Rotarians Hear George Eastman

George Eastman, Morehead City, spoke to Morehead City Rotarians Thursday at a meeting at the Recreation Center, Morehead City.

Mr. Eastman, introduced by Thomas Noe, program chairman, told Rotarians what merchants of a community could do to satisfy and please the buying public. He illustrated his talk by giving personal examples picked up while he was a traveling salesman.

There were four visitors, Lee Nance, Ayden; Frank Sproul, New Bern; Dr. B. E. Stephenson, Rich Square, and R. K. Montague, Newport.

Walter Edwards had as his guest Frank Morrison of Chicago, and Bill Chalk had as his guests John Stevens of Richmond, Va., and Capt. Al Denning, USAF, Kansas City, Kan.

Park Official Warns About Cutting Sea Oats

Dan Jones, superintendent of Fort Macon State Park, issued a warning Friday about cutting sea oats in the state park.

He said, "People have been cutting these sea oats on park property and it will have terribly harmful effects. The sea oats shed seed, more sea oats grow and the plants hold the sand down. If this keeps up the sand dunes will be stripped, the dunes will shift and there will be sand everywhere."

He said, "We have caught several people recently cutting these sea oats. They are mostly local people who claim they didn't know it was against the law. We haven't pressed any charges yet but if it keeps up we will have to take some drastic steps."

Are You Aiding Your Enemy?

By DR. R. O. BARNUM
Morehead City, N. C.

Time is your worst enemy when it comes to matters concerning your health. Time can convert a curable cancer into a fatal growth. The passing of only a day or two can make the difference between a sore throat and a far advanced diphtheria.

A very short time can transform a functional heart condition into a serious organic heart disease.

Every minute that passes after the beginning of disease increases the odds which the doctor must fight. There are numerous methods of diagnosis and treatment available today which were unknown a few years ago.

Yet well equipped as he is, with all these newer methods of fighting disease, your doctor is often handicapped by his worst enemy, time.

Your spine does much more than help hold you upright. Its most valuable function is the protection of a vital part of your nerve system. That's why even a slight spine failure is to be most carefully guarded against.

When there is any degree of spine failure the result is that some body tissues are being deprived of the necessary nerve control or influence they need to function normally.

Are you or anyone in your family aiding your worst enemy, TIME by saying, "I'll wait and see how I feel tomorrow." For tomorrow or next week or next month, TIME may have piled up tragic obstacles to your recovery.

UDC Chapter Meets Memorial Quota

The Emmeline J. Pigott Chapter of the United Daughters of the Confederacy this week fulfilled its \$168 quota for the memorial to the Women of the Confederacy at Richmond, Va.

Mrs. D. G. Bell, Morehead City, member of the Emmeline J. Pigott Chapter, said the last few dollars for making up the quota were raised in a cake raffle last week. The winner was Mrs. Dom Femia, Morehead City.

Women of the southern states are working toward a \$300,000 goal for a memorial building at Richmond which at one time was the capital of the Confederacy.

The quota set for each UDC member was \$2 annually for four years. Because the local chapter has lost members by death within the past four years, the 10 remaining members agreed to fulfill the \$168 obligation.

Angry Motorist Pays \$61.50 for Revenge

Burlington, Mich. (AP) — Abe Lepper, 24, stopped his car along side another to ask directions — then did a double take.

"Why you're the same — that hit me in 1945," Lepper roared. Ernest Lux, 50, rolled up his window and zoomed away but Lepper gave chase and rammed into Lux's fender.

Justice Court received Lepper's \$61.50 fine on charges of assault and battery.

Breezes Keep Carteret Cool

The county basked in the "cool" 80-degree temperatures during the past week as southwesterly winds diluted the hot rays of the sun.

Highest trip up the thermometer for the mercury was 89 last Wednesday with a drop to 68 Thursday night, according to Stamey Davis, weather observer.

Since the high of 89, the mercury has hovered in the high 80's.

Temperature readings from last Monday follow:

	Max.	Min.
Monday	88	77
Tuesday	87	76
Wednesday	89	77
Thursday	88	68
Friday	86	69
Saturday	87	69

O&R Department Will Dedicate New Building

The Overhaul and Repair Department, Cherry Point Marine Corps Air Station, will dedicate a new two and a half million dollar building at 10 o'clock Friday morning.

