

Lions, Jaycees To Sell Light Bulbs June 6

J. R. Sanders Speaks To Lions Thursday On Bond Buying

Lions of Morehead City, in conjunction with Morehead City Jaycees, will conduct a light bulb sale Monday night, June 6, in Morehead City.

The bulbs will be packaged by members of both organizations at Thursday night's meeting of the Lions. Eight bulbs will be placed in each bag and the bags will sell for \$2.

Included in each bag will be one bulb of 100 watts, two of 75 watts, three of 60 watts, and two 50 watts.

At Thursday's meeting Walton Fulcher, adjutant of the American Legion Post in Morehead City, asked the Lions whether they were going to sponsor a boy at Boys State again this year.

The Lions voted unanimously to send a worthy boy from a county school.

Cashier Speaks
J. R. Sanders, cashier at the First-Citizens Bank and Trust Co. in Morehead City, spoke to the group about the ways and wherefores of buying savings bonds.

He stated that saving of money through these bonds would enable United States to have a sounder money in the future, since the money collected would help get the national government out of debt, and make the dollar worth 100 cents as in 1939, instead of 52 cents as is the case today.

It was his contention that accumulated savings helped build America's great economic system.

Describes Bonds
He described the two types of bonds now available, the Series E and the Series H bonds.

Mr. Sanders told the group that there was a three-fold reason to buy the bonds:

1. They are the safest investment, starting with 3 per cent interest at the end of six months.
2. Either plan (Series E or H) means systematic saving.
3. It will help the government finance the national debt and hold down inflation.

In reference to the second point he spoke about the payroll savings plan, wherein an employee can authorize his employer to set aside a certain amount of his paycheck weekly for the purchase of bonds. There is also the bond-a-month plan at any bank. The latter plan authorizes the bank to take a certain amount from a depositor's account each month for the purchase of a bond.

\$52 Spent
The county welfare office announced through a letter to President Owens Frederick that \$52 had been spent for glasses to aid seven cases in the county. Two of the cases were from Stacy, two from Beaufort, and one each from Newport, Harkers Island and Sea Level. The Lions finance these expenditures under their sight conservation program.

Under the same program the group voted \$25 to the county welfare department for the purchase of a glass eye for an Atlantic youngster.

Hal Shapiro, newly accepted member in the Lions Club, will present the spelling award for the club at Camp Glenn School May 26, and Ralph Albares will make a similar award at the Atlantic School on the same date.

Since many of the Lions have children who will be graduating May 26, the Lions meeting that night will not be held.

CP&L to Serve Havelock Area

In response to a petition filed by 20 citizens of Havelock, the State Utilities Commission has ordered Carolina Power and Light Co. to serve those citizens with electricity in direct competition with power supplied by the city of New Bern.

In an order delivered Friday, Carolina Power and Light was directed to "proceed immediately" to serve Havelock and surrounding rural areas of Craven county.

The order, if not changed in appeals to courts, would mean New Bern will have to write off not only its Havelock business, but power lines in which it has already invested over a half million dollars of taxpayer's money, according to the New Bern power company.

The order stated as reason for the commission's decision, "the electric service provided by the city of New Bern was entirely inadequate to meet present needs" as claimed in the original petition and while New Bern had been given time to do something about conditions, it had failed to provide the necessary improvements.

JC Presidents Start Terms

Dr. Russell Outlaw, left, and Thomas H. Potter, right, will head the two Jaycees groups in the county during the coming year. Dr. Outlaw is president of Morehead City Jaycees and Mr. Potter heads Beaufort Jaycees.

County Board OKs Plan For Beer Ban Down East

C&D Completes Tour of State Inland Waters

Edenton — Members of the State Board of Conservation and Development ended their three-day inspection tour of some 300 miles of North Carolina coastal areas here Sunday.

The group, accompanied by C&D Director Ben E. Douglas, B. C. Snow, chief engineer of the department's water resources, inlets, and coastal waterways, Eric W. Rodgers, assistant to Mr. Douglas, and Gehrmann Holland, state fisheries commissioner, started the tour at Southport early Friday.

The inspection party traveled aboard the Cape Hatteras, flagship of the C&D Department's commercial fisheries division, and visited several coastal areas along the inland waterway from Southport to Edenton.

