Lejeune Beats MC Boys Club

A team from Camp Lejeune journeyed to Morehead City on Sunday and played the Morehead City Boys Club on a Crab Point diamond with the visitors' winning in a walk 13-2.

The Camp Lejeune club is the leading Pony League team in the Jacksonville-Camp Lejeune area and were never headed in their game against the Morehead City group after the fourth frame.

Camp Lejeune used three pitchers to good advantage as the three-struck out 21 of the Morehead batsmen.

The three were Peden who went the first four, Ellen, the winner who went from the fifth through the eighth and Garrison who hurled the ninth.

Morehead City used four pitchers with starter Jimmy Lawrence being tagged with the loss. Lawrence went the first four and two thirds, with Don Harrelson going the fifth and sixth; McQueen in the seventh, and Lawrence returned to the hill for the eighth and ninth.

Camp Lejeune jumped out to a 2-0 lead in the top of the second with the Boys Club knotting the count with single tallies in the second and fourth, but from that point on it was all Camp Lejeune.

The Boys Club made a single hit and that was by Harrelson.

The Boys Club will play Beaufort Recreation tomorrow afternoon at 5 o'clock at the Wade Brothers ball field and on Thursday will travel to Camp Lejeune for a return engagement with the Lejeune boys.

Hooligans Play Idle Hour Nine Today

The Hooligans will meet the Idle Hour for the final time this season in Little League play at the Little League diamond this afternoon at 5 o'clock. This week brings to a close the regular season play.

Tomorrow afternoon Miss North Carolina, Faye Arnold, will throw out the first ball as the Idle Hour meets the Small Frys.

Winding up the season Thursday will be a contest between the Small Frys and Crowe's Mites. Yesterday's contest pitted the Crowe's Mites against the Hooligans.

Burns Leading Hitter
Going into the final week of play Jack Burns, Idle Hour, continues to pace the hitters with a mark of .542. In second spot is Harold Wheaton, Small Frys, with a mark of .392, and the third highest batsman is Lonnie Boyd, Idle Hour, with a mark of .380.

Other top hitters in the league include Jerry Stevens, Hooligans, .368; Norman Canfield, Small Frys, .367; Chuck Sledge, Small Frys, .356; Johnny Baker, Hooligans, .348; Jimmy Terrell, Small Frys, and Jimmy Fox, Crowe's Mites, each having .333; Dan Wade, Crowe's Mites, .327; Wayne Best, Hooligans, .308; Ernest Lewis, Crowe's Mites, .306, and Donald Fox, Small Frys, .300.

Burns is also the leader with seven homeruns, with Baker and Best having one each. In the runs batted in department Burns also leads with 23, with Wheaton having 16 and Baker and Wade 10 each.

Boyd Scores Most
Boyd has scored the most runs with 20. Burns has tallied 19 times, E. Lewis and Wheaton have each scored 16. Burns also leads in hit, with a total of 26, Wheaton has 20 and Boyd 19.

Noven Mason, Small Frys, and Baker have the only triples, with Wheaton leading with six doubles, Burns and Baker each having five.

In the pitching department Burns is also the leader with a 6-1 mark and an earned run average of 0.00. Jimmy Bowen, Idle Hour, has the second best earned run average with a mark of 1.68 though his record is only 3-3.

Wade Has Low Mark
Wade has an earned run average of 2.22 and a season's record of 5-1, and Bernard Leary of the Hooligans has an earned run mark of 2.38, though he has a losing record of 2-4.

Smyrna-HI Player OK After Dislocating Hip
Cranston Moore, third baseman of the Smyrna-Harkers Island ball club, is resting comfortably after he suffered a dislocation of his hip during Sunday's doubleheader against Beaufort at the Beaufort diamond.

Moore was bumped by one of the Beaufort players during the course of the game in a close play at third and his hip was knocked out of place.

Good Luck Catcher in His Third No-Hit Ballgame
Greenville, S. C. (AP)—Bill Phillips of the Greenville Spinners in the Class B Tri-State League caught the third no-hit game of his career when Freddie Rodriguez blanked Rock Hill.

Previously, Phillips has been behind the plate when battery mates in the Tri-State and old Eastern Carolina semipro league hurled no hitters.

Surveying the Scene with Hal Shapiro

The newest addition to the mound staff of the league-leading Brooklyn Dodgers is an elongated Tar Heel, who at one time pitched baseball in Morehead City in the old Tidewater League.

