company crew handling a pipeline George W. Dill to use the munici-laying job here. The sunbonneted "workman" is the wife of James Brown, a super-

intendent for the company. To keep up with fellow workers nd assist her husband, she does such tasks as laying bricks, sanding, running assorted machines and driving trucks. "I love it," she says. "It's in

Conservationists Rescue Island During Storm

Bolton, Conn. (AP) — The Con-pecticut Fish and Game Department says that capturing an itein-erant island was its strangest as-

signment. It happened during a heavy storm when the Island in Bolton Lakes broke loose. As it bumped along the shore, it destroyed boats and knocked down docks. Conservation officers finally used outboard motorboats to shove the Island against the shore. There it was moored with heavy ropes. The island measured 125 feet long, 75 feet wide and six feet deep. It con-
