Your vote and any influence on my behalf in the May 29th Primary will be appreciated

# LUTHER HAMILTON, JR. IS A CANDIDATE FOR THE OFFICE OF DISTRICT SOLICITOR

It is an office of great trust and responsibility; likewise, an office of great honor. It has been filled by Pitt County for nearly all of the past generation. Pitt is the largest of the six counties composing the district. Our candidate needs, and should have, the united support of our people.

He is a young man of sterling character with a sense of deep appreciation of the duties and responsibilities of the office, is well qualified, and would make a Solicitor that we home folk of the county would be mighty proud of. Let's not have it said that we have failed to stand by and support him (our own county man) in this, his so-important undertaking.

We sincerely trust that you will go to the polls Saturday and give Luther Hamilton, Jr., your support and urge your neighbors to do likewise.
