Trap Caught Goose Who Laid Vanishing Eggs

Glendive, Mont. (AP)—Life for a goose who laid vanishing eggs ended in a bear trap.

John Oljar, owner of the goose, thought a skunk was stealing eggs from the bird's nest. He set a huge bear trap for the culprit with a hen's egg as bait.

The "culprit," having hidden her eggs, waddled back to the nest to pick up the bait.

Owner Oljar found one dead duck — er, goose.
