Protestant Churches Seek Eight Million For Overseas Relief

New York, N. Y. — Major Protestant and Eastern Orthodox churches in America will be asked for more than \$8,000,000 in cash for 1954 programs of relief and reconstruction in overseas areas of need.

This was announced today by Harper Sibley, chairman of Church World Service, in launching the 1954 United Appeal for Relief and Reconstruction, the sixth annual cooperative appeal of the denominations working together under the sponsorship of the Central Department of Church World Service of the National Council of the Churches of Christ in the U. S. A.

In these areas emergency relief (food, shelter, clothing, medicine) is desperately needed to relieve suffering among the homeless and the destitute while rehabilitation and reconstruction programs are vital to restoration of spiritual and physical sufficiency.

High point in the 1954 united appeal will be the "One Great Hour of Sharing" observances with special services in thousands of American churches on Sunday, March 28, when special relief offerings will be made.

Ready for the NEW LAW?

You owe it to yourself to find out how the new Safety Responsibility Law will affect you as a motorist if you have an accident after Jan. 1, 1954 and cannot pay for it. For complete details see or telephone

Horses Taught Snowshoe Use

Vancouver — (AP) — Some horses have been taught to use snowshoes on northern British Columbia winter trails and Morley Shier has produced snapshots of horses so equipped to convince doubters.

Shier said he first saw a horse on snowshoes in 1919 when he was hiking from Stewart, B. C., to Premier Mine.

Later he saw several pack trains of horses with snowshoes and was given one of the shoes by J. (Bill) Crawford, Stewart merchant.

Shier said at one time round boards were used. Now horse snowshoes are a circle of 3/4 inch pipe, 12 inches in diameter, with chains to the centre and clips for the toe and side.

At first a horse is troubled, but soon learns the trick of putting one shoe over the other in walking on snow. When a shoe gets loose, the horse will stop, look back, and wait for an adjustment.

Methodist Youth to Enter Statewide Essay Contest

The Methodist youth of the North Carolina Conference are being called upon to write an essay entitled "Why Go to Church." The contest is being sponsored by the North Carolina Conference Board of Evangelism. The theme is closely allied with the general emphasis in the Methodist Church on church attendance from Jan. 1 through Easter of 1954.

All members of the youth division of every Methodist Church throughout the North Carolina Conference are eligible to participate. Each essay is not to be more than 400 words in length and must be postmarked not later than March 31, 1954.

Four prizes are to be given in the conference as follows: first prize, \$50; second prize, \$25; third prize, \$15; and fourth prize, \$10.

There is to be a selection of the four best in each district and these will be sent to the Rev. B. B. Slaughter, 2524 Banner St., Durham, where the final winners are to be selected.

Samoan Lepers Helped
 Pago Pago (AP)—The lepers of American Samoa no longer will be confined to little Makogai Island in the Fiji. A leprosan has been built seven miles west of here where patients will get medical care and land to farm. The government hopes that knowing they will be no longer doomed to exile on Makogai, lepers of Samoa who may be concealing the disease will come in for treatment.