Mr. Snow briefed the board members on coastal improvement projects to be placed before the National Rivers and Harbors Congress in Washington on May 31-June 1. Mr. Snow and Mr. Douglas will represent the C&D Department at this meeting.

Walter J. Damtoft of Asheville, second vice-chairman of the C&D Board, said he is "highly pleased" over improvements made at several of the coastal towns notably Southport, since the area was hit last October by Hurricane Hazel. Other board members expressed similar sentiments.

Mr. Douglas and the board members were told at Oriental, Hoke, and Jacksonville, and other points that shrimp seem to be more plentiful in the state's inland waters than they were last year and prices are about five cents better than at opening time last year.

Mrs. Elmer Willis Heads PTA

Mrs. Elmer D. Willis, Williston, has been installed as president of the Smyrna PTA. She succeeds Mrs. Ross Lee Davis of Davis. Other new officers are Mrs. Vernon Lewis, Marshallberg, vice-president; Mrs. Chifton Yeomans, Smyrna, treasurer, and Mrs. Hilda Gillikin, Smyrna, who was re-elected secretary.

Mrs. Lewis succeeds Mrs. May Whitehurst, Straits and Mrs. Yeomans succeeds Mrs. Julian Brown, Marshallberg.

At the final meeting of the PTA May 9, Stanley Dail, principal, reviewed major improvements at the school during the past three years. These include addition of a vocational-agriculture department, installation of an inter-com system and additional teaching aid equipment.

He also spoke on improvements hoped for during the coming years.

Members of the county board of commissioners, in session yesterday at the courthouse, passed a resolution requesting D. G. Bell, county legislator, to introduce a bill in the general assembly prohibiting the establishment of beer-selling places in Williston, Smyrna, Marshallberg and Straits.

The Rev. H. H. Cash, Methodist minister, appeared before the board and said that petitions requesting passage of the bill had been presented to Mr. Bell about four weeks ago, but he added, the bill had not been introduced.

He said the petitions bore hundreds of names. Mr. Cash said that a place proposing to sell beer is being erected near the Smyrna School and that the people in the four communities mentioned above were opposed to establishment of "beer joints" anywhere in their area.

The county board also took final action on orders to issue \$70,000 in bonds for a new jail and \$10,000 in bonds for repair of the courthouse and courthouse annex.

Two men from Merrimon appeared and requested repair of a road in their section. The matter was turned over to Moses Howard, county commissioner in charge of roads.

Beaufort Firemen To Give Supper

Beaufort firemen have invited the firemen of Morehead City and Newport and officials of all three towns to a barbecue supper at the Beaufort fire station tomorrow night.

Money for putting on the dinner was given the firemen by Harvey Smith, Beaufort, several months ago.

The firemen attended a call meeting Thursday night to plan the event.

At their regular meeting this month it was agreed that after June 1, alarm 33, formerly a disaster alarm, will be blown when the firemen are called to a blaze beyond the 12-mile limit.

A letter from B. T. Smith Jr., chief of the Newport Fire Department, was read. It thanked the Beaufort department for its help during the recent forest fire at Newport.

May 26 was set as the date to start weekly drills.

Firemen are also selling tickets now for a movie at the East Drive-In theatre June 21. The movie, featuring Spike Jones, will be "Fireman, Save My Child." There will also be short subjects.

Beaufort merchants will give prizes to lucky persons attending the show. People needn't be present to win, according to Gerald Woolard, fire department secretary. Proceeds will be used to pay the balance due on the fire department resuscitator.

'Optimism' Will be Theme Of Chamber Talk Tomorrow

"Optimism" will be the theme of the address by W. H. Potter at the Beaufort Chamber of Commerce dinner tomorrow night. The dinner will begin at 7 o'clock at the Beaufort School cafeteria.

Mr. Potter is a native of Beaufort. After attending Beaufort schools, he went to the University of North Carolina. Upon obtaining his degree he taught school at Newton and later at Beaufort.

Eagles Swamp Calypso

Carteret Team Takes Victory on Home Field

The Morehead City Eagles put together seven hits coupled with nine errors by Calypso to defeat the visitors 11-0 in the first best of three series between the two clubs yesterday afternoon. The game was played at Wade Brothers ball field, in the district playoffs for the State Class A crown.

