

### Ocracoke Seniors Will Graduate Sunday Night

Ocracoke High School commencement and baccalaureate service will take place Sunday night at the Ocracoke Methodist Church. The traditional processional, "Lead On, O King Eternal," will be used and members of the senior class will take part in the service. Clifton Austin will read the scripture and Gaynelle Spencer will give the prayer.

Danny Garrish, representing the class of 1954, will transfer the class flower and colors to Ellen Marie Fulcher, representing the

class of 1955, just entering the high school next fall.

Larry Simpson will present the Class Farewell. Mrs. Merian Hogard, a former graduate, will sing a solo.

The Rev. R. L. Vickery Jr., pastor, will make the baccalaureate address.

According to custom, Theodore Rondthaler, principal, will give perfect attendance certificates and announce other special awards. Supt. N. W. Shelton will present the diplomas to the seniors.

Marshals are two tenth graders, Sherry O'Neal and Susan Spencer. Ushers are also tenth graders, Chloe Garrish, Kenneth Tillett, and Harold Wahab. Members of the graduation class are Gaynelle Spencer, daughter of Mr. and Mrs. Herman Spencer; Clifton Austin, son of Mrs. Virginia Austin; Danny Garrish, son of Mr. and Mrs. Jesse Garrish; and Larry Simpson, son of Mrs. Sybil Simpson.

## Beaufort, Morehead Jaycees Offer Cars for Trips to Polls

Morehead City Jaycees will provide rides to and from the polls for those who want to vote in the Democratic primary tomorrow.

Seven Jaycees have volunteered their cars. Persons wanting a ride to the polls should call 6-4363 and a Jaycee will pick them up.

Jaycees lending their cars are P. H. Geer Jr., Lester Willis, Frank Cassiano, Jerry Willis, Jerry Fratelle, Herbert Phillips, and Charles Willis.

The Jaycees are providing this service as part of their "Get out the vote" campaign.

Walter Morris, chairman of the Morehead City beauty pageant, told Jaycees that as yet no girls have signed up. He made his report at a meeting Monday in the Fort Macon Hotel dining room.

The Jaycees moved that the beauty pageant committee decide whether a pageant is to be held or whether the Jaycees should simply choose a Miss Morehead City.

Herbert Phillips, internal vice-president, reported that at a meeting of internal committee chairmen Thursday, committee members were named. External committees were also selected, reported Charles Willis, external vice-president. All names will be released later.

A program will be presented at Jaycee meetings every two weeks, starting two weeks from Monday, said H. S. Gibbs Jr., program chairman.

Mr. Geer told the club that he would attend the United Fund meeting Tuesday at Kinston and give a report to the club Monday.

It was also announced that the club would hold a weiner roast Monday, June 14 at Fort Macon State Park.

Gerald Murdoch reported that the club needs 150 feet more fire hose to water the football field. If the additional hose can not be obtained, then a coupling is needed so that ordinary garden hose can be used.

The coupling must reduce the present two inch outlet to a three-quarter inch outlet so that garden hose can be used, he said.

J. B. Sanders, introduced by Mr. Gibbs, spoke to the club on sound money and what it means. His talk centered on stable money and investments, highlighting the importance of U. S. savings bonds.

Mr. Sanders said that Carteret County bought \$239,172.75 in series E and H bonds from Jan. 1 to April 30.

Visitors were Joe Harrington, Raleigh; Lester Willis, USCG, and Mr. Sanders.

### State Takes Licenses From Two Motorists

One person from this area had his driver's license suspended and an out-of-state resident, tried in Morehead City Recorder's Court, had his driver's license revoked according to the latest list released by the State Highway Safety Division.

James Archie Mason, Cherry Point, had his license suspended in New Bern Recorder's Court. William Fred Anderson, Knoxville, Tenn., had his license revoked in Morehead City Recorder's Court for drunk driving.

Annoyed by signs on many ancient Connecticut houses proclaiming "Washington slept here," one citizen posted a sign: "Washington Would Have Stopped Here If He Had Come This Way."

### Girl Scout Council Elects Four Countians to Office

Four Carteret County Girl Scout leaders have been elected to office in the Coastal Carolina Girl Scout Council.

They are Mrs. Harvey Hamilton Jr., Morehead City, first vice-president; Mrs. L. E. Hyder, Mrs. Tom Garner, Newport, and Mrs. William Loftin, Beaufort.

The council was organized at a recent meeting in the Midway Park Community Building, Camp Lejeune, and is composed of troops from Wayne, Duplin, Onslow, Carteret and a portion of Craven County.

Elected to head the group was Mrs. J. A. Leach, Goldsboro; Mrs. Hamilton, Morehead City, first vice-president; Mrs. John T. Taylor Jr., New Bern, second vice-president; Mrs. J. B. McMath, Camp Lejeune, secretary; and Mrs. William Prabeck, Goldsboro, treasurer.