The new building, completed last week by the J. L. Coe Construction Co., will increase the facilities for overhauling aircraft. It is 325 by 225 feet, has two mezzanines, an inside clearance of 42 feet and a floor area of approximately 103,000 square feet.

Rear Admiral Apollo Soucek, chief of the Navy's Bureau of Aeronautics, members of his staff, and Gov. William Umstead of North Carolina have been invited to the dedication ceremonies.

Another Language

New London, Conn. (AP) — A witness in Common pleas court referred to a "krik." The court stenographer, a recent import to Connecticut from Brooklyn, N. Y., cupped his ear and asked the witness to repeat. The stenographer finally got it — cr-e-k. Amused Judge Vine R. Parmelee said: "Brooklyn accent yet? We call it a 'krik' up here."

I AM SMART!

I, too, used to spend back-breaking hours on the family wash. Then one day I sat down and figured out how little it would cost to let the laundry take over. Asked myself why I was knocking myself out for peanuts. I couldn't answer this one. So, suddenly I got smart... Said, "goodbye forever" to washday... and have lived happily ever after.

Late Tobacco Harvest Prevents Camping Trip

This is the first year in the history of the Newport Vocational Agriculture department that tobacco harvest has been so late as to interfere with the annual camp attendance, reports C. S. Long, instructor. The Newport boys were scheduled to attend camp at White Lake last week. However, since that week was about the middle of tobacco harvest this year, the trip was cancelled.

Twenty-one Newport vo-ag boys had paid their \$1 deposit for camp reservations, but only four were free to attend camp on the scheduled date, so the trip was cancelled.

The late tobacco harvest is due to the long dry season that existed during the growing period, followed by a good rain that promoted second growth, thus delaying harvest. Some fell still be harvesting tobacco in September.

At a recent chapter meeting, the boys decided to attend the "Tom Brown's" Mountain Camp next year around June 20, which is a week or two before tobacco harvest begins. If the season is normal at that time from the point of harvest, the class would also attend the White Lake Camp in mid-August, getting in two weeks of camp life next summer, remarked Mr. Long.

Sofa at J. H. Gray Home Burns at 12:20 Sunday

A sofa in J. H. Gray's house at 100 S. 28th Street, Morehead City, was destroyed by fire Sunday at 12:20 p.m., according to E. L. Nelson, Morehead City fire chief.

Mr. Nelson said that Mrs. Lee Jones, a neighbor, noticed the fire and put in the call to the fire department.

He said no damage was done to the house, but damage to the sofa was estimated at \$150. The sofa was beyond saving by the time members of the fire department arrived.

A cigarette is thought to have caused the fire.

Countians Visit Roadside Market in Currituck

R. M. Williams, county agent and several farmers of the county visited roadside markets in Currituck County Friday.

In addition to Mr. Williams, those making the trip were Mr. and Mrs. David Redfearn of Cedar Point; Dan Russell and Hub Smith, both of Bogue Sound, and Paul Beachem, Beaufort RFD.

They spent Thursday night at the Virginia Dare Hotel, Elizabeth City.

Commands Change At Marine Air Base

Cherry Point—The Marine Corps Air Station and Second Marine Aircraft Wing here have experienced top-level command changes in the past few days. Colonel Frank C. Croft, who was selected last week for promotion to brigadier general, assumed command of the air station, replacing Colonel J. S. Holmberg, who has acted as commander of the station since July 31.

Colonel Croft's position as chief of staff of the Second Marine Aircraft Wing will be filled by Colonel G. S. Bowman Jr.

Colonel Holmberg, Air Station Chief of Staff since April 1952 will leave Cherry Point to join the staff of Major General Clayton C. Jerome, Commanding General, Aircraft, Fleet Marine Force, Atlantic.

Dr. H. L. Blomquist To Deliver Lecture

Dr. Hugo L. Blomquist will deliver the lecture at the Duke Marine Laboratory seminar tomorrow night. His topic will be "Marine Algae New to Beaufort." The seminar will begin at 8 o'clock.

Dr. Blomquist is professor of botany at Duke University. A Carter Broad, Duke University Marine Lab, will speak Aug. 25 on the larval development of Palaemonetes.
