

Eagles to Meet Hurricanes Seadogs Host Jones Central Tonight for Homecoming Tonight in Conference Contest

Knights Play Snow Hill Tomorrow Night at 8

Beaufort JV's Tie Morehead

Beaufort's Jayvees played the Morehead City Jayvees to a 6-6 standoff Wednesday night at the Beaufort Field, making it the second straight tie played by the two teams. A week ago the two teams met and played to a 6-6 deadlock.

Morehead City scored early in the first quarter as Jim Lloyd ran the kickoff to the Beaufort 20 and then halfback John Glancy passed to end Danny Morton in the end zone for the score. The extra point attempt was no good.

Glancy injured his passing hand late in the quarter and was removed in favor of Jim Lawrence. Neither team could get a drive moving throughout the remainder of the first quarter and during the second.

Beaufort marched down the field in the third quarter and knotted the score as George Robinson tallied. The extra point attempt was no good and the game was deadlocked at 6-6.

For the remainder of the third quarter and the fourth both teams took to the air in trying to gain the deciding TD, but passes were intercepted by both teams during the last hectic quarter of play.

It was a hard fought contest and neither team has anything to be ashamed of in two successive ties.

Eagles Ranked Ninth

Morehead City's Eagles were ranked ninth again this week by the Greensboro Daily News among Class A schools in the state. The Eagles are undefeated in their first six games this season.

The Morehead City Eagles will celebrate their annual Homecoming tonight at the Camp Glenn Field against Pamlico County's Hurricanes.

Coach Norman Clark's Eagles will be seeking their seventh straight victory of the season and the Seashore Conference title for the fourth straight year.

O'Neal Leads Scoring Attack
Leading the scoring attack for the undefeated Eagles this season has been speedy halfback Danny O'Neal, and he is expected to be the leading light in the attack tonight.

James Nolan has been the big scorer in the last two games having made four touchdowns.

The starting backfield for the Knights for Saturday night's contest will feature Bateman Jones at quarterback, James Nolan and Frank Hazel at the halfback posts, and either Tom Hester or Joseph George at fullback.

Coach Barrow stated that all of his boys were in fine shape, and the team will work out of the split T formation.

The probable starting lineup for the Knights for the game is as follows:

- LE—Joe Pasteur
- LT—Irvin Godette
- LG—Ferne Hyman
- C—Edmond Godette
- RG—Frederick Chadwick
- RT—Gilbert Chadwick
- RE—Luther Tootle
- QB—Bateman Jones
- LHB—Frank Hazel
- RHB—James Nolan
- FB—Tom Hester or Joseph George

Both the coach and principal of the school have requested that Queen Street supporters help in the fund drive currently underway to raise money for uniforms for the team.

Stan Musial hit a homer in every National League park except Chicago's Wrigley Field, during the 1954 season.

The Hurricanes attack is built around halfbacks Billy Casey and Jack Gilgo, with the majority of their returning lettermen being linemen.

Among these boys who have played varsity ball before are tackles Kerry Carawan and Ellis Miller, ends Charles Buck and Meredith Henry and guards Billy Smith and John Warren.

Among those expected to see action in reserve roles are Henry Rice, Joe Hudnell, Tommy Woodard and Bryan Harris.

Coach Ed Thompson, in his first year as Pamlico County football mentor, has been having a rough time, but all would be forgotten should his charges rise up and defeat the Eagles.

The probable starting lineup for the Hurricanes tonight is as follows:

- LE—Charles Buck
- LT—Kerry Carawan
- LG—John Warren
- C—Jesse Rowe
- RG—Billy Smith
- RT—Ellis Miller
- RE—Meredith Henry
- QB—Ernest Hudson
- LHB—Billy Casey
- RHB—Jack Gilgo
- FB—Joe Collier

Festivities at halftime tonight will include the crowning of a Varsity Queen and the band will put on a special show.

Kickoff is at 8 p.m.

Beaufort's luckless Seadogs will entertain the Jones Central Rockets tonight at the Beaufort Field in a Seashore Conference tilt starting at 8 p.m.

In six games played this season the Seadogs have won but one, and last Saturday night they lost a 15-13 decision to the New Bern Jayvees in a game that they might just as easily have won.

Coach Hugh Gordon used two full teams in the New Bern contest and it is probable that the same procedure will be followed again tonight.

