## **Fire Destroys House Saturday**

E. M. Foreman, County Forest Ranger, Reports **Four Fires** 

A house was reported destroyed by fire Saturday afternoon three miles east of Swansboro on High-

Morehead City police were noti-fied by the State Highway Patrol, and turned the alarm in to E. M. Foreman, forest ranger at Core

Mr. Foreman went to the scene of the fire. When he arrived the building was beyond saving, he said. It is not known how the fire started. He did not know own-

Mr. Foreman also reported four recent forest fires. A fire at Open Grounds has been raging since June 19. He said the fire is under control now although there is still some grass burning.

A fire swept over 140 to 150 acres on the N. C. Pulp Company property June 30. He estimated the damage to the property at approximately \$1,700 or \$12 per acre. He said it took six hours to get the fire under control.

Other fires were reported by Mr. Foreman at Long Bay and Core Creek. Forty acres burned at Long Bay. The fire started June 19 and was under control the next

day, he said.

The fire at Core Creek was on the property of the U. S. Engineer Department near the inland waterway. The fire started June 26 and it took the rangers three hours to get the blaze under con-The fire burned acres of the property, Mr. Fore-man said. No buildings were in-

### J. B. Sewell **Loses Left Eye**

J. B. (Jackie) Sewell, Lennox-Road, Beaufort, is recovering satisfactorily from an operation at the Camp Lejeune Naval Hospital. His left eye was removed at 5 p.m. (DST) Thursday following an accident in the Public Works Department at Cherry Point.

The eye was injured when Mr. Sewell attempted to dislodge a large bit from a drill so that he could replace it with a smaller one. He was working at the bit with a screw driver when the screw driver slipped and shot into his eyeball.

The accident occurred about 1:45
p.m. (DST). He was taken to the
Cherry Point dispensary and then
removed to Lejeune where the operation was performed. Mrs. Sewell
their meeting at the Recreation said that her husband is getting along real well and his mental attitude is fine. He is to be sent to the Naval Hospital at Bethesda,

against Tyndall at the time Sea Level with William Knowles of Virginia, when the accident hapof his arrest, but a local officer could hold him 72 hours on an open in front of a car driven by Mrs. Rena Salter of Davis, who swerved

Captain Newsome and the agents accosted Tyndall as he and the agents accosted Tyndall as he and a companion stepped from a skiff at about 6 p.m. Friday. The two had been riding in the skiff on Bogue

When the officers told Tyndall, You'd better come with us," he passing motorist, Henry Bellamy, route 1 Beaufort, took Alford to urned deathly pale but made no resistance. Officers had been watch-ing the skiff through field glasses for an near before it came in. In Alford, who was reported to be sub-normal mentally, suffered a fractured skull, brain concussion, broken left leg and back abrathe police station Captain Newsome said Tyndall admitted holding up the bank.

Coroner Leslie Springle said the The FBI had been following Tyndall for two or three days prior to his arrest. He was in this area most the time since the bank rob-pery. The theft netted Tyndall Coroner Springle has scheduled \$19,807. Sixty-six \$100 bills were found in the glove compartment of the youth's car. FBI agents say they have recovered more than

\$16,000 of the loot.

A 22-year-old Goldsboro man Edgar Ellis Nelson, has been charged with plotting with Tyn-dall to rob the bank and with helping dispose of the getaway car.

Held Under Bond

#### Tyndall was flown from the

Beaufort-Morehead City airport to Goldsboro where he was placed under \$25,000 bond. He was taken to Her stomach was pumped and a jail in Raleigh Sunday.

Tyndall said he first got the idea of robbing a bank while he and

several boys were talking about "easy money" several weeks ago. "It was one of those wild ideas that suddenly was a reality," the youth said. "Take it from me, it was the wrong thing to do.'

Tyndall said he stole a car in Wilson June 23 and went to Fremont, about 10 miles north of Goldsboro, the next day to look the bank over. He parked the car outside the bank.

I thought I'd go in the bank and Chairman to Speak Soil Conservation Service personnel are placed in the five counties of the Lower Neuse Soil Conservation District to help district supertion District to help district supertions carry their land use and will not cause off-flavor to tobactors. ## W. A. Murphy, Charlotte, special agent for the FBI in the Carolinas, agent for **Carolina Contest**

Forty-two county farmers have contest sponsored by the Carolina Power & Light Co., ac-cording to Roy Beck, Beaufort, county soil conservationist.

Of the 670,422 total acreage entered in North and South Carolina Carteret Countians have accounted for 60,594 acres. CP&L is offering \$2,800 in cash

prizes to the winners. Individual farmers will win first prizes of \$300, second prizes of \$200 and third prizes of \$100 each in three acreage groups — 100 or less, 100 400 acres and farms of more than 400 acres.

Two of last year's winners from

Carteret County have entered this year's contest, reports Mr. Beck-Major Simmons, RFD Newport, and Miss Georgina P. Yeatman Beaufort, were winners in last year's contest. Mr. Simmons, won first place in the 150-acre class and Miss Yeatman won first place in the over 500-acre class.

In Carteret County there are 24 farms, representing a total acreage of 1.052, entered in the contest in the under 100 acre class.

Nine Carteret County farms are

entered in the 100-400 acre class. This group has a total acreage of ,652 aereas.

Nine county farms are also entered in the over 400-acre class. Acreage in this group totals 57,890. District soil conservation super

isors will assist in the judging winners will be announce early in 1955.

ly's Supervisor for the Lower Neuse Soil Conservation District, his family to Wisconsin for a vacahas announced that Roy R. Beck, tion. Their home at 2100 Bridges county soil conservationist, has St., Morehead City, is being put been transferred to Haywood up for sale.

Beginning yesterday, David F. Jones Jr. became conservationist for Carteret County. Mr. Beck and his family will

live in Waynesville, Haywood County seat Originally from Greensburg, Pa., Mr. Beck graduated from Pennsylvania State College in 1941 in forestry. He went to West Jefferson, N. C., upon his graduation from college and state conservationist of the Soil then into the Navy. After being Conservation Service in Raleigh, discharged from the Navy, he went back to West Jefferson. Mr. Beck came to Carteret Coun-

ty in August of 1947, succeeding Ed Bass. One of his major projects since

coming here has been the drain-age of the open grounds on Miss Georgina Yeatman's farm. Mr. Beck estimates that he has

worked with 350 farmers in the past seven years in the planning and applying of good soil con-servation methods. He also esti-mates that he has planned about 100 miles of drainage ditches in the county and about 100,000 feet of farm ditch tile. He has worked on approximately 20,000 soil con-serving rotations, he said.

Mr. and Mrs. Beck have four children. They are Kathy 10, Tom 9, Nancy 5, and Christine 4.
