Chicago Store Gives Customers Coffee Break EVERGREEN PARK, ILL. (AP) —Here's a store that gives the customer a break — a coffee break, that is.

The branch of the Chicago Loop Fair Store takes time out each Friday morning to be neighborly with shoppers. For one hour customers knock off shopping and have coffee and refreshments on the house.

While they rest their feet and enjoy a snack, the store stages a fashion show, has a critic give an oral book review or presents beauty hints.

Milk Enters Politics After Birth of Triplets MANILA (AP) —The birth of triplets on Catanduanes island off the southeast tip of Luzon touched off a local political issue which threatened their survival.

The head of the local social welfare commission refused to issue relief milk to the triplets. He claimed the voiding of President Elpidio Quirino's controversial emergency powers prevented him from doing so.

The impoverished parents of the triplets — all girls — next turned to the Red Cross branch in Virac for help. But it had run out of stock.

Then a commercial firm in Manila heard of the plight of the harassed parents. The firm sent 192 tins of canned milk and it was delivered by a Philippines Airlines plane, free of charge.