Potter Signal Caller
Jimmy Potter will call signals for the first eleven and Billy Hardy is expected to be in at quarterback on the second group.

Halfbacks Douglas Piner and Jamie Norris, along with fullback Jerry Willis fill out the first backfield.

Charles Springle and Raymond Gillikin will be at the halves and Bobby White at fullback in the second backfield.

Potter looked very good in the last contest as he threw several all important passes to end Jimmy Owens in the last few moments of last Saturday's game.

It is expected that the Seadogs will make use of both the single wing and split T formations as they attempt to win their second conference tilt against the rough, tough Rockets.

The probable starting lineup for the Seadogs in tonight's game is as follows:

- LE—Dickie Moore
- LT—Ralph Eubanks
- LG—George Martin
- C—Johnny Miller
- RG—George Gooding
- RT—Ed Willis
- RE—Jimmy Owens
- QB—Jimmy Potter
- LHB—Douglas Piner
- RHB—Jamie Norris
- FB—Jerry Willis

The second alignment would feature the return to action of Alex Copeland at tackle. Alex was injured in the season's opener against the Wilmington Jayvees and played a very short time in Saturday night's contest.

The full second alignment is as follows: Bobby Goodwin and Walter Phillips, ends; Jun Guthrie and Alex Copeland, tackles; Norwood (Buck) Hardesty and Bruce Cayton, guards; Ken Swain, center; Bobby Hardy, quarterback; Raymond Gillikin and Charles Springle, halfbacks, and Bobby White, fullback.

Kerns, Adams Rockets Stars
Coach George Tate's Rockets are a fine squad featuring halfbacks Russ Kerns and Robert Adams.

The probable starting lineup for the Rockets for tonight's contest is as follows:

- LE—Cyrus Beddard
- LT—Nelson Croft
- LG—Earl Harris

Free Golf Lessons Tuesday at Course

C. C. McCuiston, manager of the Morehead City Country Club, will hold a free golf clinic Tuesday morning at the club at 9:30 a.m.

Anyone interested in learning about the game is urged to attend this free session.

Wednesday night the men of the club held a stag supper, with 60 attending. Winner of the golf bag that was given as a prize was Ray Garrett.

The NEWS-TIMES handicap golf tournament is now entering the second round, and most of the players are enthusiastic as they vie for the trophies to be awarded Nov. 1.

C—George Mallard
RT—Jesse Thomas
RG—Wesley Mallard
RE—Harold Stille
QB—Bobby Barbee
LHB—Russ Kerns
RHB—Robert Adams
FB—Billy Mercer

Jones Central works out of the T and is expected to show a fine ground attack and a passing attack featuring Barbee and ends Beddard and Stille.

Among the reserves who are expected to see action are Ray Durham, Tom Marshburn and Elwood Morris.

Ray Cummins To Emcee Rodeo

Ray Cummins will act as master of ceremonies for the second annual Banks Pony Rodeo at the Legion Field, Beaufort, at 2 p.m. Sunday.

Ronald Earl Mason, chairman of the Rodeo, has asked that all contestants register at the field with Miss Pat Springle, Chamber of Commerce secretary, before 1 o'clock Sunday.

He also says efforts are being made to obtain a band to furnish music during the afternoon.

There will be two boys' events, the pony potato race and the bucking pony ride. The men's events will include bareback riding, saddleback riding, bareback steer riding, the pony race, and the bulldogging event.

Chairman Mason stated that he expected that all of the fans will be treated to a real show this year.

The Humpty Dumpty Nursery, newest addition to the Crossroads bowling center, Havelock, will open tomorrow. The nursery will be open throughout the week from noon until midnight and will enable mothers to bowl, shop, go to the movies or take short trips.

News from LENNOXVILLE

Oct. 19—Mrs. Walter Goodwin who visited her brother and family, Mr. and Mrs. James Willis, the past week, returned to her home at Cedar Island Friday.

Mrs. Roy Goodwin is spending a few days at Atlantic City, N. J., with her husband who is there for the fishing season.

Mr. and Mrs. Jack Pilcher and daughter of Hancock Park visited her parents Mr. and Mrs. Monroe Simpson the past week.

