

# ON THIS, OUR 4<sup>TH</sup> ANNIVERSARY

We would like to take this opportunity to say "Thank You" to our many friends and valued customers who have patronized our business in the past years. Because you have been so loyal to us, we have succeeded in building a business that is of untold value to our many farmer friends throughout Carteret and surrounding counties as well as automobile owners in this area. We hope to be able to serve you even more efficiently

in the future, just let us know your wishes—we will do everything possible to please you and keep you coming back to see us.

Yes, since 1949 we have been serving you in many ways. We have been told that we place emphasis on service, but we have never found any better way of satisfying our customers than by giving them prompt, dependable and courteous service. We service everything we sell.

During the years our business has grown steadily as the people of Carteret and adjoining counties have learned that they can always depend on anything they buy from us.

We want to thank each and every one of you for your patronage which has made our business a success. We invite you to come in often. You will surely be welcome.
