

Atlantic Splits Twin Bill; Drops First, Takes Second

Yankees Nip Giants 6-5

The Yankees eked out a 6-5 triumph over the Giants Tuesday in the Beaufort Summer Recreation program's Little League. Ray Hassell hurled a three-hitter.

The Yankees got off to a three-run lead in the first off Giant hurler J. Hassell. From then until the sixth frame a pitchers' duel was waged by J. Hassell and Ray Hassell, on the hill for the Yanks.

Director Hugh Gordon is urging more boys in the 9 to 11 age group to turn out so more teams can be organized. Baseball starts at the Beaufort High ball park at 2 p.m. each day.

Although Morehead City split Sunday's doubleheader with Atlantic in the county baseball loop, winning the first game 8-7 and dropping the nightcap 10-1, standings of the two clubs did not change.

Atlantic remains on the top perch with a 9-5 log with Morehead City resting comfortably in fifth place with a 6-7 record.

Lloyd Culpepper's deep fly to left field in the bottom of the 11th gave Morehead the first game after it had been knotted twice, 5-5 in the seventh and 7-7 in the ninth.

Martin Bears Down
Martin bore down and whiffed Harry Gerock and Don Willis to retire the side. The game was over in the bottom of the 11th as Culpepper's fly scored Ronnie Pate from third with the winning run.

Morehead used three pitchers in dumping the league leaders. Culpepper started and was lifted in favor of Jimmie Webb in the sixth. Martin came on in the ninth and went on to win the game.

Morehead broke the ice in the second frame with four runs on four hits highlighted by Culpepper and Freeman doubles. Singles by Buddy Willis and Morris, and a double by Joe Willis, accounted for two Atlantic runs in the fourth.

Joe Willis led off with a triple, scoring on Gerock's single. Gerock

Brownies Trip Agassiz 8 to 6 In Return Tilt

Morehead City Brownies evened the score against the Coast Guard Cutter Agassiz baseball team Saturday taking an 8-6 decision at the Morehead City ball park.

The Brownies put the game on ice in the sixth frame with three runs featuring a double by C. Gaskill and safeties by T. Jones, and Lefty Keenan.

Earl Sells, starting on the hill for the Agassiz was charged with the loss. He had to leave for Culpepper in the sixth. Starter Lefty Keenan was credited with the win.

Two errors and three walks gave the Brownies two tallies in the initial frame. The Agassiz came back with one run in the bottom of the first on a hit batsman, a walk, an error and two passed balls.

Keenan paced the Brownies with two for three. Horne's one for two led the Agassiz.

Little Loop Tests Slated for Friday

Tryouts for the Morehead City Little League baseball program being initiated by the Morehead City Jaycees will start Friday at 5 p.m. at the Morehead City ball park.

Boys from 10 to 12 years of age interested in playing are to report for action and uniform fitting, says J. B. Crowe, league president.

Present plans call for at least four teams. Games will be played Monday through Thursday at 5 p.m. Regulation equipment will be used.

Persons able to coach a team should get in touch with Mr. Crowe. He said that he can use as many coaches as there are teams.

came romping home on Don Willis' double and that was all for Culpepper. Webb came on and got Morris to ground weakly.

But Larkee at short threw wild to first and Morris was safe with Don Willis moving to third. He scored on Martin's error at first on Salter's grounder, fielded by McIntosh.

Freeman singled to lead Morehead off in the bottom of the ninth followed by Larkee's sharp rap through the infield. McIntosh came through with a single to left that got by Salter, scoring both Pate and Larkee. Martin and Jim Willis went down to end the frame.

Freeman's two for four and McIntosh's three for six led Morehead. Gerock's two for three and Joe Willis' three for six paced Atlantic. Atlantic's second game win was featured by the two-run homer of Buddy Willis in the first frame.

County League Meets Tomorrow

Managers and officials of the County Baseball League will meet tomorrow at 7:30 p.m. in Ottis Jefferson's Barber Shop, Beaufort, to make plans for the July 4 All-Star game and to rule on two protests.

Four players from each of the six teams in the league will be chosen by ballot for the east and west teams that comprise the all-star game. Players are selected by votes of their respective team members.

Salter Path is the prosector of games with Atlantic and Morehead City. Unaffected team managers and loop officials rule on the disputes.

Loop officials are Ray Cummins, president; Dick Locke, Newport, vice-president; and Tom Dickinson, Wildwood, secretary.

Cruiser, Owned By Dr. John Way, Launched Thursday

The 40-foot cabin cruiser, Queen Martha, owned by Dr. John Way, Beaufort, was launched at Harkers Island at 12:20 p.m. Thursday. The launching was witnessed by about 50 persons.

Mrs. B. C. Way, Dr. Way's mother, christened the craft. The boat was built by Brady Lewis at the West End Boat Yards, Harkers Island.

