DIAMOND SHOALS TRAWLERS

These sturdy craft, designed by Elmo Wade, have been tested and proven in our own North Carolina waters. Our boats are constructed of long leaf heart pine. Fine materials plus expert workmanship combine to give you a boat that will definitely "do-the-job" for you. These trawlers are custom-built from 40 ft. up. They can be equipped to suit the owner.

North Carolina's Finest Pleasure Craft GULFSTREAMLINERS

These handsome sports boats are designed by Julian Guthrie and offer you the ultimate in comfort and performance. They are built of long leaf heart pine with the housing and interior of mahogany. We will build just the Gulfstreamliner you desire... equipped to suit you... any size... any type.

Shown here is the interior of the "Sport Fisherman." Note the beautiful mahogany interior and spaciousness of the interior. On the left is Mrs. Elmer White, on the right, Mrs. Katherine Golden.

This is our new 38.6 Gulfstreamliner "Sport Fisherman." Designed to make pleasure boating even more pleasant.
