Carteret Ice and Coal Opens Shop for Sportsmen

The Carteret Ice and Coal Co., Morehead City, has opened a sports shop on Evans Street at 6th, Morehead City.

Mr. Lou Gore, general manager, points out that they have been selling picnic baskets, ice picks, and other products for vacation needs at his place of business, Carteret Ice & Coal, but he had no sales room for these products.

The unoccupied section of Carteret Ice & Coal has been converted into a modern show room with pale green walls, a cream-colored ceiling and fluorescent lighting for the Sports Shop.

Other outstanding features of the show room are show cases with a natural finish and specially carpentered spruce shelves. The floor is laid in green and white asphalt tile.

The show room has a 30-foot frontage and is 30 feet deep with an additional 14 feet in the back for storage and rest rooms.

Mr. Gore says the policy of the Sports Shop will be to sell only nationally advertised products and to sell at nationally advertised prices or less.

He expects to operate on an around-the-year basis, supplying merchandise necessary for the sportsman of this area.

The Sports Shop will carry a general line of sporting goods, Coleman lanterns, all kinds of fishing tackle, oars, nets, sunglasses, boat cushions, rods and reels and similar products.