Nerves, Just Nerves

By ROBERT O. BARNUM, D.C.
1512 ARENDELL ST.
Morehead City, N. C.

Many have been lightly told "your trouble is nerves, just nerves. That's all." Nerves are too important to the body to be dismissed so easily.

Nerves make possible all movements, nerves transmit all sensations to the brain. Nerves make possible sight, smell, taste, and hearing. Nerves regulate body temperature at 98.6 degrees, maintains balance and controls blood pressure, blood flow, speech and breathing. Nerves make it possible to swallow. In fact there is no function taking place in the body without the control or coordination of the nervous system.

The spine acts as a conduit for nerves. The chiropractor works with the spine and nerves. His object is to locate and correct nerve trouble that may be causing abnormal function or disease.

Introducing A BIG AND VITAL GENERAL MOTORS "AUTOMOTIVE FIRST!"

With all that's newest in glamour—and all that's greatest in "go"—the fabulous '56 Pontiac, now on display, awaits your hands on the wheel. And when you drive it, you will get the biggest thrill in all your motoring experience—because this car is really loaded! The big and vital General Motors "First", which heads its long list of look-ahead features, couples the two most advanced high-performance developments in the industry: 1. An all-new, big-bore Strato-Streak V-8 engine that puts 227 blazing horsepower at your toe-tip

2. A completely new Strato-Flight Hydra-Matic* that delivers this terrific "go" with a smooth surge of power at any speed. You now sweep from take-off to top performance with the ease of a sailplane. You slow down for traffic, speed up for passing, or gun for a high hill with the changing pressure of your toe on the accelerator the only sign of effort. You may have had it smooth before—but never like this! It literally must be experienced to be believed. That's plenty—but there's much more to make this a date to be long remembered.

There's smart, new beauty and luxury for America's most distinctive car. There's the safety of big brakes and road-hugging length... the security of a smooth new ride and sure-footed cornering. There are many, many other things which mark this beauty as the glamorous pattern for tomorrow's cars. But come in and see for yourself. Take a long look at the six luxurious new Four-door and Two-door Catalina hardtops. Sample the results of its fabulous General Motors "First". Sure as you enjoy thrilling action, here's your next car!

Surveying the Scene with Hal Shapiro

Coach Norman Clark of the Morehead City Eagles told Jaycees Monday night that the Eagles' first round opponent in the State Class A playoffs would be the Wallace-Mount Olive game.

According to the coach either of these teams would furnish worthy opposition for the Eagles when they attempt to go after the State Class A crown.

The coach also stated that the Eagles will definitely play six home games in Morehead City next season, so football fans will be able to see the Eagles in two more home appearances next season than they did this year.

Speaking about his club, Coach Clark said that the boys had really come to life, and had given him a pleasant surprise.

As most fans know, the Eagles' coach was crying the blues prior to the season, and his boys really did come through for him.

Beaufort's Seadogs are experiencing one of their poorest seasons on the gridiron, through no fault of anyone.

It seems that injuries to key performers starting in the opening contest hurt the Seadog chances for a successful year.

We believe that Coach Hugh Gordon is doing the best that he can, but the breaks have just been going in the opposite direction.

Two of the injured boys are back in action and the game tonight against Jones Central should be a very fine contest. Here's hoping that the Seadogs can spring an upset and win their second victory of the season.

Last night a meeting was held at the Sports Shop in Morehead City for the formation of a County Basketball League similar to that employed for the playing of baseball.

We are of the opinion that sports fans would certainly like to see the stars of yesterday on the courts throughout the county.

Wilson Davis has had a team playing games against any and all opposition for the past few years, and he hopes that a regular league with schedules, officials and the like can be instituted this year.

Last year, for example, his team traveled as far as 50 miles to Jasper for a game on a few hours' notice. Now he'd like it if he knew when the team was going to play and where.

It may be a little early to start talking baseball but we believe that a suggestion of using the same diamond for the Little League and Pony League programs in Morehead City next season would be a perfect solution of the problem of finding diamonds.

Last season the Little League program was instituted and was most successful. It is the belief of several persons that the same field could be used by both programs and cut down on expenses.

The fence at the Little League diamond could be put on casters so that it could be moved back for Pony League games and the bases could also be realigned.

Only one problem exists and that would be the building of two mounds for the two different leagues, but that could be done.