Jerry Garner and Bradley McIntosh combined to hold the visitors to but four hits, with the victory going to Garner who hurled the first four frames.

Jerry struck out six and walked nary a man in his tenure on the mound. Bradley struck out seven and walked one in his three-inning stint.

To Play Tomorrow
The two teams play again tomorrow afternoon at the Calypso diamond.

Morehead City was off to the races in the first frame, tallying four runs. McIntosh walked, stole second, went to third on a passed ball and scored on a single by Bobby Willis.

Kemp Wickizer walked, and both he and B. Willis scored on Jimmy Willis's double to center, with Jimmy coming all the way round to score as the left and center fielders kicked the ball around.

The Eagles tallied another three times in the second as Jimmy Parker walked, went to second on McIntosh's single to center, and scored on an error. Bobby Willis ended up at second on the error.

With McIntosh at third and B. Willis at second, the leftfielder erred on Wickizer's fly with McIntosh scoring and B. Willis being trapped off at second. Wickizer

Savings Bond Will be Top Road-e-o Prize

First prize in the Teen-Age Road-e-o to be staged on Eighth Street between Arendell and Shepard at 2:30 p.m. Thursday will be a \$25 Savings Bond.

Chairman James Kennedy of the Jaycee-sponsored Road-e-o reports that approximately 30 students have signed up at the Morehead City School to take part in the event. More are expected to enter.

At 1:30 at the school the entrants will take a written test on driving. The top scorers in the written test will take part in the actual driving part of the Road-e-o.

The winner of the event in Morehead City will go to Winston-Salem the latter part of the month to compete in the state contest.

One youngster from each state will take part in the National Road-e-o July 25-29 at Washington, D. C., where \$3,000 in scholarships will be given to the top three winners.

Beaufort Seniors Will Graduate Next Wednesday

Graduation exercises for Beaufort seniors will begin at 8 p.m. Wednesday, May 25, in the school auditorium. The commencement address will be delivered by Robert Lee Humber, founder of the World Federation Movement, Greenville.

A group of 42 students will graduate.

The gift to the school by the senior class will be accepted by Raymond Ball, chairman of the school board, and B. E. Tarkington, principal of the Beaufort Graded School, will present the diplomas.

The baccalaureate service is scheduled for 11:15 a.m. Sunday, May 22, in the school auditorium, and the senior class night program will be held Monday night, May 23, at 8 p.m. in the school auditorium.

Wednesday morning at 10:20 the eighth grade commencement exercises will take place in the school auditorium.

Woman Faces Assault Count

Mrs. Dyer Jones of the Pine Tree Inn, west of Morehead City, has been charged with assaulting Jean Mitchell with a meat cuber and inflicting painful bruises about her face. The warrant was sworn out by Miss Mitchell.

Three other girl employees at the Pine Tree Inn have also been charged by Miss Mitchell with assaulting her. All are scheduled to appear before Judge Lambert Morris in county court this morning.

Miss Mitchell was apprehended last week on a charge of public drunkenness.

Docketed for appearance in court May 24 are Gerald T. Welch and Don Clark, who were picked up Saturday at Atlantic Beach on a charge of possessing a small quantity of non-taxpaid whisky.

All defendants were apprehended by Deputy Sheriff Marshall Ayscue.

To Attend Meeting

R. M. Williams will leave late tomorrow afternoon to attend the state farm and home agents' annual meeting at Raleigh.

Beaufort Scientist Pledged to Sigma Xi

Urbana-Champaign, Ill. — In recognition of his accomplishment in scientific research, Donald K. McLaughlin, U. S. Shellfish Laboratory, Beaufort, has been chosen at the University of Illinois for membership in Sigma Xi, national scientific honorary society.

The purpose of the organization is the encouragement of research. It was founded in 1887, and the 17th of present 80 chapters was established in 1903 at the University of Illinois.

Who Will Wear Crown?

Doris Parker, left, and Marie Crow will vie for the title of Miss Morehead City in the forthcoming beauty contest sponsored by the Morehead City Jaycees as part of the Morehead City Festival, May 25-27. Miss Parker will be billed as Miss Morehead City Drug Co., and Miss Crow as Miss Early Jewelers.

Newport Receives Approval On Matching Fund for Radio

Newport's application for federal matching funds for fire department radio equipment has been approved, according to Collin McKinne, communications officer, Council of Defense, Raleigh.

