Planetarium Easter Show Will Open Tuesday, March 30

Chapel Hill—"Easter the Awakening" will open in the Morehead Planetarium at the University of North Carolina Tuesday, March 30. Reservations for 1,300 school children to see this annual production have already been received. The special programs for school groups are scheduled for 11 a.m. and 2 p.m. each Wednesday, Thursday and Friday during April.

The management advises principals, teachers and other officials to make early reservation for their groups to see the program most convenient to them.

Other special programs of "Easter the Awakening" will be opened as it becomes necessary, or at the convenience of any group numbering 100 or more persons, according to A. F. Jenzano, planetarium manager.

the Beautiful New 1954 AERO WILLYS
...now with 27% MORE POWER!

Measure the STYLE!

From its smartly sloping hood, the new AERO WILLYS is a clean sweep of aerodynamic design... one of the most beautiful, most modern cars on the road today. You get lower wind resistance, and less wind noise inside the car... lower center of gravity for greater safety, more comfort on turns... greater visibility, you see all four fenders from the driver's seat, for safer driving, easier parking. It's a head-turning, pulse-quicken beauty.

See it and drive it today, at your Willys dealer.

Measure the VALUE!

Now, for no more than you pay for an ordinary car, you get: (1) Unsurpassed gas economy: An independent testing organization drove three AERO WILLYS cars 90,000 miles last year, reported better than 30 miles to the gallon! (2) Unsurpassed operating cost: on the same 90,000-mile run, through all 48 states, less than a penny a mile! (3) Unsurpassed safety: After testing 20 U. S. automobiles last year, "Motor Trend" magazine rated the AERO WILLYS tops on safety... safest of all, 20 cars tested!
