# Roosevelts Give \$2,000 to Hospital Begin New Work Nov. 1

### Family Flies Here Friday To Present Checks

Members of the Roosevelt family on Friday gave \$2,000 to the Morehead City Hospital. The donors flew here in their plane and presented the gift to Robert L. Hicks, vice chairman of the hospital board of trustees in a brief ceremony at the hospital. The presentation took place at 4 o'clock Friday afternoon in the board of trustees' room.

Presentation of four checks of \$500 each was made by Theodore Roosevelt III, Philadel-

velt III.

## **Three Accidents** Occur in Town

**Morehead City Police** Officers Investigate; No One Hurt

Morehead City police investigated three accidents in town since Thursday. No one was injured. A truck and car collided at 10:40

a.m. Thursday morning on Aren-dell street. The car, driven by Mrs. Shirley K. Goldman, was turning into a parking space about 60 feet east of 9th when it was struck from the rear by a truck, reported Capt. Herbert Griffin of the police force.

Driving the truck, a 1953 model owned by the Fedderwitz Trucking Co., Savannah, was Samuel F. Clark, Negro of RFD 1, Carey, N. C. Damage to the truck was esti-mated at \$10.

Charges Filed

Damage to the car, a 1949 Oldsmobile convertible, was \$112.16. 17 registered nurses. In 1952, Mr. Clark has been charged with fol- Green said, 2,881 patients were lowing too closely, causing an acci-

### Town to Buy Fire-Fighting Units If Money Available

Green said, 2,881 patients were treated at the hospital, there were 15,068 patient days, and 792 major Morehead City, has agreed to purchase \$1,188 worth of dry chemical fire-fighting equipment if the monterial. The town will furnish the ey can be provided in the proposed revamping of the tentative budget for 1953-54.

The board observed a demonstra-tion of the equipment at their meeting Thursday night at the municipal building. The salesman, P. H. Ellington, of the Ansul Chem-ical Co., showed how the exting-Mr. Roosevelt then presented the four checks, each for \$500. He read the following letter: October 16, 1953 uishers put out gasoline fires. The demonstration took place back of the municipal building.

Appearing with Mr. Ellington was Eldon Nelson, chief of the fire department. The equipment pro-posed for purchase consists of two stationary units which would be Alice Hoffman, who lived on Bogue mounted in a fire truck and two hand units. The hand units are valuable, Mr. Ellington said, for Banks for so many years, had a fond interest in the Morehead City

fighting oil fires in floor furnaces.

The extinguishers, which blow fine powder into the fire, have a range of 35 to 40 feet, the board was told. Power for blowing the powder comes from a re-chargeable nitrogen cylinder. Five-Year Guarantee

Mr. Ellington said his equipment is guaranteed for five years. When queried by Mayor George W. Dill, Chief Nelson said that extinguishers bought several years ago for fighting oil and gasoline fires were

no good."
The Chief and Fire Commission The Chief and Fire Commissioner Ted Garner were in favor of purchasing the Ansul equipment.
The clerk, John Lashley, was authorized to contact George Stov-

Lions' Event Honors Two

The board of commissioners, | and Shackleford, providing each labor. Mr. Waters was told to proceed with the paving when the assessments had been paid.

The board again approved a request that Fisher street, from 12th, to 20th street, be paved.

In a lighter moment of the session one of the commissioners suggested it might be cheaper to buy Mr. Eubanks a skiff but the fillingin was okayed.

To repay George Roberts for dirt he gave the town, the board directed that the town do some hauling work for Mr. Wallace

The town attorney, George Mc-Neill, presented a request from Co-lonial Stores giving the new Colonial Store 18 inches' easement on car was estimated at \$400. Arendell street. Mr. McNeill ex-plained that, by error, the store had been located 18 inches too far south and in order to borrow money from Durham Life Insurance Co., Colonial Stores had to borrow formal okay from the town that there would be no action against

Colonial Stores because of error. No decision was made on a re-quest that cars be allowed to park on the grass plot on Arendell street between 13th and 14th.

Superintendent Waters told the

town had a pump of its own to pump water out of manholes, etc. authorized to contact George Stovall, manager of Carolina Power and Light Co., in regard to placing fire hydrants on Noyes avenue and the Crab Point development.

Permission was given Doycie Rice to cover up a town water line leading to the water on back shore. The matter was presented by L. V. (Hogt). Waters street the said the pump they are using now on the manhole between 22nd at the rally as the officer from district two was Carroll Lynn Garnow on the manhole between 22nd to them by the State Highway and Public Works Commission. ### **Patrolman Seizes** 69 Jars Whiskey

You could just about get in the Morehead City police office in the municipal building yesterday morn-ing. Piled up behind the door were 69 gallons of non-taxpaid whiskey.

