Catholic Society Seeks Members

A drive is now underway for new members for the Holy Name Society of St. Egbert's Catholic Church, Morehead City. Meetings are held on the second Thursday of every month at 8 o'clock in the parish rectory.

All Catholic men in this vicinity are invited to join. The general purposes of the society are the promoting of the spiritual welfare of the men of the parish by encouraging and assisting them to observe practices of the Confraternity of the Most Holy Name of Jesus, explains Bob Cantelli, publicity chairman.

Other purposes of the society are fostering the observances of the promises contained in the Holy Name pledge, assisting the member to participate more in the life of the church and preparing special works that are assigned to it by the pastor.

Men interested in joining should contact Ted Hardy, president, or Father Paul Byron at the rectory, 1701 Evans St.

For an epicurean vegetable dish, cut a head of celery lengthwise into four pieces; do not separate the stalks. Steam until tender in a little salted water. Marinate in French dressing, chill and serve as a salad on romaine. This will make four servings.

Laundering, Dry Cleaning is Art

By RUTH CURRENT State Home Demonstration Agent

Laundering and dry cleaning is a science and an art. Are we satisfied with the way our clothes are returned to us from our laundries and dry cleaners?

Good grooming is directly related to knowledge and skill of laundering and dry cleaning. What problem is bigger for the housewife than that weekly laundry for the family? Are the nylon undergarments, sheets and pillow cases grayed from following poor laundry practices? What about curtains, slip covers, draperies, blankets that have been sent to the dry cleaners? Are they off color? Have the woollens been shrunk?

It's time for homemakers to start studying more about the high cost of laundering and dry cleaning, at home and away from home.
