

# Beaufort Tops Islanders, Increases League Lead

Beaufort increased its lead in the county league standings by virtue of a 13-1 victory over Harkers Island Wednesday night in the make-up of a game which ended in a tie earlier in the season.

Clyde Owens pitched one-hit ball for the victors while his mates got ten hits off the Harkers Island pitchers. Neal was the losing pitcher.

Of the other games which remain to be made up, only one has yet been scheduled. Harkers Island will meet Morehead City at 2:30 p.m. Sunday at Wade Brothers stadium.

Decisions on making up the other games were to have been made at a league meeting last night. The meeting was also scheduled to consider the protest of a game played between Salter Path and Newport. Ty Frost, Salter Path manager, had indicated that he would ask the league directors for a ruling on the protest. Dick Lackey, league president, had already ruled in favor of Newport.

The meeting also was to make plans for the championship playoffs which are scheduled to begin as soon as all make-up games are played.

Games remaining to be played are Atlantic and Newport, Morehead City and Salter Path and Beaufort and Salter Path. When these games have all been played the final standings will be determined and the field for the playoffs announced.

The top four teams in the final standings will meet in the playoffs. Beaufort and Atlantic are assured of making the playoffs, but the remaining four teams are fighting it out for the last two spots.

# Marines Seek Shooting Title

Cherry Point—Six of this air station's top flight skeet shooters under Major E. K. Griswold, team captain, left here on Monday to fire in the National Skeet Shooting Championships of the United States to be held at Reno, Nev.

The Cherry Point team will consist of Major Griswold, Capt. W. W. Bryant, M/Sgt. W. L. Kenedy, M/Sgt. H. R. Quisenberry, T/Sgt. T. H. Robinson and Pfc. M. A. Gardner. All of the Marine shooters hold either state or national titles, but the most prominent is Marjorie Gardner.

The Marine "Annie Oakley" is a three-time winner of the Annual Great Eastern Skeet Shoot at Lordship, Conn. Twice, in 1950 and 1951, she won the crown as a civilian, and again the 19-year-old girl gunner dominated the ladies' event to regain the crown.

After capturing her third 20-gauge championship, Marjorie finished runner-up in the all-bore class. Seven weeks ago she won the class B championships in the 12 and 20-gauge classes during the Bright Leaf Open Shoot in Durham, N. C.

Last year a five-man Marine team won the class B championship in the National shoot.

# Health Department Changes Clinic Hours

The county health department has announced a change in the hours of the weekly clinic held at the town hall in Morehead City. The clinic will be held from 1 to 4 Thursday afternoon instead of from 6:30 to 7:30 Thursday night. The change will become effective after Aug. 1.

There will be no change in the hours of the two weekly clinics held in Beaufort. These clinics are held from 1 p.m. to 4 p.m. on Tuesday and from 9 a.m. to 11:30 a.m. on Saturday.

"Irish Potatoes" came originally from Roanoke Island, North Carolina. Members of the first English colony took them back to England with them in 1587.

# Charlie Smith Files Appeal

Charlie Smith served notice of an appeal to superior court Monday in Morehead City recorder's court after he was sentenced to 30 days on the roads for public drunkenness. Judge George H. McNeill also invoked a 30-day sentence suspended on Feb. 2. The two sentences are to be served concurrently.

Smith was found not guilty of indecent exposure. Bond on his appeal to the October court term was set at \$150.

Henry Roscoe Furches requested a jury trial on a charge of driving while under the influence of alcohol. The case will be tried at the October term of superior court. His bond has been continued at \$150.

Wendell W. Ballou was fined \$100 and costs and ordered to refrain from driving for 12 months on a charge of driving while under the influence of alcohol. He appealed to the superior court but later withdrew his appeal.

James Henderson was found not guilty of assault with a deadly weapon.

Andrew Jackson Williams was given a 60-day suspended sentence for speeding. The sentence was suspended on condition that he pay a fine of \$25 and costs and refrain from driving for 30 days.

Julian Wade was given a 30-day suspended sentence for public drunkenness. The sentence was suspended on condition that he pay a fine of \$10 and costs and remain on good behavior for six months.

Edna Cann Bone was fined \$100 and costs and ordered to refrain from driving for a period of 12 months on a charge of driving while under the influence of alcohol.

Douglas Lewis was fined \$25 and costs for driving without a license. The fine will be remitted if he presents a valid driver's license within two weeks. Carol Ward paid costs for driving with an expired license.

J. G. Barnhill was fined \$10 and costs for issuing worthless checks. He was also ordered to make restitution.

Owen Henderson was found not guilty of assault with a deadly weapon.

Fred Junel Ernul paid \$2 of the costs for driving a car with no license.

James Allen Perry paid costs for passing at an intersection.

