

Pittman, Thomas Hurl Shutout over Dixon 8-0

Morehead City twirlers Jerry Pittman and Walter Thomas teamed Tuesday to hurl a no-hit-no-run game over Dixon on the Eagles diamond, downing the visitors, 8-0.

Thomas also starred in the batter's box, connecting one for one, a homer in the third inning, and scored three runs. Pittman started on the hill for the Eagles and pitched shutout ball for three innings.

Thomas came on in the top of the fourth and proceeded to take up where Pittman left off. Thomas is the winning pitcher. B. Smith, Dixon twirler, was charged with the loss.

Eagles Win Sixth
The Eagles have now won six games while dropping one. The next action will take place Monday on the Eagles field when they entertain Camp Lejeune's Devilpups. The Eagles are idle today.

The Eagles started off sloppily, committing four bobbles in the first inning when five men faced Pittman. Raynor, first Dixon man up was safe at first on Thomas' error with Raynor going to third.

He took second as Norman Larkee bobbled the throw from catcher Bobby Willis in an attempt to stop the steal. After two outs Don James reached first on Thomas' error with Raynor going to third.

Parker grounded out from Bradley McIntosh to Thomas to end the inning.

Eagles Score
Morehead City drew first blood in the second on two free passes, a fielder's choice, and a hit. Thomas and Kemp Wickizer drew walks.

Pittman bunted in front of the plate, but catcher James elected to play at third on Thomas and threw wild. Thomas scored the first run.

Wickizer was picked off third. After Jim Willis fanned, Connor singled over second scoring Pittman with Gene Smith grounding out to end the frame.

Dixon also threatened in the second when J. Smith walked, stole second, and moved to third on an error by Bobby Willis. He tried for home on a passed ball but was out from Willis to Pittman.

Dixon Threatens
In the third Pittman again was in trouble. After two outs, walks to Padgett and James put runners on second and first. Both advance on a passed ball, but Pittman bore down and fanned Parker to end the inning.

The Eagles came back with two runs on a hit, a walk, and a sacrifice. Larkee walked opening the inning and was sent to second on McIntosh's sacrifice.

Larkee stole third. B. Willis popped up then Thomas blasted a round tripper up against the wall in deep left center scoring Larkee and himself. Wickizer fanned ending the frame.

Thomas relieved Pittman in the top of the fourth and retired Dixon in order. He got himself in trouble in the fifth by walking two men with one out, but rallied to get the last two out.

The Eagles grabbed another tally in the fourth when Jim Willis singled, stole second, and came on around on Gene Smith's single. They added three insurance runs in the fifth.

J. Smith Loads Bases
J. Smith relieved B. Smith on the hill and promptly loaded the sacks via walks. Bobby Willis was picked off third, but Pittman walked to load the bases again.

Jim Willis squeezed Thomas home and was safe as James elected to play at third. Wickizer was picked off third. Connor scored Pittman and Willis on his grounder to the pitcher.

J. Smith threw home too late to catch Pittman and James wheeled and fired to third hitting J. Willis with the ball as Willis kept going. He scored as the ball went into left field.

B. Smith, Dixon's starter, gave up four runs, four hits, fanned seven and walked two. His relief, J. Smith, gave up three runs, fanned none, and walked five.

County Baseball League Sticks with Six Clubs

The Carteret County Baseball league will have six teams this year, Atlantic, Beaufort, Smyrna-Harkers Island, Morehead City, Newport, and Salter Path.

There was only one other team represented at Tuesday's meeting of the league in Beaufort. John Tillery, representing the Morehead City Brownsies, after reading a copy of the by-laws, said that his team could not qualify.

He gave as reasons the rule stating that players must be from Carteret County—most of his are not—and the rule stating only one team shall represent each community. He asked that the league consider his team next year.

League Votes in Six Teams
He said that by that time his team would be able to qualify. The league then voted to have a six-team league. Wildwood representatives were absent. Whether they will play ball as a team or disband wasn't learned.

The by-laws were read over and approved with some changes. The season will run through May 9 to July 18. The All-Star game will be July 4. Other changes made are: the weekends of July 25 and August 1 will be for make-up games; and Shaughnessy Playoffs begin August 8.

It was also decided that the visiting team shall have the field from 12:45 p.m. to 1:15 p.m. for batting practice. The remaining time will be divided equally among the home and visiting teams for infield practice.

A visiting team must be present by 1:30 p.m. for the first game or a \$10 fine will be levied. It must also be on the field by 2:30 p.m. for the second game or pay a \$5 fine.

Umps Don't Need Rosters
The manager will not be required to give the umpire a copy of his roster before the start of the first game. Article four, section five was changed to read, "No player may be added to the roster within the last 14 days of the regular season."

The sentence, "During the two weekends prior to the last 14 days, any player added must be available in right field and made five put-outs."

Gene Smith also helped in the Eagles hitting attack with one for two.

Queen Street Errors Give Trenton Nine 4-3 Victory

Trenton's baseball team took advantage of Queen Street High's bobbles in the sixth and seventh innings Wednesday to wrest a 4-3 victory over the Black Knights at Trenton.

Both teams posted goose eggs for three frames. Then the Knights broke the ice with two runs in the fourth. Trenton scored one in the fifth and two in the sixth to take the lead, 3-2.

The Knights tallied again in the seventh, tying the game at 3-3, but Trenton garnered a run in the home half to win the game.

Winning pitcher was Gooding, who relieved starter Cheston in the fifth. Losing pitcher was Bernard Carter, who went the distance.

Carter was tagged for five hits,

Frank Hazel fanned to end the inning.

Trenton's run in the fifth came when Gibbs reached first on an error, went to second on Britton's single and scored on an error by the centerfielder.

A double, two errors and an infield out gave Trenton two runs in the sixth and the lead. Queen Street tied it up in the seventh.

Harger singled and John Jones, running for Harger, stole second and third. Hazel sacrificed Jones home with the tying run.

Trenton grabbed the win in the bottom of the seventh after two outs. Carper doubled and Britton singled. But the Knight's centerfielder made an error on the play allowing Carper to score.

All hits were scattered. Matthew Godette doubled for the Knights as did Carper and Hicks for Trenton.
