School Safety Sheriff Hugh Salter was nominated Democratic candidate for sheriff by an overwhelming majority in Saturday's **Patrol Tuesday** primary. Polling more votes than any other candidate, state or local, Sheriff Salter outdistanced his two opponents with a vote of 4,005.

Next highest candidate for sheriff was Ray Highsmith.

Morehead City, with 761 votes and G. T. Spivey, Beaufort, followed with 362. Salter was high man in all 27 precincts. Highsmith failed to carry his bome precincts in Morehead City,

In the 1950 primary when Salter was elected to the county board of commissioners, he was second high-est man in the field with 3445 votes. Highest man was Phillip K. 3,870 votes in the county and 8,841 in the district. Hamilton was nosed out by Robert Rouse, Greenville, who received 9,091 votes (these returns are a late unofficial count). Hamilton said Wednesday that he was undecided as to whether to

enter the second primary. Since contests in a second primary are few and of a minor nature except ... polls 4,005 votes in Pitt County where there may be sheriff run-off, Hamilton there is the likelihood that few voters will go to the polls. Three others running for solici
