## Eagles Breeze to 49-30 Win over Swansboro

### Pamlico Tops Smyrna 49-26 At Bayboro

Smyrna's bid for second place in Seashore Basketball Conference standings was banded a setback Friday by Pamlico County 49-26 at Bayboro.

After holding its own in the first half Smyrna fell off in the third period as Pamlico scored 17 points to ice the game. Pamlico added eight more insurance points in the final quarter as Smyrna fell apart.

Pamlico took a 10-6 first quarter lead, increasing this to 24-15 at halftime. At the end of the third quarter the score was 41-22 Pamlico with no doubt as to the outcome.

Wesley Avery led the Pamlico attack with 19 points. Walter Gilikin led the Smyrna effort with 13.

**Girls Lose**  
Smyrna's girls' team was soundly trounced 72-35 by Pamlico as a first half barrage sank the hopes of the visiting crew.

Scoring most of its points in the second and fourth periods, Pamlico had no trouble in downing a weak Smyrna Six.

Hazel Tyndall led Pamlico with 29 points. Peggy Davis took scoring honors for Smyrna with 11.

**Sectional Snakebite**  
Leavenworth, Kan. (AP) — Leo Zimmerman of near Leavenworth was bitten by part of a snake. The 42-year-old man was stacking bales of newly cut hay when he was struck near the elbow. Fellow workmen found the head and six inches of the body of a copperhead in one of the bales. Zimmerman recovered.

Morehead City's basketball team breezed to its fourth win of the season over an unimpressive Swansboro Five 49-30 in a slow game at Swansboro Friday.

Scoring 14 points in the second period put the game on ice for the Eagles. Swansboro tried to overtake the leaders in the fourth period with a 15-point barrage, but the early lead built up by the Eagles was too much.

The game started out slow with the Eagles taking an early command, 9-4 at the first stop. The 14-point second quarter gave the Eagles a comfortable 23-6 halftime edge and from there on in had the game in the bag.

The Eagles ran the score to 35-15 at the third stop. Then Swansboro put on a last quarter drive that fell far short of the goal as the Eagles took their fourth victory.

Starting for the Eagles was J. T. Willis, D. T. Lawrence, J. W. Willis, B. Willis, and Wayne Cheek. Starting for Swansboro was Herb Holloman, Pete Holt, J. Cannon, G. Pate, and Riggs.

Leading the Eagles' attack was J. T. Willis with 13 points followed by Cheek with 9. Pate led the Swansboro effort with 13 points followed by Holloman with 12.

### Miss Harkley Leads King Girls to Win; Boys Lose 39-37

Melissa Harkley, W. S. King co-captain, led the W. S. King girls to a 29-18 victory Thursday over Aurora at Morehead City.

Miss Harkley took scoring honors with 21 points. Miss Cratch led the visitors' attack with eight.

The W. S. King boys went down to defeat for the first time this season, being nosed 39-37 in a closely fought contest. The Monarchs now have a record of 4-1.

Norman Williams led the Monarchs with 17 points. R. Stille led Aurora with 14.

Tomorrow W. S. King will travel to Aurora for a return game. The next home game will be Jan. 16 with West Street of New Bern.

Starting lineup for W. S. King was N. Williams, L. Toole, E. Holland, R. Wilson, and H. Pickett.

A beautiful side court set shot with seven seconds to go in the fourth period gave the Black Knights' basketball squad a 35-33 victory over Trenton Friday at Beaufort.

Allan Warry, Queen Street sub, leaped into the air to spear the ball on a jump ball and raced toward the basket. With the score tied at 33-33, he arched a set shot toward the bucket that cut the cords for the winning score. The game ended as Trenton was bringing the ball up court.

At the outset of the game both teams were fighting on even terms. Queen Street took a one-point lead at the end of the first period 8-7. Trenton came from behind in the second period to score eight points and led at halftime 16-13.

**Knights Bounce Back**  
Trenton again outscored Queen Street in the third period with 14 points to lead 30-23 at the whistle. Led by Raymond Ellison, Queen Street bounced back to come within two points of the lead, 32-30 with just 15 seconds to go.