George F. Lewis paid costs for exceeding the weight limit on the highway.

Arthur Jones was ordered to pay costs for being drunk on the highway. Edgar Willis was fined \$10 and costs for being drunk on the highway. Leston Gillikin paid costs for public drunkenness.

Dr. James S. Ellis paid costs for failing to stop at a stop sign.

Wayne Gooding paid costs for speeding.

Joseph C. Marocco, John L. Jones, Sue Goodrich and Judy Willis each paid half of the costs for trespassing in the cemetery.

Cases were continued against Donald T. Shelton, Joseph D. Casey, Harvey Sherl Biggs, Perry King, Marshall D. Chinn, George Lewis, Kenneth Misks, John Frank Teel, William Clifton Styron and Harkless Wooten.

# Truckers Lunch Hour Snooze Stops Traffic

St. Louis (AP)—On his way to work recently Capt. William Cibulka of the police traffic division saw a 45-foot-long tractor-trailer parked and tying up traffic.

When he awakened the sleeping truck driver the latter protested: "I've got 45 minutes left for lunch, what do you want me to do?"

The captain told him, "You can't spend it here, move on."

# Flyers Win Swimming Meet

Cherry Point—Fresh from their record shattering performance at the Atlantic Fleet Swimming tournament, the Cherry Point swimmers successfully defended their championship in the sixth annual Armed Forces Swimming meet held at the Philmont Country Club, Philmont, Pa., on Sunday, July 26.

The Cherry Point mermen's total of 68½ points gave them the tournament championship for the fourth straight year. Their closest rival was the Army team from Fort Monmouth, N. J., which finished second with 58½ points.

Eight service teams were entered in the competition which also placed titles in golf and tennis on the block.

In winning the 1953 title, the Cherry Point swimmers shattered three records, the 50-yard freestyle, 100-yard freestyle and the 300-yard medley relay.

Lou Benza, C. E. Small, and W. H. Sonner combined their talents to break the 300-yard medley relay record, while Sonner captured the 50 and 100-yard freestyle events. In the diving event, P. A. White placed fourth, and J. Scanlan placed fourth in the breast stroke event.

C. E. Small added the first place breast stroke championship to the Flyers wins, while Lou Benza placed first in the 200-yard freestyle event.

# Brazil Plans Indian Census

Rio de Janeiro (AP)—How many Indians are there in Brazil?

One million? Five hundred thousand? Two hundred thousand?

The nation's Service for the Protection of Indians (SPI) admits frankly that it doesn't know exactly. The above are guesses made by some of its experts.

Such a variance, naturally, makes the planning of assistance programs a little difficult. So the service is taking a census of Indians.

The job, SPI director Gama Melcher says, is especially difficult because even some of the known tribes live in regions that are difficult of access. There also are tribes still unknown.

A majority of the Indians in Brazil, the director says, live in the Amazon region. The coastal tribes and those living in the south already have been absorbed into the Brazilian population.

When deer were introduced into New Zealand they became so numerous as to be a pest.

# Tourney Winners To Receive Prizes

Prizes for the winners in the various tournaments conducted this summer at the Morehead City recreation center will be awarded at 8:30 tonight according to Fred Lewis, recreation director.

Prizes winners and events which they won are Walter Willis, pole vault and broad jump; Edward Beard, high jump, ping pong and tennis; Gary Willis, fishing; Frieda Lewis, crabbing; Connie Willie, shuffleboard; and Ethan Davis, Jr., badminton.

Door prizes will also be awarded to those present tonight at the recreation center.

Edward Beard defeated Gene Smith in the finals of the tennis tournament held this week. Beard reached the finals by beating Bradley McIntosh in the semi-finals, and Smith defeated Daryl Sanders.

# Three Morehead Citizens Lose Licenses to Drive

The state highway patrol has announced the revocation of the driver's licenses of two Morehead City residents and the suspension of the license of a third.

The licenses of Earl Joseph McKim and Betty Marie Salisbury were both revoked after convictions for driving while under the influence of alcohol. McKim was tried in Kingston recorder's court, and Miss Salisbury was tried in the county court in Salisbury.

The license of Billy Howard Ellis was suspended after a conviction for speeding in excess of 70 miles per hour. He was tried in New Bern recorder's court.

# Marine Corps Announces Danger Zone for Ships

The Marine corps has announced that the area between Bogue inlet and Brown's inlet will be hazardous to vessels from 7 a.m. to 3 p.m. today because of firing exercises. All navigation has been urged to avoid the area during those hours.

Through traffic on the intra-coastal waterway will not be affected by the firing and the waterway will remain open.

Similar firing exercises were carried on yesterday in an existing danger zone in the Atlantic ocean east of New River inlet.