The Newport Fire Department has been working for a year on obtaining a two-way radio system for its fire trucks.

In announcing approval of Newport's application, Mr. McKinne, in a letter to Miss Ruth Peeling, county civil defense director, said, "The plan, as conceived by us, embraces a county-wide fire network which would ultimately 'tie together' by radio the various fire departments within the county."

Miss Peeling commended the Newport Fire Department for its initiation of the radio project, adding that intercommunication between the county fire-fighting units will provide added protection to property-owners now, and in case of emergency, during large forest fires or enemy attack.

Board Finds Concessions Violate Beach Regulations

At the Atlantic Beach Town Board meeting Saturday morning it was decided that the concessions located on the lot with the different rides, across the street from the Idle Hour, were in violation of beach restrictions.

Sherman Husted, who has charge of the concessions on the lot, stated that the concessions will all be placed in one permanent building before the next meeting of the board, as the board requires.

Mayor Alfred Cooper reported to commissioners that disaster repair work was progressing rapidly, and that the boardwalk will be up by the end of this week in the area where it is needed most, the business district.

A letter was sent to the board requesting that they ban the sale of canned beer at the beach since many of the discarded beer cans are being thrown out along the beach and on the beach.

The board stated that they would contact all the places at the beach that handle beer and ask them to be certain that the beer cans stay on the premises.

A request for an ordinance to stop people from removing sand from in front of their homes and jots at the beach, was not voted on, since the board decided it has no authority to tell people what to do with the sand on their property.

Money Flies Hither and Yon

It may have seemed that Santa Claus was making an early distribution of money gifts in Morehead City yesterday morning at 9:15.

Actually it wasn't Santa Claus blowing money around on Arendell Street, but a strong gust of wind. Mrs. Sammy Ballou was taking a total of \$786 to the bank from Sonny's Galley, where she works as a waitress, when the money slipped out of the bankbook in which it was being carried and started blowing hither and yon.

Cars stopped and pedestrians scurried to help Mrs. Ballou capture the elusive green stuff. Finally with the aid of about 20 honest persons, all of the money was returned to Mrs. Ballou, who weak with relief, made the deposit at the bank.

AAUW Sponsors Schools Meeting

Mrs. Ralph Albares, president of the American Association of University Women, invites teachers of the county and others in public education to a workshop at Raleigh Saturday.

The workshop is being sponsored by the AAUW and has as its theme, "The Crisis in Public School Education." It will be held at the Raleigh YWCA from 9:30 a.m. to 4 p.m. Registration is 50 cents and the luncheon will be \$1.50.

Leading educators of the state will conduct the meeting. Attending from here will be Mrs. Albares and Mrs. Thomas Noe, both of Beaufort. Others wishing to go may contact Mrs. Albares, 2-8917.

The meeting of the Beaufort-Morehead City branch of the AAUW will take place tonight at 8 o'clock at the civic center, Morehead City. This will be the last meeting before next fall when a new year will begin.

Coast Guard Cutter Will Welcome Visitors May 21

In celebration of Armed Forces Day Saturday the Coast Guard Cutter Conifer will hold an open house aboard ship from 9 a.m. to 6 p.m. that day at its Fort Macon base.

Coast Guardsmen will be on duty that day and will take people on tours of the ship. Groups that have expressed an interest in making tours are requested to visit during the early afternoon.

\$71,725 in Bonds

Victor Wickizer, chairman of the U. S. Savings Bonds program in the county, reports that county residents purchased a total of \$72,725.75 worth of bonds in April, bringing the total for the year to \$253,152.75.

Bridge Tournament Will Start Friday at Beach

Bridge players from three states, North and South Carolina and Virginia will gather at Atlantic Beach next weekend to participate in a sectional North State bridge tournament.

The popular event will be conducted this year by Al Sobel of New York City.

This is the third annual tournament sponsored by the Carteret County Bridge League. Participants will come from this county, Norfolk, Raleigh, Durham, Greensboro, Winston-Salem, Washington, D. C., and South Carolina.

