

Friend Gives Prospective Bridegroom the Scoop

Ankara (AP) — A blind man stood in line for a marriage license. A friend came along who hadn't seen him for some time and, told the name of the intended bride, exclaimed: "But she's ugly!" The blind man muttered "They told me she was pretty." He felt his way out of the office and wasn't seen there again.

Pennies Count

Hartford, Conn. (AP)—A couple of pennies makes a lot of difference, says Connecticut State Tax Commissioner William F. Connelly. When the state sales tax was one per cent, he reports, many merchants preferred to absorb it rather than pass it on to the customer. Since the tax went up to three per cent, however, he says that "dealers are more careful to collect the levy even on small items."

Model 66 ALL-CROP Harvester

A New Standard of Harvesting

Now comes a new Six-Foot ALL-CROP Harvester — the Model 66 — bringing a still higher standard of harvesting — for grains, beans, sorghums, and high-value seed crops.

Crops travel in a broader WIDE-FLOW stream to the famous rubber-cushioned bar cylinder. You can easily harvest two wide-planted rows of soybeans or sorghums. A new STEP-UP strawrack boosts capacity in over 100 crops, gives straw a faster, rougher ride; separates cleaner.

Own an ALL-CROP Harvester and make 1953 the best harvest year you've ever had. Come and see us — and remember to ask the price. The New Model 66 is a leader in dollar value as well as performance.
