### Brig. Gen. R. E. Randall, Mrs. Randall Sail As Passengers

The M/S Gloria, out of Bremen, Germany, and captained by Friedrich Fiedler, will arrive in her home port Sunday, May 16, with 3,200 hogsheads of tobacco aboard.

The cargo was loaded aboard the Gloria at the Morehead City port during its four-day stay here. The ship sailed last Tuesday.

Since the last time the Gloria was in port here, Captain Fiedler was promoted to his present position. When the ship docked at the port in October 1953, Captain Fiedler was senior officer.

Accompanying the captain was his charming wife. She joined him in Rotterdam, and from there travelled with him to Aviles, Spain, where they picked up cargo for Baltimore, New York City, and Wilmington, Del.

From Wilmington the Gloria arrived here to take on the tobacco cargo destined for her home port. Also accompanying the captain and his wife on the home journey are Brig. Gen. Russell E. Randall, USAF, Ret., and his wife, Gusti Randall.

Gen. and Mrs. Randall are planning a European vacation of about two and one-half months. During their vacation they will drive through various European countries.

Gen. and Mrs. Randall, of Pasadena, Calif., flew to Chicago and here their Bel Air Chevrolet was loaded aboard the Gloria for its European tour.

First stop on the Randalls' trip will be Munich, Germany, to visit with Mrs. Randall's parents. From there the couple will go to Switzerland, Italy, Spain, France, and Belgium.

General Randall met his wife in Switzerland during a European tour in 1950. At that time Mrs. Randall was a bit player in German movies.

General Randall has been retired from active service since 1949. During his active duty he served as air attaché to Moscow and was on duty in the China-Burma-India theatre during World War II, where Gen. Claire Chennault's Flying Tigers became famous.

He arranged passage on the Gloria by contacting the ship's American representatives in New York.

The Gloria left Germany Dec. 31, 1953. It carries a crew of 30 and has facilities for eight passengers. This is the first time that the Gloria has carried passengers from Morehead City, as a matter of fact the Randalls are the first passengers to leave here for Europe.

The Gloria made a trip around Africa after leaving Bremen and returned to Rotterdam, where Captain Fiedler was joined by his wife.

### Charles Phillips To be Graduation Speaker at Beaufort

Charles Phillips, director of public relations, Woman's College, Greensboro, will be the speaker at Beaufort commencement exercises Tuesday night, June 1.

The baccalaureate service will be at 11 o'clock Sunday morning, May 30, at the school.

### Symphony Group Continues Campaign for Memberships

Skinner A. Chalk, president of the county North Carolina Symphony Society, announced Friday that persons wishing to become affiliated with the society may mail their money to him in Morehead City or to James Webb, symphony treasurer, c/o Morehead City Postoffice.

Members are entitled to attend state symphony concerts. One is given for adults in this county annually. One is also given for the children. Mr. Chalk said that he hopes this year enough money will be raised to make two children's concerts possible.

A 50-cent membership entitles grammar and high school students to attend the adult concert. The membership for college students is \$1 and the student may attend a concert any place it is given, either here in the county or in the town where he is attending college.

An adult membership is \$3 and a joint membership, for any two people at one address, is \$5. An active membership of \$5 entitles the holder to hold office in the symphony society, \$25 is a donor or group contribution and \$100 patron.

Goal is \$1,425

Mr. Chalk said the society hopes to receive \$1,425 in county memberships this year. He added that exceeding that goal will make two children's concerts likely and thus enable more children to hear the symphony than have heard it in other years.

## National Guard Unit Will Parade in Beaufort Saturday

In observation of Armed Forces Day Saturday the National Guard Unit of Beaufort will sponsor a parade and display of Army equipment in Beaufort.

The parade will begin at 10 o'clock. Marching units will consist of the National Guard under the command of Lt. Norman E. Masters, the Beaufort School Band, Queen Street School Band, Boy and Girl Scouts and Brownies.

The display of equipment will be in front of the postoffice.

Arrangements for the celebration are being made by Mayor Clifford T. Lewis and Sfc. Lester L. Hall Jr., unit administrator of the guard unit.

The unit was organized in the fall as Battery A, 295th Field Artillery Battalion. Drills are conducted each Monday at 7 p.m. in the school gymnasium. The unit now numbers 43.

Maj. Gen. John H. Manning, adjutant general of North Carolina, announced this week that more than 7,000 National Guardsmen from this state will participate in field training this summer.

The Beaufort unit's training period will be Aug. 8 to Aug. 22.

In calling on employers to make it possible for all Guardsmen to participate in the training, General Manning said:

"In these days of unrest and world tension, it is vital that every Guardsman be as fully trained as possible, and this is amplified by the fact that the National Guard has been assigned its most important defense role in its 300 year history."

"The wonderful cooperation of business and industrial employers in granting military leave to their Guardsmen employees was greatly responsible for the excellent attendance at last year's Summer Field Training. The goal this year is 100 per cent attendance. We know that patriotic employers will help us attain this goal."

He added that many employers grant Guardsmen leave with pay in addition to regular vacations, or make up the difference between military and civilian pay while the employees are in camp.

Members of Battery A, in addition to Lieutenant Masters and Ser-

geant Hall, are Merritt E. Bridge-

man, Xenophon F. Mason, McDonald Nelson, Eugene O. Smith and Arthur K. Lewis, all second lieutenants.