In addition to island residents, and Beaufort residents including former Mayor and Mrs. Lawrence Hassell, Dr. Samuel Way and family of Rocky Mount were present for the occasion.

Thomas Stars as Salter Path Splits Twin Bill

Big Walter Thomas, a 195-pound righthander, was the leading figure in Salter Path's splitting of a double-header with Smyrna-Harkers Island Sunday.

The big fireballer pitched three-hit ball in the first game as his team won, 21-0. In the second game, it appeared he had the game under control, having issued only four hits, and left the game in the sixth inning with a 10-1 margin.

Salter Path exploded early in the game for four runs in the first inning. In the initial inning Henry Frost, firstbaseman, lashed out Salter Path's first home run of the season.

Collect Five Tallies
The fourth and fifth innings were also big ones for Salter Path as they collected five tallies in the fourth and added six more in a wild fifth inning scoring spree.

Wilson Davis, the first of three Smyrna-Harkers Island pitchers, was charged with the loss.

Jerry Schumacher It's Not Easy to Eat Properly, But I Can

Such a one you are Schumacher, er, you eat like you-know what. This my wife tells me when I spill the onion soup over my new, pearl-gray, palm beach suit. But when someone is looking, like at a fancy party, I can use the right fork and be so careful not to drool on the tablecloth.

Remember the charter boating of years ago, men only, lots of refreshments, rough going? Now it's some kind of different. The Danco even has a hostess and Captain Willard's Gulf Breeze has a vanity for ladies. They will be bringing them in with radar next because fishhooks are so messy.

Someone asked if I didn't need an assistant when I go to the beach to make glamour shots of beautiful girls in bathing suits. Most people think that a photographer certainly has a perfect job: beautiful women, fires, wrecks, excitement, and all that. BUT.

How would you like to carry a ton of equipment a mile down the beach looking for just the right spot and then have the sun disappear? How would you like to spend the most part of every waking day in a musty old dark-room that smells like rotten eggs?

How would you like for your friends to see you making a complete idiot of yourself trying to make somebody's little junior smile? How would you like to have a customer say for the fourth time, "Can't you take a little more off my nose? It really isn't that long. It must have been the way you fixed the lights!"

That, brother, is the picture business. But for some unknown reason, it's the greatest way there is to make a living and I wouldn't trade it for the President's job.

Nosy Deer Gets Trapped
Bloomsburg, Pa. (AP)—Clarence Gildswell was cooperating with wildlife officials in a rabbit-trapping experiment but caught a deer instead. The animal got nosy and pushed its head into the rabbit-proof box trap. The deer, however, got away by breaking the trap against a tree.

Pollocksville Drubs Brownies

Pollocksville Robins swamped the Morehead City Brownies Sunday 14-9 at Pollocksville, clubbing Brownie hurlers Hill, Williams, and Mills for 14 safeties.

The Robins scored two in the second, after the Brownies opened with two in the first; three in the third, four in the fourth, two in the fifth, and three in the sixth.

Brownie tallies came in the first, fourth, seventh and eighth. They were hampered by a depleted pitching staff as Collins and Keenan worked against the Coast Guard Saturday.

Hill started, and after four and a third frames, he had given up eight hits and eight runs. Williams followed and twirled one and a third innings, only to be greeted with four hits and four runs. He retired in favor of Mills, who gave up two hits and two runs.

The Robins will be in Morehead Sunday for a return contest.

Score by innings: R H E
Robins 14 9 0
Brownies 9 14 2

Golf Bug Hits Movie Stars

White Sulphur Springs W. Va.—The people who make all those movies out in Hollywood are beginning to see daylight. They're getting out to play golf.

"I don't know who started it," said Bruce Cabot. "Maybe it was Bing Crosby or Bob Hope. They've been at this game a long time. Crosby is a 7 handicap player and Hope's even better with 4. Then there's Randolph Scott who is a 2 handicap player."

Gargan is a 20-handicap man but he had to take the limit of 18 in the Greenbrier pro-am. Did pretty well, too, getting an 89 on his own ball.

Cabot was a 9 handicap player last year but now he's 14. That's because he spent the last 11 months making movies in Italy. And he's on his way back now.

What is so fascinating about golf from a Hollywood standpoint? "Well," says Cabot, "it gets you outdoors for four hours and you walk about six or seven miles, sometimes more when your shoes stray."

Warren Beck is men's champion with Grover Munden runner-up. Mrs. Virgil Jenkins is women's champion with Mrs. Darden Eure runner-up. Winners of the various flights will also be recognized.

Golf Tourney Winners Get Trophies Tomorrow

Trophies will be awarded winners of the recent Morehead City Golf Club championship tournament at a supper at the club tomorrow night. The supper starts at 6 p.m.

