of Newport's low scoring. Three players who usually contribute several points to Morehead City's total fouled out before they could do much scoring. Dave Freshwater left the game in the third period and Lawrence and Gil Faber fouled out in the fourth.

At one point in the game, Morehead City fans were sure that Newport had six players on the floor. A stray dog ran out on the court and tripped Lawrence just as he was driving in for a layup shot. Play was halted for a few minutes while the officials attempted to remove the dog.

Ann Long of Morehead City and Edna Mann of Newport each scored 25 points to tie for scoring honors in the girls' game. Carolyn Guthrie of Morehead City was second with 19 points.

The game started off to be very close and only one point separated the two teams at the end of the first period. In the second period, however, Morehead City began to draw away from the visitors and increased its lead during the remainder of the game.

One of the big attractions for fans at the game was Newport's mascot, 5-year-old Candy McCoy. Candy is not only the team's mascot but she is also the No. 1 cheerleader.

Newport Seeks To Continue Victory Streak

By Charles Hill

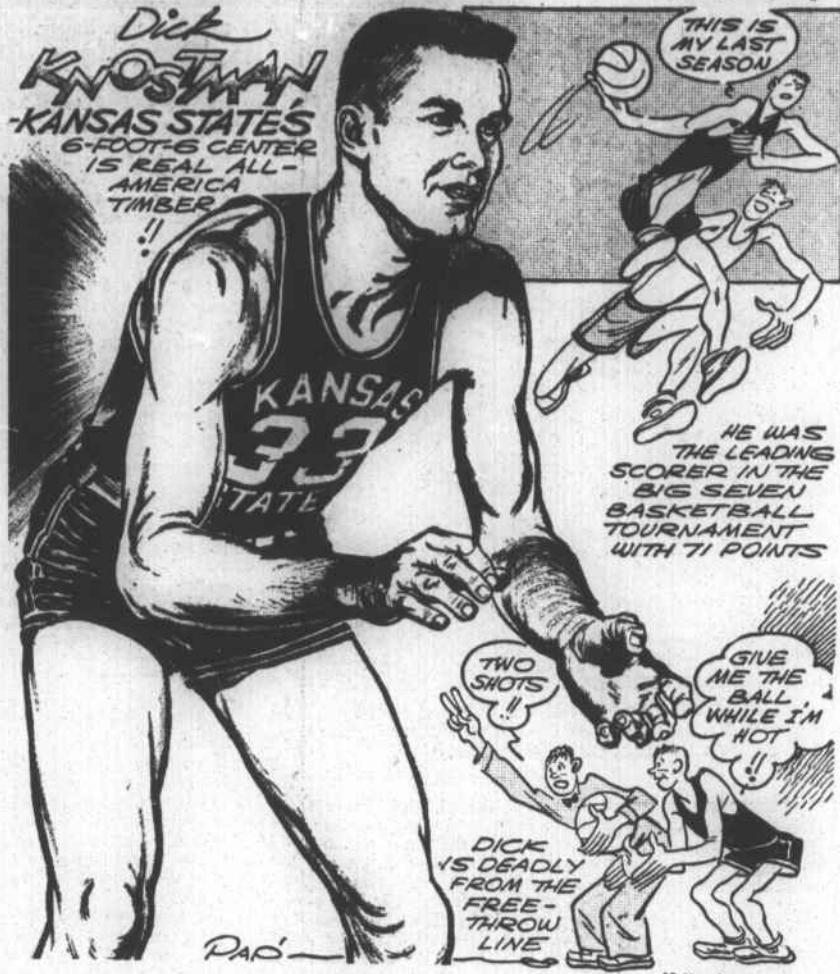

Newport high's basketball team will seek to extend its winning streak to 23 consecutive games tonight when it plays host to Jacksonville in a doubleheader beginning at 7:00.

It will be the second meeting between the two teams. Newport won the first game 73-56 as they piled up a big halftime lead which the Onslow boys were unable to overcome.

Jacksonville, with Red Warren back from last year and bolstered by Blake and Simpson from last year's Camp Lejeune team, was expected to have the best team on the local schedule despite two or three setbacks. They are handicapped by not having a gymnasium and must play all their games away from home. Only recently they were accepted into the Northeast conference which includes New Bern and Kinston. Red Warren's 20 points, including 10 of 11 free throws, led the losing effort in the previous game.

The locals are hoping that the flu bug which cost them the services of forward Billy Widgeon in the Dixon and Morehead City games will not cause any further sickness. No other members have missed games but several were not up to par for the Morehead game. Widgeon is expected to play in this game and if so he will start along with Lloyd Culpepper at forward, Sidney Manning at center, Roy Dennis and Levy Lilly at guards. Jacksonville does not have a girls' team so the varsity game will be preceded by a game by the junior varsities.

Police Reporter Robbed
Albuquerque, N. M. (AP)—Hollywood to the contrary notwithstanding, a newspaper police reporter reacts just about like you would if a gunman asked you to "hand it over." Albuquerque Tribune Reporter Bill Slevin was held up as he entered his apartment by a bandit with a gun "as big as a cannon." He told Slevin to "hand it over." Slevin did.

San Francisco (AP)—The Chinese Communists have set up 87 stations in Manchuria to teach modern farming methods, says a Peiping broadcast heard here.

Junior Women, Teachers To Play Benefit Hoop Tilt
The Beaufort Junior Woman's club and members of the faculty of the Beaufort school will meet in a benefit basketball game at 8 p.m. Wednesday, Feb. 18, in the Beaufort school gym.
The game, originally set for Feb. 20, was rescheduled because of a conflict with the county school hoop tournament to be played Feb. 19, 20 and 21 at Atlantic.
The Junior Woman's club set-let practiced Sunday afternoon and the girls have another session scheduled for 2 p.m. Sunday.