William Jordan, Queen Street guard, playing a stellar game, sank a field goal to tie the game at 32 all. Korney, Trenton forward, went to the foul line and made one of two tries, sending Trenton ahead, 33-32.

With eight seconds to go William White went to the charity line and made one of two tries, tying the game once more. The second try missed and as the teams were fighting for the ball, the referees called a jump ball.

This set the stage for Warry's game-winning set shot for the Knights second win of the season. Jordan and White were outstanding on defense for the Knights. Both did excellent jobs rebounding and working under the basket. Jordan also teamed up with Johnny Jones to stop Trenton's ace, Korney, who led the Trenton squad to a win over the Knights Wednesday.

**Ellison Takes Scoring Honors**  
Ellison led Queen Street 12 points. Korney led Trenton with 11. Queen Street made 15 out of 70 field goal attempts for a 23 per cent average. They also hit seven out of 12 free throw attempts for 58 per cent. Trenton hit nine of 45 free throw attempts for 20 per cent.

Warry made his winning shot in his first appearance in the Queen Street lineup and it was his first shot at the basket.

Queen Street will play Bayboro at Bayboro tomorrow. Their record for the season is 2-3 and the conference record is 2-1.

## Rout Weak Jones Central 66-21 Friday at Home

Beaufort and Jones Central High cleared the benches as Beaufort easily out-classed a weak Jones Central Five 66-21 at Beaufort Friday for its fifth win.

The game was decided in the first period as Beaufort took a 14-7 lead and steadily poured it on led by Murray Pittman and Gehrman Holland.

The telling blow was the third period as Beaufort hit for 20 points while Jones Central hit for four. Junior Varsity members of both teams played the fourth quarter as Beaufort continued its rout.

Beaufort started out slow, looking for an opening in the Jones Central man-to-man defense, sinking buckets as the opportunity arose. Pittman and Holland mastered the boards and Jones Central couldn't get going.

**Beaufort Defense Tight**  
The Beaufort defense was tight and the best visitors could do was try set shots from far out. Harold Stille and Willie Brown vied with Pittman and Holland for rebounds and grabbing loose balls under the basket.

Holland and Pittman again led the second period attack that netted 13 points, giving the Sea Dogs a 27-14 halftime edge.

Hugh Mason entered the game and helped his mates rack up 20 points in the fateful third quarter to put Beaufort out in front 47-18.

Beaufort hit for 18 points in the final frame, using everybody on the bench. Jones Central, which got three points, also cleared the bench.

Beaufort was capitalizing all evening on the fast break and jump shots just off the key. Pittman was doing terrific work on the floor, and by far was the best man for the Sea Dogs.

**Visitors No Match**  
The visitors just didn't have a chance against the Pittman-Holland combo. Nothing they tried in the way of plays worked. They were being outguessed at every turn, committing errors, and in general no match for the oncoming Sea Dogs.

Starting for Beaufort were Herb Mason, Pittman, Holland, Henry Safrin, and Jimmie Owens. Starting for Jones Central was James Barbee, Delmas Brown, Willie Brown, Preston Sasser, and Stille.

**Score by periods:**  
Beaufort 14 27 47 66  
Jones Central 7 14 18 21  
Holland took scoring honors with 23 points followed by Pittman with 18 and Hugh Mason with 10. D. Brown led the visitors with 8.

### Trenton Six Wins 26-9

Queen Street girls' basketball squad absorbed its third straight loss of the season, 26-9, at the hands of Trenton Friday at Beaufort.

Queen Street was outclassed as Trenton ran up a 8-1 lead at the end of the first period, scoring five more points in the second period to take a 13-3 halftime lead.

Queen Street just couldn't get going. A free throw gave them one point in the first quarter and a field goal added two more points in the second.

The Queen Street girls scored four points in the third frame as Trenton scored eight to lead 21-7. Trenton dumped five more points in the final stanza to win easily.

Leading Trenton to its second consecutive win over the Queen Street girls was Sally Strayhorn with 11 points. Josephine Pasteur led Queen Street with five.

Mary Washington and Dee Dudley led the defensive unit for Queen Street. Queen Street made three of 34 field goal attempts for an 8 per cent average. The girls also made three of 12 free throw attempts.

