Red Cross Workers Should Submit Reports by Thursday

Mrs. James Rumley, chairman of the Red Cross fund-raising campaign, yesterday asked all captains to complete their reports and get them to campaign chairmen in their respective communities no later than Thursday. It would be helpful, also, she

added, if the captains will submit a list of those who helped them. The campaign chairman in Beau-

fort is Mrs. D. F. Merrill, in Morehead City, Oscar Joslyn and in Newport Charles Hill.

Newport Charles Hill.

If reports can be turned in before Thursday, it will be appreciated, Mrs. Rumley said.

Persons who have not yet joined
the Red Cross are asked to do so
immediately. The Red Cross, Mrs. Rumley says, performs many services, both here at home and throughout the world, and is most

worthy of support.

Checks may be mailed to her, to Mrs. Merrill, Beaufort, to any of the other chairmen throughout the county or money may be given to Red Cross solicitors

Contest Deadline

Entrants May Submit Any Number of Slogans for Welcome Signs

Charles Hill, president of the Newport Businessmen's Associa-tion, announced yesterday that the slogan contest deadline has been extended to midnight Thursday, April 8.

The association is sponsoring the contest to obtain appropriate word-ing for welcome signs to be placed near both limits of the town on highway 70. The winner will re-ceive a \$25 government bond. Mr. Hill said that lots of slogans

have been submitted by residents in Morehead City and other parts of the county but very few from Mrs. Ruby Blythe, Rocky Mount, Newport. He'd like to see a bit of president; Miss Lois Frazier, Red Newport. He'd like to see a bit of enthusiasm on the part of the home folks. There's no limit to the number of

slogans one person may send and anyone is eligible to compete. The slogan should promote the town as well as welcome visitors. The signs, constructed of wood

are 8 by 16 feet. They will be light-ed at night. The project is one of the town's Finer Carolina enter-

rises. Entries should be addressed as follows: Slogan Contest, Newport Businessmen's Association, New-port, N. C. Entrants should be sure to include their name and address.

Bland Farm Has First

The first planting of the new Coastal Bermuda grass in Carteret County was made last week on a two-acre field on the Alton Bland farm eight miles west of Morehead City on highway 24, R. M. Williams county farm agent reports.

This forage plant was developed at the Coastal Plain Experiment Station, Tifton, Gs. Grazing studies, Mr. Williams said, indicate that Coastal Bermuda produced more beef per scre in late summer and fall than any other grass tested. It makes a good hay crop palatable to cattle and cures in a short period of time. Mr. Williams feels that this type of grass would be worthy of Carteret County farmers' consideration on the lighter

Board Hopes to Keep 'Foreign' Shrimpers Out

Cecil Morris, Atlantic, was named at the weekend meeting of the Board of Conservation and Development, to succeed Eric W Rodgers as head of the commercial fisheries committee.

Mr. Rodgers has accepted the position as assistant to the director of the board, Ben Douglas. The new job of special assistant pays \$8,592 a year. No one was named to replace Mr. Morris as a commit tee member.

The Board of Conservation and Development held its spring meet ng at Wilmington Thursday, Friday and Saturday.

Action was taken to keep shrimp ers from other states out of North Carolina inland waters although it is not known whether the regula tion adopted is legally permissible

The board ruling declares tha anyone taking shrimp out of state controlled waters will be punished by a fine and the confiscation of the catch unless such shrim; trawler or boats that are owned by non-residents pay this state the usual fees imposed on Tar Heel shrimpers.

Deny Privileges

Further shrimping privileges ould be denied any non-resident shrimper seeking to operate in in commercial waters of the state if the state of which he is a resident prohibits North Carolina shrimpers from operating in the in-land waters of that state.

Mr. Rodgers said the recent U. S Supreme Court decision in the tidelands oil case involving submerged lands gives states certain controls over marine resources in waters within their territorial bor ders and that these resources in clude fish, shrimp and oysters.
