

# Camp Lejeune Topples Eagle Cagers Tuesday

Coach Gannon Talbert of the Morehead City High hoopers kept his record intact Tuesday night at the Camp Lejeune Coliseum. His basketball team still hasn't defeated Camp Lejeune on its home court.

The Devilpups came from behind in the last two minutes of the closing period to top the Eagles 66-58 in a game that was full of thrills for both teams.

The Eagles had the lead wrested from their hands midway in the first period with the Devilpups playing a bang-up game to pull ahead by 10 points.

**Eagles Shave Lead**  
By halftime the visitors had shaved the lead to seven points. A third period surge put the Eagles within one point of the lead 48-49.

The Eagles then went ahead 53-51 in the fourth period only to lose it again 55-54. The Devilpups kept pecking away until with a minute and a half remaining, the score stood 58-56 in favor of the home team.

Camp Lejeune broke the game wide open with a six-point barrage and added another two points at the whistle to win its ninth victory against one defeat.

Camp Lejeune now leads the Seashore Conference with a 8-0 record. Its only loss was to Jacksonville, a Class AA school, in a non-conference tilt. Morehead's record is now 6-4. Its five game win streak was snapped by the classy Lejeune quintet.

The Eagles started out against Lejeune where it left off with Newport in the first quarter using a 1-3-1 zone that gave them an early lead. With Wayne Cheek and Jerry T. Willis grabbing the rebounds, Denny Lawrence and Bobby Willis were hitting for important scores.

**Set Shots Deadly**  
Billy Hudson and Charlie Sells, for the Devilpups, quickly erased the lead with set shots that were the downfall of the Eagles. The lead changed hands four times in the first period before Lejeune posted a five-point lead at the first quarter, 17-12.

Hudson and Johnny Mugford began outjumping Cheek and J. T. Willis for rebounds and a fast break accounted for four quick markers at the start of the second period. Sells then took over with his side court set shot wizardry that couldn't be stopped. He sank shot after shot that left the Eagles dazed.

Then the Eagles tried some set shooting of their own and shaved

the lead to seven points at halftime 35-28. But Lejeune continued to master the boards to the consternation of the Eagles. Their passing became ragged, giving the Devilpups ball hawkers plenty of chances for steals that added points via the fast break.

Morehead changed its zone in the third period to a sliding 2-3 that stopped the scoring spree of the Devilpups.

The Eagles couldn't stop the deadly set shots of Sells and Jimmy Barker, but did control their passing enough to start shaving the lead once again.

With Cheek and J. T. Willis assuming command of the board again, the lead was shaved to five points, then two points and finally one point 49-48 as the third period ended.

Jerry W. Willis tied the game with a free throw, but Mugford put the Pups out in front again with another set. The game was tied once more then Morehead pulled ahead by two points, 53-51.

**Lejeune Pulls Ahead**  
Lejeune was still fighting and pulled out again this time to stay via two set shots 55-54. Adding three more points while the Eagles posted two to lead 58-56.

Here the Eagles had a minute and a half to come out on top, but instead had passes, hurried shots, and poor floor play gave the Devilpups the opportunity they wanted.

Blasting in six quick points, the Devilpups iced the game, not really needing the two free throws later netted by Bobby Peele, who saw only limited action.

Lejeune hit for 39 per cent from the floor, connecting for 25 out of 64 field goal attempts. The Devilpups also hit eight out of 15 charity tosses.

Sells paced the visitors with 24 points, Mugford had 17, and Jimmie Barker contributed 11. Sells, Mugford, and Hudson stood out defensively for Lejeune.

Cheek, J. W. Willis, and D. T. Lawrence were defensive standouts for the Eagles. Cheek and Bobby Willis led the Eagles with 15 points each. J. W. Willis had 10. The
