This marks our 25th year of service to our good friends and customers in this community. We are happy to announce the Formal Opening of our new store . . . second to none in the country. We want to thank you, our friends and customers, for making our growth and expansion possible. Your continued friendship and good patronage has given us an incentive to try to do more for you in the way of service and with as reasonable prices as possible. We hope you will like our store and again we thank you for making it possible for us to give you a Drug Store which is in keeping with the growth of our community.
