Drought Cuts Hay Crop Yield

Raleigh — North Carolina hay crop prospects declined further In other business before the board, Joseph M. Farlow Engineering firm was put under contract to duction to 1,204,000 tons. This is In other business before the plan the fire-fighting system for 10,000 tons under the August es-Atlnatic Beach. 10,000 tons under the August es-timate and 74,000 tons less than prospects on July 1.

The North Carolina Crop Report Mr. Farlow estimated that the ing Service reports that current prospects compare with 1,145,000 system, including central tank, hy-drants, and pipes would cost ap-proximately \$55,000. ons harvested during 1953 and the 10-year average production of 1,-The board had originally set an estimate of \$50,000 for the fire-287,000 tons.

Drought conditions prevailed throughout the month in most of the western and southern Piedmont counties. Unless rains are re-ceived soon, production prospects may decline even further in many sections. Yield per acre of all hays is placed at .98 tons—the same as Beach for the next 20 years took for the 1953 crop but slightly short of the average yield of 1.01 tons

The board granted Mr. Horton **Yearly Vision Tests Are Urged by Optometrists**

Dr. Heath Nesbitt, Judge J. L. Minneapolis (AP) - The Min-Fountain and Morehead City attornesota Optometric Assn. was told drivers should pass a vision test ney Harvey Hamilton Jr., appear-ed before the board and requested each time their licenses are renew that the board protest the build-ing of a 1,000 foot-long fishing pier

ed.
"It is preposterous to assume a driver's vision is the same at age 60 or 70 as it was when he got has first license as a young man," Dr. Samuel Brown, first vice president of the American Optometric Assn. said.

Beach as well as at Money Island.

Mr. Hamilton showed the board Sprinkling Pays Off several petitions which were signed Oakland, Calif. (A Oakland, Calif. (AP) - Heat from a blazing house threatened a 150-year-old, 50-foot oak tree. Firemen turned a hose on it, keeping t drenched until the fire was extinguished. They believe they saved the tree

The gym was decorated with pines, fish net and sea oats, with ivy and conch shells placed on the tables to carry out the sea motif.

At one side of the gym there was a display of club entries which had won awards at the state con-vention. Among them was the painting by Mrs. M. Leslie Davis of Beaufort, which won the Mary Ethel Williams silver bowl.

During the morning session, Mrs Ralph Albares, soloist, sang a solo, accompanied by Mrs. Ernest J. Davis at the piano.

State officers present were Mrs. Edwin P. Brown of Murfreesboro, president Mrs James A. Odum of Jacksonville, first vice-president, Mrs. Raymond Dent of Spruce Pine, second vice-president, and Mrs. J M. Jenrette of Raleigh, head of the Junior clubs.

Mrs. G. W. Duncan is president of the Woman's Club, Mrs. David Hill president of the Junior Woman's Club and Mrs. Glenn Adair is district vice-president.