### State Publishes 1954 Fishing Regulations

Copies of the 1954 fishing regulations are available now from Wildlife protectors and license dealers throughout the state.

This year's rules are printed on a smaller, booklet type bulletin for easy reading and reference. State and county hunting licenses expired Dec. 31, as did non-resident fishing licenses.

Combination hunting and fishing licenses expire July 31.

**Help for Cancer Tests**  
Boston (AP) — A sure new way of producing breast cancers in female rats gives science a new tool to study treatment and prevention of cancer. It's done by dissolving certain cancer-producing chemicals and female sex hormones in fat, emulsifying the fat, and injecting it by vein. This technique is reported in the journal Cancer Research by Drs. Robert Geay, Jean Bryant, Virgil Bleisch, Elizabeth Pierce and Frederick Stare of the department of Nutrition, Harvard School of Public Health.

**Visitors Pull Up**  
Miss Small started hitting again and pulled her team up again to one point of the lead, but time ran out and Beaufort was the winner.

Anita Copeland and Miss Davis stood out as defensive players for Beaufort, keeping Jones Central bottled up in the second period. Both did excellent work under the bucket and intercepted passes.

Dottie Pake led the Beaufort second quarter rally that tied the game up twice then went into the lead. Colleen Guthrie also sparked Beaufort's offense.

Betty Taylor and Dorothy Turner were defensive standouts for Jones Central with their scrappy guarding that caused Beaufort to commit errors in passing and shooting.

## County Cagers Near Halfway Mark of Season

Will Try to Bolster Conference Standings in Tonight's Games

All Carteret County basketball teams will see action tonight as the schoolboy court season reaches the halfway mark.

Three games will be road tilts and two will be home games. Morehead City will host Pamlico and Smyrna tangles with White Oak at home in a non-conference tilt.

Beaufort will travel to Camp Lejeune, Atlantic goes to Jones Central, and Newport travels to Dixon in the other games carded for tonight.

**Eagles Seek Win**  
Morehead City has met Pamlico earlier on the road. The Eagles dropped this contest by a narrow margin. Now the Eagles will have the advantage of their home floor.

Also, Morehead is an improved team over the one fielded at Bayboro.

The game is a toss-up with the winner squeezing out a close victory.

Beaufort, in travelling to Camp Lejeune, will be meeting the Devilpups for the first time. The Devilpups have a scrappy team. They dominated Morehead in the final period during a recent game.

Beaufort has come a long way since the start of the season and have been whipping all comers lately.

A real battle is in the offing with Bob Royster and Johnny Muggford against Gehrman Holland and Herb Mason. This will be another tough one. Beaufort has a slight edge on past performances.

Atlantic travels to Jones Central in a battle of the underdogs. Atlantic, winless so far this season, meets an aggregation a notch or two above it in conference standing.

**Atlantic Scrappy**  
Atlantic has been giving its opponents a real tough battle before losing out. Jones Central hasn't done much damage so far so look for Atlantic to win one tonight.

Newport, with a week's rest, will meet Dixon at Dixon. Newport has already beaten the home team this year by a good margin. No contest for the State Champs, Dixon will prove to be another victim for the conference leaders.

Smyrna will be back on the victory trail after tonight's game with White Oak. Stinging from its loss at Pamlico, Smyrna will be at its best against an average crew from White Oak.

### Jan. 17-23 Proclaimed As State Wildlife Week

The week of Jan. 17 to 23 has been designated State Wildlife Federation Week, S. I. Stewart, president of the North Carolina Wildlife Federation, has announced.

During that time special emphasis will be placed on increasing wildlife club membership and a drive to curtail stream pollution on a state-wide basis will be launched.

In announcing Wildlife Federation Week, Stewart emphasized that a strong federation of organized sportsmen is absolutely essential to carry on and further an active program of wildlife conservation in the state.

**Part of Safety Program**  
The commissioning of licensed officers of the Merchant Marine is part of the Coast Guard's Merchant Marine safety program. It is expected that the officers commissioning from the Merchant Marine will receive a thorough indoctrination in regular Coast Guard duty, including service aboard a major cutter.

Officers commissioned under this program are accepted on a two-year probationary term which will coincide with their training and indoctrination period.