The whiskey was seized at 5:45 a.m. Sunday by Patrolman Homer Lewis. Patrolman Lewis was in the police car when he came upon a 1948 black Kaiser that looked mighty heavy in the rear.

When he blew his siren and stopped the car, two colored men jumped out and ran.

According to the license number, the car is owned by L. L. Parker, 209 S. Summit St., Greenville, N. C. The whiskey was in half-gallon Mason jars and carefully packed in corrugated cartons.

## treet was purchased. The Laymen's Organization of the Diocese of East Carolina is planning the erection of **Hurt in Wreck**

Mrs. Harvey A. Lawrence, Otway, was injured at 2 o'clock Saturday morning in an automobile accident at the intersection of the Laurel and Merrimon Roads.

She suffered a broken arm and

leg and was taken to the Morehead City Hospital.

According to Highway Patrolman

W. J. Smith Jr., Mrs. Lawrence was riding on the front seat of a 1952 Chevrolet driven by her son. Harvey A. Lawrence Jr., who is stationed with the Coast Guard at Cape May, N. J.

The board again approved a re-uest that Fisher street, from 12th Patrolina Smith said Lawrence 20th street, be paved.

Mr. Waters asked permission to Koad and due to the heavy fog did fill in the Jack Eubanks' lot on Bay street to help keep water from backing up under Eubanks' house. across the Merrimon Road and into

the ditch.

He said he was going about 40 miles an hour. In addition to the fractures, Mrs. Lawrence got cuts and bruises on her head.

Other passengers in the car were bruised. They were Harvey Sr. and Hedrick Arthur of RFD 1, Beau-

fort. There were no charges filed against the driver. Damage to the

# Carteret's Sheriff Will

C. Gehrmann Holland, sheriff of Carteret County, has been appointed assistant state fisheries commissioner in charge of law enforcement. The appointment was made yesterday, according to The Associated Press, at the meeting of the Board of Conservation and Development at

Sheriff Holland will take over the position now held by

. D. Kirkpatrick, fisheries commi sioner. Mr. Kirkpatrick has been transferred to Raleigh to begin a survey of industrial sites in the

Both the sheriff and Kirkpatrick's new appointments become effective Nov. 1

Will Resign
Sheriff Holland said yesterday,
upon being notified of his appointment, that he will resign as sheriff. The County Board of Commission ers will appoint a sheriff to fill the unexpired term.

The fisheries commissioner job remains open, as it has in actuality ever since the resignation of Capt John Nelson of Gloucester. Mr Kirkpatrick, called fisheries com-missioner, dealt mainly with enforcing fisheries regulations.

\$6,300 Annual Pay
According to the AP, the posi ion to be taken by the sheriff pays \$6,300 annually.

Sheriff Holland is a native of

Carteret County. He worked for a while when a young man at a seafood market in Washington. D. C., and also earned money by playing a horn in a dance band. He returned to Carteret Coun-

ty and his law enforcement ca-reer began when he became a special officer on the Atlantic Beach police force. In 1932 he became a member of the Beaufort police force and re-mained in that position until Dec. 5 1938 when he became sheriff.

In addition to his political jobs.

Douglas, director of the Board of Douglas, director of the Board of Conservation and Development. It was approved yesterday at the heard some bouncing and boundations laid by Mr. Davis has board meeting. Actually, the appointment came from Governor Goodwin lying on the road.

### **Morehead Board** Studies Town **Financial Status**

**Commissioners Discuss** Service Station Going Up on 31st Street

S. C. Holloway, finance commis-sioner for the town of Morehead City, presented a list of expendi-tures for the first three months of the fiscal year when the board met Thursday night at the munici-pal building. Also presented was the amount budgeted for each town

department for the year.

Mr. Holloway remarked that approximately \$40,000 has been spent thus far. The board members raised their eyebrows, slightly taken back. It was agrreed that expenditures for the first quarter were a bit out of line when compared with the amounts budgeted and the antici

pated income.
The board decided to ask George Franklin of the League of Munici palities to come and re-draw the budget. The budget on which the town is now operating is the ten-

Orders Meters

The board directed that 54 me ters, to take nickels only, be bought for installation between 10th and 11th streets on Arendell.

They discussed changing all me-ters over to nickel meters. Some objection was voiced. The mayor said that all the conversion parts were ready to be installed. It was stated that few towns have made the change thus far. The town attorney commented that all towns "have to do it, but they're just put-

ing off the evil day."
Herbert O. Phillips III, attorney appeared and asked that the board take action to prevent J. Morton Davis from proceeding with construction of a Texaco service sta-tion at 31st and Arendell.

Mr. Phillips said that people in the neighborhood, a residential section, don't want a service station to go up there. The proposed sta-tion is located in the area recently annexed to Morehead City.

Foundations Changed Mr. Phillips said that original foundations laid by Mr. Davis has
