### Ice Cream Punch, Cookies Add Zest to June Showers

By CECILY BROWNSTONE  
Associated Press Food Editor  
All those brides-to-be, planning June weddings, deserve showers!

Don't let the idea that you have to serve elaborate food at a bridal shower keep you from honoring a soon-to-be-married friend. Give the shower on a week-end afternoon, or in the evening, and serve pretty cookies with a wonderful ice-cream punch. Cut the cookies into wedding bell and umbrella shapes to add to the festivity. Bell-shaped cutters are readily available; make your own umbrella pattern out of a piece of cardboard. The cookie dough can be made from a prepared mix to save time and trouble.

After the cookies are baked, decorate them with our special semi-sweet chocolate frosting. It's so easy to prepare. Just melt the chocolate and shortening, then add the other ingredients specified in the recipe, and beat until smooth. By the way, when we call for shortening in this recipe we mean a homogenized vegetable shortening. Don't add butter or margarine instead because they have too much moisture and will make the frosting too stiff.

With the cookies, serve this delectable ice-cream punch with its delicate blend of chocolate and coffee flavor. It's rich and satisfying.

#### Shower Cookies

Prepare rolled cookies from 1 package cookie mix according to package directions. Roll out 1/8-inch thick on lightly floured board or pastry cloth. Cut out bells with bell-shaped cookie cutter and um-

brellas with cardboard pattern; it is not necessary to flour cardboard shape. Bake on ungreased cookie sheets in moderate (375F) oven 6 to 8 minutes. Cool. Force semi-sweet chocolate frosting through narrow opening of cake decorator to make detail on umbrellas and bells. Makes 4 dozen medium-size cookies.

**Semi-Sweet Chocolate Frosting**  
Ingredients: 1/2 of a 6-ounce package (1/2 cup) semi-sweet chocolate morsels, 1 1/2 teaspoons shortening (not butter or margarine), 2 1/2 tablespoons evaporated milk (undiluted), 1/2 cup confectioners' sugar, 1/2 teaspoon vanilla.

**Method:** Melt semi-sweet chocolate and shortening over hot (not boiling) water. Remove from heat; mix in evaporated milk and confectioners' sugar; beat until smooth. Mix in vanilla.

**Mocha Punch**  
Ingredients: One 6-ounce package (1 cup) semi-sweet chocolate morsels, 4 tablespoons instant coffee, 1 cup sugar, 1 cup water, 2 quarts milk, 2 pints pre-packaged vanilla ice cream, 1 quart carbonated water (chilled), 1 cup cream (whipped).

**Method:** Mix together semi-sweet chocolate, instant coffee, sugar and water in top of double boiler; place over hot (not boiling) water and cook, stirring constantly, until blended. Remove from heat; stir in milk; chill. Just before serving, pour into punch bowl. Spoon in ice cream; stir until partially melted. Pour in carbonated water. Spoon whipped cream over top. Makes 36 one-half cup servings.

**Weight Building II**  
If you are too thin you can do something about it. Be calm. Avoid unnecessary excitement, hurry and worry. Try to find the bright, cheery side of life.

To keep your mind off yourself, try some light outdoor sports, or find a relaxing hobby. Hikes in the country are good if you do not hurry them. Get out in the sun, it's good for you.

**Body-Twists**  
An outdoor walk should give you an appetite. You'll eat more. And do your exercises every day faithfully.

Do the arms circle described last week for about eight counts and

combine it with this other morning exercise.

Stand with your feet comfortably apart. Stretch arms sideward, palms down.

COUNT 1—Bend forward touching right toe with left hand, right arm swinging upward.

COUNT 2—Twist body to touch left toe with right hand, left arm swinging upward. Alternate left, right 16 counts.