Last year 36 tables were in play at the Dunes Club. The defending champions this year are Mrs. Alvah Hamilton, Morehead City, and Mrs. J. S. Steed, Beaufort, women's pair; J. F. Patterson, Beaufort, and Leon Powell, Cherry Point, men's pair; Mrs. K. W. Rodwell and Clarkon Meredith, Norfolk, mixed pair; Miss Julia Skinner and Miss Laura White, Raleigh, open pair, and Mrs. K. W. Rodwell, Herbert Gerst, Clarkon Meredith, Charles M. Mark, Norfolk's team of four.

When the sectional tournament opens Friday men and women's pairs will play at 2 in the afternoon and the mixed pair event will be at 8 that night.

The open pair event will take place Saturday, the elimination final in the afternoon at 2 and the final and consolation events at 8 p.m. The consolation match will be played by those who fail to qualify for the finals.

Sunday events will be the team-of-four play at 2 in the afternoon and the finals at 6:30 p.m.

The Carteret Bridge Club has a membership of 60 and ranks with similar clubs in the largest cities of the state.

President of the county league is Jack Windley, Beaufort. Mrs. Al Dewey, Morehead City, is chairman of the entertainment committee for the tournament. Mrs. C. P. Davis, Morehead City, is in charge of partnership, and Bud Dixon, Morehead City, is publicity chairman.

30 FHA Girls Go To Raleigh Meeting

Thirty members of County Future Homemakers of America Clubs attended the State FHA convention at Raleigh Saturday. They represented Smyrna, Beaufort and Morehead City Schools.

Highlight of the meeting was a surprise visit from Gov. Luther Hodges who greeted them in Memorial Auditorium.

Theme of the convention, the 10th annual gathering of the FHA girls, was "Tomorrow Beckons for Leaders of Better Homes." A total of 2,790 girls attended.

The Carteret girls chartered a bus to make the trip. They were accompanied by their advisers, Mrs. Floy Garner, Smyrna; Mrs. David Beverage, Beaufort, and Mrs. D. Cordova, Morehead City.

Speech Clinic To Take Place May 30-June 10

A two-week clinic for the correction of speech impediments in children will be conducted at the recreation building, Morehead City, May 30-June 10.

Fifty-one children will be enrolled this year, according to Fred Lewis, director. This is an increase of 20 over the year before. Eighteen students were enrolled in 1953 and nine in 1952.

Members of the faculty will be Mr. Lewis, Ralph Wade, Mrs. Sammie Williams, Miss Gertrude Styron, Mrs. John W. Willis and Mrs. Lucille A. Smith, all of Morehead City.

The children who will attend are now being given articulation and hearing tests to determine what may be causing their impediment. The clinic will run Monday through Friday from 9 to 11:30 a.m.

Choruses Will Sing Tonight

One of the highlights of the Glee Club spring concert tonight at Morehead City School will be music from the operetta, HMS Pinafore. The concert will begin in the school auditorium at 8 p.m.

The program released by Ralph Wade, director, follows: Alma Mater, Marching Song by the Boys Glee Club, Woodland Symphony, Let There be Song by the Girls Glee Club, America the Beautiful, A Tribute to Romberg, Cindy by the chorus and the finale will be 30 minutes of music from the Gilbert and Sullivan operetta, HMS Pinafore.

The cast for the Pinafore number will be from members of the chorus.

W. D. Caffrey To Study Law

The Greensboro School Board has accepted the resignation of Mr. William D. Caffrey, formerly of Morehead City, as principal of the David Caldwell School, Greensboro.

Mr. Caffrey's resignation followed his winning one of five regional scholarships available to North and South Carolina residents to attend the Duke University school of law, at Durham.

The scholarship award was based on scholastic attainment, leadership, service and capacity for the study of law. Mr. Caffrey has been in the Greensboro school system five years and was promoted to principal last year.

He graduated from Morehead City High School in 1945, received his bachelor of science degree in 1950 from Indiana State Teachers College where he received various honorary awards, and holds a master of arts degree from George Washington University where he was an honor graduate student.

Mr. Caffrey is married to the former Ona Willis, Morehead City. They will live here this summer and move to Durham in the fall.

Fire Occurs in Front Seat of Automobile

Morehead City firemen answered an alarm Saturday night at 9:15. In front of Captain Bill's Restaurant they found the front seat of an automobile afire with the occupants asleep in the back seat. Little damage was done and vehicle and no one was injured.
