We are not magicians and occasionally we receive garments so badly soiled that even Sanitone Dry Cleaning can't save them. Many of these could have had their original beauty and usefulness fully restored if they had been turned over to us immediately after the damage occurred. Remember that the next time one of those accidents occur... and call us at once for emergency Sanitone Service.

Pumpkin Pie Goes With Winter

Looking for a pumpkin pie with that melt-in-your-mouth quality? Then look no further. This recipe offered by Mrs. Jewell Fessenden, State College extension nutritionist, is a chiffon-type pie, pumpkin flavor, that's bound to satisfy the most particular eaters.

Pumpkin Chiffon Pie

3 egg yolks, beaten
 3/4 cup sugar (brown or white)
 1 1/2 cup cooked or canned pumpkin
 1/2 cup milk
 1/2 teaspoon salt
 1 teaspoon cinnamon
 1/4 teaspoon ginger (optional)
 1/4 teaspoon nutmeg (optional)
 1 tablespoon plain gelatin
 3/4 cup cold water
 3 stiffly beaten egg whites
 1/4 cup granulated sugar

Soften gelatin in 1/4 cup cold water. Combine egg yolks, sugar, pumpkin, milk, salt and spices. Cook in a double boiler until thick and smooth. Stir mixture constantly while it's thickening. Add the gelatin softened in the 1/4 cup cold water. Cool mixture. Beat egg whites adding sugar when the egg whites are frothy. Continue beating until whites stand up in peaks. Fold egg whites into pumpkin mixture. Pour into a prepared crumb shell or baked crust. Chill until firm and serve.
