

## Eure-Cole Wedding Vows Given In Military Ceremony Sunday

Miss Ruth Jeannette Cole, daughter of Mr. and Mrs. Robert E. Cole of Fayetteville, and Ensign Thomas Duncan Eure of Annapolis, Md., son of Mr. and Mrs. Numa Fletcher Eure of Beaufort, were married Sunday, June 27, at 5 o'clock in the afternoon in the First Baptist Church, Fayetteville.

The Rev. Louis S. Gaines, pastor of the church, performed the double ring ceremony before an altar decorated with baskets of white gladioli, carnations and bristol fern. Seven-branch candelabra with burning white tapers were on the altar and in the background were woodwardia fern and palms.

Prior to the wedding ceremony, Mrs. Robert Leath Zentmeyer of Bassett, Va., organist, gave a program of nuptial music and Miss Meredith Tyson of Fayetteville, soloist, sang Through the Years and Because. After the benediction she sang the Wedding Benediction.

The bride, who was given in marriage by her father, wore a gown of rose-point lace and tulle over bridal satin. The moulded bodice featured a pleated tulle band around the deep V neckline, and long tapering sleeves. The bouffant skirt of scalloped lace fell over two rows of pleated tulle, the tulle pleating extending into a sweeping train.

Her fingertip veil of silk illusion was draped from a small tulle Juliet cap smocked with seed pearls. She carried a white Bible topped with a white orchid and showered with lilies of the valley and stephanotis.

Mrs. John Mueller of Fayetteville was matron of honor and Miss Ann Seagrove of Clinton was maid of honor. They wore gowns of mint green nylon chiffon over tulle and taffeta, fashioned with fitted bodices featuring fichu necklines which tied at the center back and draped to the hemline of the gathered waltz-length skirts. Circlets of velvet and rhinestones with flirtation veils attached were worn in their hair. They carried crescent bouquets of variegated calladium leaves and ivy with white carnations.

Mrs. Robert Ernest Cole Jr. and Mrs. Hal Walker Broadfoot, both of Fayetteville, were bridesmaids. They wore dresses and headpieces identical to those worn by the honor attendants and carried similar bouquets.

Mr. Eure served his son as best man and ushers were Dale Holmquist, Richard Shober, Raye Tveita, Robert Rabe, Walter French, all of Annapolis, and Stephen Francks of Chapel Hill.

After the traditional military ceremony, the groomsmen formed

## Beaufort Social News

Mrs. Lockwood Phillips, Society Editor Phone 6-3244

# ELECTRIC RATES REDUCED AGAIN!

In area formerly served by Tide Water Power Co.

—The THIRD rate reduction since the merger. This time Residential and Farm Customers benefit by \$190,000 savings. Reduction effective on bill rendered on and after August 1st.

When Tide Water Power Company was merged into C. P. & L. in 1952, an immediate reduction of \$812,000 was granted to residential, commercial, industrial and other customers in the area formerly served by Tide Water Power Company. In 1953, a further reduction of \$200,000 was granted to small commercial and industrial customers. This new saving of \$190,000 goes entirely to residential and farm users and will become effective on bill rendered on and after August 1, 1954.

### THE NEW GENERAL RATE IS AS FOLLOWS:

3.9c per kwh for the first 50 kwh
2.9c per kwh for the next 100 kwh
1.9c per kwh for the next 100 kwh
1.5c per kwh for the additional kwh

Average Charge: Not less than 1.9c per kwh plus \$1.50 per kw. in excess of 10.0 kw of maximum hourly load used in the current month.

**WATER HEATING DISCOUNT.** Bills computed on the above new low rates will be subject to a discount up to \$2.25 per month for heating water electrically.

**OPTIONAL RATE:** Customers whose normal use in the future will be more than 1250 kwh per month may apply for the following OPTIONAL RATE which may result in a still lower average price per kwh:

3.9c per kwh for the first 50 kwh
2.9c per kwh for the next 100 kwh*
1.9c per kwh for the next 100 kwh
1.5c per kwh for the next 500 kwh
1.25c per kwh for the additional kwh

\* When the maximum kw registered during the current month (by a kilowatt meter suitable for measuring the loads used during a 60-minute interval) exceeds 4.0 kw, the number of kwh in this block will be extended by 50 kwh for each 0.5 kw of such excess but not by more than the number of kwh used in excess of 750 kwh.

Present customers having demand meters may select this rate or the GENERAL rate—whichever best serves their advantage.

**THREE PHASE SERVICE:** Where 3-Phase Service is required for exceptionally heavy loads a slight additional charge will be made.