The hurler, Roger Craig, was recently called up by the parent Dodgers from the farm club at Montreal, where the big boy had won 12 and dropped but two.

In his first two outings Craig was returned the victor both times. Friday night he was rewarded with the 8-4 win over the Milwaukee Braves as he was lifted for a pinch hitter in the bottom of the seventh.

In his initial outing Craig went the distance against the Redlegs, limiting the Cincinnati club to three hits.

Roger is 6 foot 4 inches tall, and has shown a great deal of promise since being in the Dodgers organization. He made the jump this season to Triple A ball from Class B, and is now a full-fledged major leaguer, thanks to injuries that have plagued the starting hurlers of the Brooks a goodly part of the season.

Who said that it was an ill wind that didn't blow somebody some good?

Friday night the former welterweight and middleweight champion, Ray Robinson, returned to the ringwars against Rocky Castellani.

In common with a great many others we were of the opinion that it was time that Sugar Ray pack up the old gloves in tissue paper paper and quit the boxing game.

Robinson showed his critics that even though he has passed his peak, he still has plenty left as he won a split decision over the leading contender for the middleweight crown.

Castellani knocked Robinson down in the sixth round, but this was the only round in which Rocky had a decided advantage.

The fight was very close, and well it might be with the leading contender fighting a former champion. One judge and the referee scored the bout 56-54 in favor of Robinson and the other judge had it in Castellani's favor 56-54. The Associated Press had the fight scored in Robinson's favor 57-53.

The ex-champ looked sharp in this battle against Castellani, considerably different than his appearance against Ralph (Tiger) Jones.

He concentrated his attack on Castellani's body throughout the fight, switching to the head only when Castellani would lower his guard.

Perhaps Sugar Ray will disprove the old adage that they never come back. It sure would be wonderful if he could.

A meeting of the Little League managers and league officials was held at Joe Nicholas's on Thursday evening.

The big thing that came up was the selection of an All-Star team that will be announced following the conclusion of the season Friday.

It was also announced that the AllStars will play a game against a team composed of the league officials, umpires, managers and coaches on Thursday, Aug. 4, at the Little League diamond.

The only stipulation in this game is that the grownups must bat left-handed, and any ball hit over the fence will go for only a double for the big boys, though still counting as a homerun if one of the All-Stars hit it.

The managers and officials' team will use a different pitcher every frame with Bob Cantelli expected to start the game, followed by Hal Shapiro, Bruce Grisham, and in the later stages of the game, Russ Willan.

The All-Stars will also use a different pitcher each inning so that all the boys will have a chance against the older folks.

On Wednesday, Aug. 10, there will be a party for all the Little Leaguers at the Ocean Park Drive-In Theatre with the managers, coaches, officials and umpires invited to attend.

It is expected that the youngsters will receive their awards at the party and will have a weenie roast at the theatre and then be guests for the first movie showing that evening.

Fishing for Area 'Off' This Week; Sailfish In

As a whole, fishing has been "off" for this area. Of course even in an "off week" more fish are caught here than at any other coastal region. The wind has caused more cancellations than any other.

The two head boats have made fair to good catches this week, but the deep sea trip to the 100-fathom curve planned for yesterday by the Carolina Queen was cancelled when a fresh gale wind which had blown all night was still kicking up at 4 a.m., the time she was scheduled to leave. It has been rescheduled for today.

Catch of the week was made by W. H. Sears of Portsmouth. He is a nurseryman dealing principally in azaleas and camillias, but last week he was gunning for sailfish. This was the third consecutive year Sears had fished for sails.

He had been fishing about six hours when a big one hit the bait, which was a piece of cut mullet on a double number 4 hook. He brought the sail in in 18 minutes on 60-pound line. "I had heard that if you gave them any slack they'd get away, and I never allowed him to get any slack," grinned Sears. The sail, which he is having mounted, and for which he "wouldn't take \$5,000," was 6 feet 5 1/2 inches long. He was fishing from the Dolphin III.

Jack Bryant and Paul Daniel of Raleigh rented a B. J. White skiff Thursday on the causeway and put their outboard motor on it and drove out toward the cape. In a matter of two hours they had 57 spanish mackerel.