Gus Dorais, sometimes called "the father of the forward pass," was head football coach at the University of Detroit for 18 years and had only one losing season.

Morehead Recreation Head Clarifies Daily Schedule

There is some confusion as to hours and age groups in the Morehead City Recreation Program. Fred Lewis, director, said yesterday.

The biggest confusion is in the afternoon schedule, he said. The hours are from 2 to 4:30 p.m. for children in the 4 to 19 age bracket only. Mr. Lewis emphasized.

Children from 6 through 19 are to report from 9 a.m. to 12 noon. At this time Mrs. Robert Taylor works with children from 6 to 9. Mrs. Taylor is not available for this age group in the afternoon, points out Mr. Lewis.

The morning and afternoon schedule runs daily Monday through Friday. Only the morning schedule is observed Saturday.

The evening program Wednesday from 7:30 to 10:30 p.m. is for children from 12 to 19. Friday night is high school night when boys and girls of high school age have a special program, Mr. Lewis said.

Southworth Picks Aaron for Braves

Charleston, W. Va. (AP)—Billy Southworth, now scouting for the Milwaukee Braves, says "it didn't take long to see that Henry Aaron has all the requirements to become an outfielder."

Southworth, here to do some scouting in the American Assn. and to visit with his nephew, Kenneth Ray Smith, saw Aaron playing second base for Jacksonville in the South Atlantic League last season.

"I saw him in the outfield in practice," says Southworth of the Milwaukee Negro rookie outfielder. "Jacksonville was fighting Ernie White's Columbia (S. C.) team for the pennant and they couldn't take him off second base for me to scout. However, I recommended him as an outfielder and think he'll be a good one."

Aaron, ticketed for Toledo this season, got his big chance with the Braves when Bobby Thomson fractured an ankle in an exhibition game.

Grid Game Is Won Three Days After It Is Played

HOLYOKE, Mass. (AP)—Amherst High School defeated Leicester High three days after the game was played.

Western Massachusetts football officials voted Amherst a 13-12 victory - in a game that no official saw.

It rained the day of the game and radio stations said the contest was called off. Assigned officials didn't show up.

But the game was played and four fans were recruited to officiate. They were divided evenly over the legality of the final Amherst touchdown. The dissenters, both Leicester men, claimed the Amherst back didn't reach the end zone.

The officials' association voted and upheld the score.

Wake Forest Coach Lauds Tackle Bob Bartholomew

Wake Forest coach Tom Rogers regards his tackle Bob Bartholomew, as "one of the best I've ever seen."

Wake Forest Coach Lauds Tackle Bob Bartholomew

Says Rogers, a former Duke end, "I played against several All-Americans but I rate Bartholomew right at the top."

A rugged performer, Bartholomew has played nearly 60 minutes in several games this season. He's a sophomore, weighs 215 and hails from Rocky Mount N. C.

13-Year-Old Lands Amberjack

Viviane Cottrell, 13-year-old daughter of Mr. and Mrs. Simon Cottrell, Washington, D. C., landed a 30-pound amberjack in the Gulf Stream Thursday.

The 106-pound girl took 35 minutes to land the fish and was using 18-pound test line. She hooked the fish on a "feathered jig," using red and white feathers.

Miss Cottrell was aboard the Dolphin IV in a party of seven fishermen from the Salt Water Sport Fishing Institute.

Noon Hudson, a representative from the Shakespeare Company, was the instructor on the boat.

The fish was the largest caught by any of the institute enrollees. Thirty-five were in the course which was given by the State College Extension Division at Morehead City.

Last Brother Plays Last Year

Durham, N. C. (AP)—Doug Knotts, last of four brothers to star for a Duke football team, will be back this fall for his last grid season. Doug can play tackle or center. The other brothers were Ernie, Jimmy and Don. All were linemen.

Coast Guard Extends Fire Extinguisher Regulations

The Coast Guard today reminded the boating public that a recent revision of regulations requires many motorboats to carry fire extinguishers that were not required to do so last season.

In issuing the statement, Captain Edward H. Thiele, Chief of the Merchant Marine Safety Division on the Staff of the Commander, Fifth Coast Guard District, explained the purpose of the new requirement and clarified the meaning of the term "open construction" which many boat owners have inquired about.

The Code of Federal Regulations Amendment, which was published in the Federal Register of Dec. 18, 1963, requires that all motorboats, except motorboats less than 26 feet in length of "open construction" propelled by outboard motors and not carrying passengers for hire, have aboard a prescribed number of fire extinguishers.

Johnson presents QUIET

YES! JOHNSON HAS DEVELOPED THE WORLD'S FIRST REALLY QUIET OUTBOARD MOTOR!

ENTIRELY NEW! ENTIRELY DIFFERENT! This new motor is so quiet that conversation becomes a part of outboard boating. It means the eventual revolution of all outboard motors.