### Whooping Cough Cases Reported in County

Dr. F. E. Hyde, county health officer, reported yesterday that whooping cough is becoming prevalent throughout the county. The best protection against it, he added, was to have babies immunized. If they do get the disease then, he explained, it won't be so severe.

Mrs. Leota Hammer, public health nurse, said that Janet Lee Styron, 15-year-old resident of Cedar Island, has completely recovered from an attack of scarlet fever. She was stricken Christmas Eve but has now returned to school.

### Marines Put Out Grass Fire at Trumbull Plant

Marines put out a grass fire at the Trumbull Asphalt plant Saturday afternoon.

The Morehead City fire department was not called, but Mack Edwards, engineer, said he was asked to inspect the situation. A piece of trash burning in a 50-gallon drum had blown out and set grass afire.

The Marines who put out the blaze were engaged in embarkation operations at the nearby port. There was no damage, Mr. Edwards said.

### Sears Official Wins Citizenship Award

Charles H. Kellstadt of Atlanta, a vice-president of Sears, Roebuck and Co. in charge of the company's Southern Territory, was awarded the Good Citizenship Award for 1954 by the National Retail Dry Goods Association in New York last night, it was announced today by Mrs. Gretchen Brinson, manager of the Sears Catalog Office, Morehead City.

Mr. Kellstadt was awarded a silver plaque in recognition of his services as chairman, committee on Blood, American National Red Cross. The accompanying citation paid tribute to his part in "directing the Blood Donor Service which provided over 13,000,000 pints of blood for the Armed Forces during World War II."

Mr. Kellstadt thus becomes "the first Southern merchant to be so honored for public services other than in purely business activities," according to J. Gordon Dakins, Executive Vice-President of the National Retail Dry Goods Association.

### Admiral Sets Dates for Exams

Norfolk, Va. — Rear Adm. Russell E. Wood, USCG, commander of the Fifth Coast Guard District, announced today that the next examination for licensed officers of the Merchant Marine for commissions in the Coast Guard will be held March 1, 2, and 3 in Norfolk and Baltimore.

Applications should be postmarked prior to Feb. 19 to insure processing for this examination.

### Commissions Offered

Commissions will be offered in the ranks of lieutenant (junior grade), lieutenant and lieutenant commander, depending upon age, experience and professional ability. All applicants must be between the ages of 21 and 40, and have served at least four years aboard a U. S. merchant vessel in the capacity of a licensed officer.

The examination is open to both licensed deck and licensed engineer officers of the U. S. Merchant Marine. Appropriate examinations will be given each group. Application forms may be secured by writing to the Commandant of the U. S. Coast Guard (PTP), Washington 25, D. C., or from any Coast Guard district office or Marine Inspection office. The Fifth District office is located in the Norfolk Post Office Building, and Marine Inspection offices are located in Norfolk, Baltimore and Wilmington, N. C.

### Four Drivers Lose Operator Licenses

Four persons of this area have had their driver's licenses suspended or revoked according to information from the State Highway Safety Division.

Two persons have had their licenses suspended. They are William Maxwell Mutter, of Morehead City, Carteret County Superior Court and William Reed Robinson, Cherry Point, New Bern Recorder's Court.

Persons having their licenses revoked are Samuel J. Eaton, Cherry Point, New Bern Recorder's Court and Dean West Tomb, Cherry Point, New Bern Recorder's Court.

Suspension is for a period of three months or less and revocation is for no less than a year. Whether the license is suspended or revoked depends on the seriousness of the violation.

### Girl Scouts Get New Troop Leader

Mrs. Theodore Rice, Morehead City, announced today that Mrs. Robert McCabe, 908 Shepard St., Morehead City, has taken over leadership of the second class Girl Scouts in Morehead City.

Other Girl Scout leaders are Mrs. Norman Post who instructs the first class Scouts and Mrs. Robert Dorn who is in charge of Tenderfoots.

### Majority of Motorists Have Yet to Buy Tags

Approximately 2,600 Carteret County motorists have yet to buy state auto tags before the Jan. 31 deadline. Last year 4,500 tags were sold by the end of January.

Up to Friday noon 2,159 tags were sold, 1,790 auto tags, 212 truck tags, and the remainder were farm vehicle and trailer tags.

