Lewis Appoints Commissioners For Beaufort

Other Town Posts Filled as Board **Holds Meeting**

Mayor Clifford Lewis of Beaufor made his appointments to various commission posts at the regular meeting of the town board Wednes

day night.

Members of the board are W. G. Temple, L. G. Hardesty, Carl Hat sell, Gerald Hill, and James Rum

Mr. Lewis named Mr. Temple mayor pro tempore; Mr. Hardesfinance and cemetery commission er; Mr. Hatsell, sanitation commis sioner; and Mr. Rumley, public works commissioner. J. P. Harris was named fire commissioner.

It was pointed out at the meeting that Mr. Lewis has the power as mayor to make these commission appointments without referance to the wishes of the board. Mr. Hill had raised the question when he said that a delegation had come to the meeting to request that Glenn Adair be re-appointed police commissioner. Mr. Lewis reported that the question of appointing commissioners had been referred to George Franklin of the League of Municipalities, and that under the conditions of the Beaufort town charter the mayor had the authori ty to name commissioners.

Other appointments which were

made and approved by the board were town engineer, Gray Hassell; fire engineer and driver, Roma Willis and Elmond Rhue, fire chief Charley Harrell; electrical inspec tor, Leland Peterson; building in-spector, Gerald F. Woolard; town attorney and solicitor of recorder's court, Gene Smith; town clerk and tax collector, Dan'l Walker; street foreman, Wardell Fillingham; and onstration agent,

The board passed an ordinance requiring that vacant lots cleared of trash and rubbish and that weeds be kept cut down to maximum of eight inches. If the owners do not clean the lots, the town will clear them and the charge will be added to the taxes on the

Braxton Adair made a report to the board on the activities of the town's planning board and board of adjustment. The vacancy created on the boards when Mr. Hill a \$5 deposit will be required when was elected to the town board was filled by appointing Jarvis Herattend. The cost of the camp will

Mr. Adair reported that the plan ing board's recommendation that parking on msot cross streets be restricted had not been enforced or p u b l i c i z e d . The clerk Mr. Malker, said that this year's budget included funds The clerk Miss Barnett. year's budget included funds for placing no-parking signs on one side of most of the town's cross streets. Other recommenda tions by the planning board on parking have been carried out, and Mr. Adair reported that the board Are Available thought the situation had been

At the end of the meeting Earl igational aids were listed separate-

Building Inspector Reports to Board

Gerald Woolard, Beaufort build-Gerald Woolard, Beautort build-ing inspector, has reported to the town board that, during the fiscal year just ended, he issued 34 build-ing permits for work amounting to \$81,210.

Eighteen permits for repairs or alterations to existing residential facilities amounted to \$13,285, and permits for six new residences amounted to \$28,500.

Seven permits for repairs or al-terations to business buildings amounted to \$9,975. Permits were issued for the construction of three new business buildings at a cost of

Mr. Woolard reported that no

Mr. Woolard reported that no condemnation proceedings were brought and one property owner voluntarily asked permission to tear down a dangerous fire hazard. He also reported that he had worked closely with representatives of the insurance commissioner's office and the state fire marshal's office. He said that these officials had commended the town for the of the insurance commissioner's of fice and the state fire marshal's office. He said that these officials had commended the town for the manner in which it is following the state building code and eliminating fire hazards.

The building inspector thanked the commissioners and other town officials for their cooperation.

Sentery President of the Beaufort Rotary club at the club's weekly meeting Tuesday night at the Inlet Inn. He succeeds Glen Adair.

Mr. Adair made a brief speech in which he reviewed the club's activities during the past year.

Beetles Attack County Farms

Several Carteret farms have been attacked by the Japanese beetle, R. M. Williams, county farm agent, reported this week.

The Japanese beetle was acci dentally introduced into this country in New Jersey in 1916. By 1947 the insect had spread over a wide

These beetles feed on the leaves and other soft parts of nearly 275 kinds of trees, shrubs and other plants, Mr. Williams said. The injury caused by the insect to plants island down the east shore to the of various kinds is often very se-

for killing the beetles is DDT, Mr. Williams reported. Lead arsenate is chairman of the North Carolina will prevent injury to plants by delegation to the meeting.

The commission was established secticides should be used on small fruits and vegetables.

> Methoxychlor has recently been found to give good control of the beetles, the county agent continued. This material is less harmful to man and animals in comparison with DDT and lead arsenate. It can be used either in dust or spray form. Rotenone and hydrated lime will keep beetles off the plants. Lime is especially useful on vege-tables where a poison might be objectionable.

For controlling the grub, a dust containing 10 per cent DDT applied to the ground at the rate of six pounds to 1,000 square feet should be used. Where severe turf injury ontingent.
At noon the women of the Methand quick action is needed, chlor-dane has given good results. Ten pounds per acre of either dust or

The beetles are a little less than a half-inch long, shiny metallio green in color with coppery brown wings. They fly only in the dayme. Mr. Williams warned county rmers and gardeners to be on the okout for the beetles.

the Clyde Jones building on 28th street. John T. Conner of 2716 Arvon avenue has been named registrar for the election. The election will be held August 8.

The registration period will close at sundown Saturday, July 25. Arrangements for the election are being made by the county board of

elections, Fred R. Seely, chairman. A petition was presented to the Morehead board of commissioners signed by 108 persons seeking the annexation of that area west of the present city limits bounded on the north by the present highway 70 and on the south by the railroad and the sound. The western limit of the area is the state property line at Camp Glenn, and the

old rifle range has been included. At the public hearing called to consider the petition June 24, a counter-petition signed by 54 residents opposed any annexation of the area without an election. The city board voted at that time to call the election. State law provides of an area proposed for municipal annexation requests a referendum

On May 23, residents of a slightly larger area voted down a sim-ilar proposal by a 78-67 count.

Mr. Seely reported this week that ome residents of the new area who are opposed to annexation have questioned the legality of another election within 12 months of the first. In order to clear up this matter a ruling was sought from the state attorney-general's office. In a letter, Claude L. Love, as

sistant attorney general stated, "I have checked the statutes carefully and discussed the matter with Raymond C. Maxwell, executive secretary of the state board of elections. Neither of us has been able to find a statute which would prohibit the holding of this elec-tion at this time." Mr. Love based his ruling on the change in boundary lines of the proposed areas.

Leaders in the annexation move

ment have been Mr. Conner, Clyde Jones, E. G. McKinley, and Capt Howard Ferguson who have headed up a committee of residents seek-ing to come into the city. Opposition to annexation has been led by O. O. Fulcher and L. G. Norris. Each side declared the intention to

a person must be a citizen, a resident of North Carolina for one year, a resident of Carteret county for four months and of the proposed area for four months. Only those who register will be allowed to vote.
