Railroad representatives have ward, asked ICC Examiner Brüce proposed that the Inter-State Commerce Commission hearings on the McLean Trucking Co. trailer-sea-

entatives told the way plan be delayed.

The railroads, vitally interested in McLean's proposal to ferry trucks from Wilmington north-Railroad representatives told the ICC that the McLean ferry plan railroads, vitally interested would have far-reaching, un able financial effects on the rail-

J. G. Middleton, general freight agent of Atlantic Coast Line, of agent of Atlantic Wilmington, told the ICC the rail-roads are an essential part of the national economy and that they must maintain present equipment

Pointing to the essential part rail roads play in times of emergency, Middleton said that since the war there has been a trend by shippers to use trucks. He said the sea-land nent plan could increase that trend and injure further the rail roads so far as freight volume is concerned, at a time when they might well be called on to meet a national emergency. The other witness was H. E. Moore, general traffic manager of the Brazilian Cast
