

Comedians Watch Jitterbug Act

Even Dean Martin and Jerry Lewis are wild about the new dancing sensation, Sheree North, who does her famous jitterbug routine in Dean and Jerry's brand new Paramount Technicolor comedy, "Living It Up." Based on the Broadway musical hit, "Hazel Flagg," the film co-stars Janet Leigh and Edward Arnold with Fred Clark. Norman Taurog directed and Paul Jones produced.

Movie Features Famous Stars

Famed western comedian, George "Gabby" Hayes and lovely Dale Evans as they appear in Republic's exciting re-release Roy Rogers starrer, "Utah."

Marriage Plans Separate College Honor Students

Peru, Neb. (AP) — Oren Argabright, 21, and Ben Duerfeldt, 21, started their education together at a country school where both made the county honor roll and went on to high school where they

topped their class scholastically. They graduated together at Peru State Teachers College with highest academic honors in the class. Now both are going to college teaching jobs in Kansas, but their ways are separating. Argabright plans to be married. Duerfeldt says he'll stick to bachelorhood for a while.
