

# Board Defers Action on Two Requests for Beer Licenses

The County board of Commissioners deferred action yesterday morning on two requests for permits to sell beer. The applicants were Mr. and Mrs. Rudolph Thom-

as, Swansboro, and Mr. and Mrs. L. C. Graw of Newport. Both applicants said that they had filed the necessary papers with the state but that they needed permission of the county board before they would be granted a license.

Alvah Hamilton, county attorney, read the law which stated that it is mandatory for the county to grant a license if the applicant is of good character, a legal resident of the state, 21 years of age, and without record of having violated the prohibition law during the two years prior to his application for a beer license.

Commissioner Moses Howard said that there is objection to the Graws obtaining a license. He said a delegation had been to see him that morning, asking that the county board block the Graws' request. He said that residents in the neighborhood where the Graws expect to sell beer, about a mile north of Newport on Highway 70, state that they thought the place where the Graws are located was for a home site only.

Sheriff Hugh Salter said that he had received the Graw application to sign, which would clear the way for the Graw license, but he had not signed it.

Dr. K. P. B. Bonner, chairman of the board, contended that the board could not block the request for beer licenses unless the applicant had failed to comply with the qualifications required by law.

He said that after a place is in operation and if it can be proved a public nuisance, it could be closed.

Commissioner Howard said that there would be a great deal of objection if the license were granted the Graws.

### Two Lose Licenses

The driver's license held by David Pickett, Morehead City, was suspended during August, according to the North Carolina Safety Division, and the license of Harry Foster Taylor, Newport, was revoked.

# Two Cars Ram Together Friday

Two automobiles collided at 8:40 Friday morning on highway 70 near the East Drive-In Theatre. One car, a Henry J, was driven by Mrs. Louise L. Styron, Davis, and the other, a Studebaker, was driven by Mrs. Elmer Lee Davis, Harkers Island.

Mrs. Davis said she slowed down because telephone men were making repairs to the wires and were signalling motorists to reduce speed. She said she slowed, but Mrs. Styron, approaching from the rear, apparently didn't see the signalman nor realize that Mrs. Davis was slowing down and ran into the rear of the Studebaker.

Damage to the Davis car was estimated at \$47 and damage to the Henry J at \$300.

Mrs. Styron was alone in the car. Riding with Mrs. Davis were Miss Frances Willis, Miss Lavina Guthrie, both of Harkers Island and Wilson Davis, Straits. No one was hurt.

and repeated that the owner has no objection to a new pier.

Commissioners E. H. Potter and Taylor said they didn't see how they could object to a man coming here and wanting to start a business. Mr. Ball told the board that there would be an investment in the pier of \$50,000 which would mean more tax revenue for the county.

Dr. K. P. Bonner, chairman of the board, suggested that all the evidence presented the board be given the Corps of Engineers. But his suggestion was shelved in favor of a suggestion by Alvah Hamilton, county attorney, that the board visit the proposed pier site, as well as the Triple-Ess pier and judge the merits of arguments for themselves.

Dr. Bonner said that any further arguments for or against the pier would be heard at the Oct. 4 session.

### It Comes Naturally

St. Louis (AP) — Lt. Col. F. T. Butler of nearby Scott Air Force Base won the attendance prize at a luncheon meeting — a half-hour sightseeing flight over St. Louis in a DC-7.

# Coast Guard to Consider Mariners for Commissions

The Commander, Fifth Coast Guard District, announced today that Merchant Marine officers who pass certain examinations to be held in Baltimore, Md., and Norfolk Va., next February will be considered for commissions in the grade of lieutenant (junior grade), lieutenant, and lieutenant commander.

All applicants must be between the ages of 21 and 40, and must have served at least four years aboard a U. S. merchant vessel in the capacity of a licensed officer. Ranks offered will depend upon age, experience and professional ability.

Examinations are open to both licensed deck and licensed engineer officers of the U. S. Merchant Marine. Appropriate examinations will be given to each group. Application forms may be obtained by writing to the Commandant of the U. S. Coast Guard (PTP), Washington 25, D. C., or from any Coast Guard District Office or Marine Inspection Office.

The commissioning of licensed officers of the Merchant Marine in the U. S. Coast Guard is part of the Coast Guard's Merchant Marine Safety program. It is expected that the officers commissioned will be assigned to this duty. Previous to that time, however, all officers commissioned from the Merchant Marine will receive a thorough indoctrination in regular Coast Guard duty including service aboard a major cutter.

Officers commissioned under this program are accepted on a two-year probationary term which will coincide with their training and indoctrination period. Permanent commissions will then be issued.

### County Shrine Club To Meet at Beach Tonight

The Carreth County Shrine Club postponed its Ladies Night from Friday night to tonight, because of Friday's storm.

The dinner will be held at 7 o'clock at Capt. Bill's on the beach. Wynema, caremorial Indian dancer, will provide the entertainment, and guest speaker will be Thad Eure, secretary of state.

# Lions to Sponsor Benefit Game

At Thursday's meeting of the Morehead City Lions Club members were informed that the Hazel Walker Arkansas Traveler Girls' Basketball team will play the Morehead City High School boys team in Morehead City after Christmas as one of the Lions fundraising projects.

Billy Laughton and Joe Dubois Jr. attended the meeting and gave a report on their experiences at Boys' State. They thanked the Lions, one of the clubs which made it possible for them to attend.

The bread sale was discussed and is expected to get under way within the next two weeks.

A report from Victor Wickizer, chairman of the sight conservation committee was given.

Elmer J. Alfred, of the public relations department of REA, Morehead City, was welcomed into the club as a transfer from the Lenoir Club.

# Firm Offers New Policy

The Pilot Life Insurance Co., Morehead City, announced yesterday that the firm is now offering insurance protection to prospective parents.

The policy offers benefit payments should a child be born who is a victim of a physical malformation or injury. The plan, according to Pilot Life agents in this county, pays expenses for the child's care up to \$10,000 after the first \$250 is paid by the parents.

Agents claim that Pilot Life Insurance Co. is the only firm which offers such protection. It is called Pilot's "Parent Protection Policy." Further details will appear in ads appearing in THE NEWS-TIMES beginning Friday.

## UNITED FUND BALLOT

- 1. I will support a one-fund drive.
- 2. I will NOT support a one-fund drive.

Signature \_\_\_\_\_

## Doors to Sales

are opened by LONG DISTANCE TELEPHONE

. . . and sales are MADE only to the man in position to buy. Oftimes he is a busy executive to be reached only by appointment. Why wait your time away when a Long Distance telephone call will enable you to speak to him. Make Long Distance telephone a tool of your sales program. It pays!

CAROLINA TELEPHONE and TELEGRAPH COMPANY

You can read it in the sales figures—Buick's the car that's climbing to a phenomenal public preference. For Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And every month strengthens Buick's new leadership position. It's the "hot" car for style, for power, for performance—and, most emphatically, for value.

Any way you look at it, Buick's the buy of the year, hands down. For Buick prices start close to the lowest—just a few dollars above those of the "low-price three." But those few more dollars you pay for a Buick buy you a lot more power, room, comfort, style, ride steadiness. And get this: with our tremendous sales volume right now, we can offer you a really top allowance on your present car. That's the added bonus you get from our big volume.

It's the Beautiful Buy right now

It's the "High Resale" car for years from now

No Wonder—

With Buick's year-ahead beauty today, you'll be driving a car that's right up front in the style parade of tomorrow. And when you're ready to resell your Buick, it will still be fresh and new-looking, with the modern features the others will adopt in the coming years. And that means you're bound to get a higher resale price when you do trade it in. Drop in and see this beautiful buy right now.