Big fish had been reported jumping around the State Port Terminal all week and Mrs. H. H. Fish of Raleigh decided to see what they were. She rented a skiff and fished a short while around the terminal. Results? Plenty. An 8-pound and a 21-pound cobia. For some reason, immediately after she returned to the causeway the terminal area was crowded with small boats.

For some weeks the piers haven't done too well. However, some people who fish them regularly like Mom and Pop Wells of Morehead City find that they catch a steady flow of mackerel, grunts and spots. Some good

Idle Hour Clinches Second Half Title With 3-0 Victory

The Idle Hour officially clinched the second half championship of the Little League by virtue of a 3-0 victory over the Crowe's Mites Thursday.

As has been the custom of late, Jack Burns was the big gun for the Idle Hour, this time with his seventh homerun of the season.

Burns Winner
Burns was the winning hurler of the game to give him a 6-1 mark for the season. He struck out 13 men and walked four.

Ernest Lewis was the loser for the Crowe's Mites. He gave up all three Idle Hour runs in the three frames he worked. Dan Wade relieved in the final two innings.

The Idle Hour started the scoring in the second frame when Jimmy Bowen was safe on an error. He moved up to second on a single to third by Jimmy Turner and went to third on a passed ball, scoring the tally as Jimmy Ross was safe on a fielders choice play.

After Lonnie Boyd had been safe on an error in the last of the third Burns blasted one over the leftfield fence for his seventh circuit blow of the campaign.

The Crowe's Mites threatened in the first when they had men on second and third with one out, as Jimmy Fox and Tommy Edwards walked and moved up on a passed ball, but Burns struck out Nathan Lewis and Wade to squelch the threat.

Crowe's Mites Threaten
In the third the Crowe's Mites also had men on first and third with one away by virtue of a walk to Pat Rogers and a single by Jimmy Fox, but once again Burns rose to the occasion and struck out Edwards and Wade.

In the fifth the Crowe's Mites threatened with two away as E. Lewis singled and Jimmy Fox walked, with both baserunners moving up on a passed ball, but Edwards flied out to end the threat.

Fox was the leading batter for the losers with 1-1, with Ernest Lewis having 1-3.

Jimmy Turner was the leader for the Idle Hour with 1-2, with Boyd and Burns each having 1-3.

Hogan Proves Prophet
Vancouver, B. C. (AP)—Ben Hogan proved he knew his "up and coming players" when he invited Jack Fleck and Dow Finsterwald to the Colonial Invitational tournament. Fleck beat Hogan in a playoff for the U.S. Open title and two weeks later Finsterwald won the British Columbia Open.

Small Frys in Second Place After Friday Win

The Small Frys took over second place in the second half of the season by virtue of their 7-4 victory over the Crowe's Mites Friday afternoon.

The loss dropped the Crowe's Mites into a third place tie with the Hooligans.

Noven Mason went the distance for the winners allowing seven hits, striking out two and walking three.

Butch Henderson started for the Crowe's Mites. He was relieved by Ernest Lewis in the third and the loss went to Lewis, with Dan Wade relieving in the same frame.

The Crowe's Mites started the scoring with a single tally in the top of the second frame on hits by Norfleet Lloyd, James Ellis and Jimmy Fox.

In the bottom of the second the Small Frys knotted the count as Harold Wheaton singled, stole second and scored on Chuck Sledge's double.

The Small Frys pounced on Ernest Lewis for four tallies in the last of the fourth on doubles by Danny McQueen and Donald Fox plus singles by Jimmy Terrell and Harold Wheaton plus two Crowe's Mites errors. Dan Wade relieved and got the final two outs of the inning.

The Small Frys extended their lead to 7-1 in the last of the fourth as Sledge was safe on an error, went to second on Bobby King's single and both men moved up on a passed ball, and scored on Terrell's line single to right.

The Crowe's Mites put on a last ditch rally in the sixth frame which was good for three runs.

E. Lewis was safe on an error, J. Fox singled, and Tommy Edwards was safe on an error, scoring E. Lewis, with the other baserunners moving up. Another pair of errors on grounders by Nathan Lewis and Lloyd brought in the other two runs.

King was the leading hitter for the Small Frys with 2-2, as Terrell and Wheaton each had 2-3, Sledge, 1-2, and McQueen and D. Fox each having 1-3.

For the Crowe's Mites Vic Wickizer had 1-1, James Ellis 1-2, and J. Fox had 2-3.
