Carolina ham and also a picture of our state capitol at Raleigh. His Excellency seemed to be a real fine fellow and was quite pleased with all this fanfare. Now he has to be addressed as His Excellency and in posing him for a picture, I got excited several times and called him Old Buddy. He didn't seem to mind at all, even asked me to send him a print if they turned out good.

Heard aboard the ship, "I spent all my money and my feet are killing me!"

I will bet we left a few American dollars behind at Nassau, because these people had a lot to offer at a reasonable price. I can now understand why people like to go off to these out of the way places and live. "It has been said that you can live at Nassau on \$200 a month and live like a king.

Charley McCullers from Kinston said he was living too high on the hog with all this fancy food aboard ship, so for lunch at Nassau he and his Mrs. and charming daughter went into a grocery store and bought a can of Campbell's beans, some hot dogs and sat on a cracker barrel and had a real lunch.

Back to the ship in time for another great meal, then at 11 p.m. the Kinston chamber of commerce served biscuits and North Carolina ham. This seems to go over real good with the passengers. Saw several couples go back for three and four helpings.

So after a wonderful day, we all headed for our cabins and a good night's sleep. When we awakened in the morning, we were half way home to Morehead City. That's one nice thing about a boat, it keeps chuggin' away and at 19 knots 24 hours a day, we really cover some mileage.

Whenever the motors change pace, you immediately notice it because you get so used to the rhythm. Well Friday eve was the

Low... and behold!

# The motoramic Chevrolet for '55

Chevrolet and General Motors took a whole new look at the low-cost car—and just look what happened!

NOW BEING SHOWN!

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

The valve-in-head V-8 as only the valve-in-head leader can build it!

# 8

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

You can choose from two new sizes, too!

# 6

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!