As in the past, officials are predicting a last minute rush. They are urging motorists to get their tags now.

### Sub-Standard Houses

New Orleans (AP) — The Commission planned to establish minimum housing standards after a survey showed that 43 per cent of the city's 173,000 houses were sub-standard.

## State Chairman Urges Support Of Polio Drive

Chapel Hill—Emphasizing that the battle against infantile paralysis is not yet won, State March of Dimes Chairman Thad Eure, Raleigh, today urged all North Carolinians to open their hearts and give more generously than ever before to the campaign now going on throughout the State.

Issuing an appeal at State headquarters here, Chairman Eure said: "If ever a state profited from the March of Dimes that state is our own North Carolina. Millions of March of Dimes dollars have been expended on our patients in an effort to restore them to health and usefulness."

### 900 Stricken

"More than 900 Tar Heels were stricken by the crippling in the year just past. Not one of these young people failed to receive the finest medical care available, thanks to the generosity of the American people."

Chairman Eure said the fight against this disease "must continue on four vital fronts. The year opened with polio chapters assisting the greatest number of patients on record — 66,000 — who are receiving March of Dimes help now and will continue to receive it as long as they need it. The four vital fronts are patient assistance, polio research, public and professional education, and the new Polio Prevention Program."

### Stricken Need Help

Pointing out that while "the promise of future victory over polio is good news for healthy children, it offers little hope to those already disabled by polio's attack."

The sixth consecutive year of intense epidemics in the nation saw the disease strike more than 35,000 people, shooting the nationwide toll to 225,000 since 1948, the year North Carolina suffered its worst epidemic of more than 2,500 cases. "Let's give more in 1954," Chairman Eure urged.

## Down Our Way

By JAMES G. WHITEHURST

The many friends of Cap'n Henry Guthrie will be pleased to learn that he has now regained his health, after having been quite sick since last September.

Cap'n Henry will soon start the construction of the most lavish "cottage" ever built at Atlantic Beach. He will construct it for the Blounts, of Greenville, who already have a cottage at Atlantic Beach, but want to move up alongside of brother F. L. Blount.

We were down Saturday in Morehead City at the Sound-side cottage of Mrs. Mildred Sanders, of the Sanders Motor Company of Raleigh, conferring with Architect Lindsay Hopkins on the rebuilding of the front porch in particular, and the downstairs in general.

Mrs. Sanders expects to rebuild completely her front porch within the next few weeks. The old porch will be torn down and replaced with a terrazzo floor, enclosed with one of our Clearview Louvered Glass Porch Enclosures. The partition between the porch and the large living room will be replaced with sliding glass doors, so that the porch and living room may be thrown ensuite. Nice arrangement, eh?

DON'T FORGET: Win Cash When You Trade With Whitehurst. Our contest is just now getting under way, but has already been widely received throughout Carteret County. You will be given a ticket with every dollar of purchase from now until March 27th.

On that date there will be a drawing and the following cash prizes will be awarded: First Prize, \$300 — Second Prize, \$200 — Third Prize, \$100. Remember, you do not have to be present to win, because your name will be on every ticket you deposit in the box.

Every year we are rushed until our tongues almost hang out during the April, May and June Spring rush. This year we are hoping the cash awards will cause a lot of the Springtime shoppers of our merchandise to buy during the first three months of the year. If you do, you'll become eligible to win some nice cash prizes. We will have the time to give you a better job now, because the work will be done by our regular experienced employees at this time, and it will keep us from having to hire inexperienced help during what has been our rush season.

If you are building a house and want to get Venetian Blinds so that you can get your tickets during this contest, even though your blinds cannot be installed until after April 1st, call us just as soon as the carpenters install your window frames. We will take the measure of the windows and guarantee you a perfect fit. Then we can give you tickets according to the amount of your deposit, and you automatically become eligible for the CASH-AWARDS CONTEST. You may pay a deposit of one-third in order to have your order made up and stored until you need it; or you may pay as much as you please, in order to get more tickets.

This deposit-manufacture-and-store proposition not only applies to Venetian Blinds, but also to everything we manufacture. This is an excellent time to also have your Canvas Awnings made up before the Spring rush — then we can install them on short notice.