Seven-Month Directors Elected to the board of directors for seven months were Mrs. Doris Shellhorn, Swansboro; Mrs. Tillie Knowles, New Bern; Mrs. Dorothy Stonecliff, Chaplin Billy Wolfe, Mrs. Robert Naylor, and Mrs. Paul Drake, Camp Lejeune; and Mrs. Hyder, Newport.

Elected to the membership-nominating committee for seven months were Mrs. Bill Craven, Warsaw; Mrs. R. S. Leopold, Camp Lejeune; Mrs. William Vinson, Goldsboro; and Mrs. A. B. Verdery, New Bern.

Elected for 19 months were Mrs. Jack Akin, Jacksonville; Mrs. Herold Orringer, New Bern; Mrs. Robert O'Neal, Neuse Forest; and Mrs. Garner, Newport.

Officers Installed Officers were installed by Bruce Boyers, Boy Scout executive of Tuscarora council, assisted by Miss Barbara Mitchell, intermediate Girl Scout of Goldsboro. Chaplain Billy Wolfs, chairman

### Peiping Radio Boasts Of Industry Progress

Tokyo (AP) — Peiping radio boasts constantly of wonderful things that will be done in industry.

The first automobile plant is going up at Mukden. When will it be done? All Peiping is saying is that construction this year will be four times greater than last year.

Work has started on a second modern cotton mill at Peiping. The first one isn't operating yet.

The machine building industry is going 13 times as fast as it did in 1949. There's no report on how it was doing in 1949. Or if it was.

About 400 million acres in the United States are classified as cropland.

Beaufort Jaycees will provide a pick up service tomorrow to take persons of the Beaufort area to the polls.

Persons wanting a ride to the polls should call 2-3711 and a Jaycee will pick them up, said Horace Loftin, president.

The Jaycees discussed final plans for the beauty pageant, being sponsored by the club, at their meeting Monday at the Scout Hut.

They were informed that two girls would take part in the contest. Others are still considering. The two who will participate are Bobby Dennis and Kay Willis, both 18, who live on Ann Street extended Beaufort.

Mr. Loftin announced that the dedication program for the playground, "Park by the Sea" would be at 5 p.m. Sunday. He asked all Jaycees to attend.

The club welcomed Billy Downum as a new member.

Frank Lewis, Beaufort, was a visitor.

### Ancient Herds Being Studied

Kabul, Afghanistan (AP) — Where did man first domesticate sheep and goats? A Philadelphia anthropologist, Dr. Carlton Stevens Coon, is searching ruins of early Afghan civilizations for the answer.

Dr. Coon said his expedition to Iran in 1951 established that goats and sheep were domesticated as early as 6,500 to 6,000 years before Christ. Deposits of bones showed that herders had domesticated the animals, the scientist said. His findings, he explained, were based on the ratio of the bones of young animals to mature ones.

"Where the ancient people were hunters only, bone deposits reveal almost wholly mature animals," said Dr. Coon. "When man advanced from hunting to herding, the ratio changed to about 25 per cent young animals. When civilization went from herding to the growing of cereal crops the ratio of young to mature animals jumped to approximately 50 per cent each."

Mule's Head Is Functional Jonesboro, Ark. (AP) — Passers-by gaped curiously at what appeared to be a mule's head on the ground. The mule had fallen into a 12-foot cistern. A wrecker hoist sent the animal trotting away, unhurt.

cent young animals. When civilization went from herding to the growing of cereal crops the ratio of young to mature animals jumped to approximately 50 per cent each."

**Two Holstein Cows Show High Production Records**

Milking tests have recently been completed on two Holstein cows at Bayside Farms, Crab Point.

Elect Fobes Bess Burke Rag Apple, five years and one month of age, produced 15,393 pounds of milk and 527 pounds of butterfat in 365 days, being milked twice daily.

This is an average of 20 quarts of milk daily and three times the production of the average U. S. cow.

Honeywood Koveka Beauty, produced 13,319 pounds of milk and 451 pounds of butterfat in 318 days. Milked twice daily, Moneywood Koveka Beauty was six years and eight months old when the test began. Her total was about two and one half times the production of the average U. S. cow.

**Titles of Eugene O'Neill Plays Inspire Headline**

New London, Conn. (AP) — Titles of two of Eugene O'Neill's plays inspired a copyreader of the New London Day, where O'Neill once worked, in composing a headline for a story about a desolate piece of property on Cape Cod where O'Neill did much of his early writing. Provincetown, Mass., was about to foreclose on the property, owned by O'Neill, when a friend paid a back tax bill, halting the action.

This is how the Day headed the story: Ah Wilderness (The Taxman Cometh).
