

Undefeated Eagles Face Tough Encounter At Dunn Tonight

Morehead City's roughest hurdle of the regular campaign comes up tonight when the Eagles journey to Dunn for a non-conference tilt.

Coach Norman Clark has already named the Dunn team as the most difficult opponent on the Eagles' schedule, with the exception of the playoff foes.

Danny O'Neal, highest scoring back in the state with 125 points already tallied, will be out for more tonight from his left halfback slot.

Leading the Eagles in tonight's game will be quarterback Jimmy Parker, whose passing against the Pamlico County Hurricanes last Friday night was almost perfect. Parker has been consistently marvelous with his ball handling.

Walter Willis showed the speed that was expected of him in the Pamlico game, and could very well put on another exhibition of running tonight.

Plunges Thru Middle

Fullback Ron Howland has been a tower of strength for the Eagles with his plunges up the middle and it is expected that he will have his work cut out against the rugged Dunn line.

On the forward wall for the

The Three R's

Juniors Go on Picnic, Start Play Rehearsals

Hi everyone! School is back to the same familiar routine, and the Newport Juniors are in full swing. We started the year with a bang.

Having been in school for only about three weeks, we had a hamburger fry on the beach near Salter Path.

Although only a small portion of the class was present, everyone seemed to be having the time of his life. The hamburgers were sandy, but what's a beach party without sand? Also, the potato chips were soft and the drinks got hot, but with the salt spray filling everyone's nostrils, no one cared, not even the "land-lubbers."

Well, the annual Junior play is just around the corner. Producing a play such as this is a new experience for each and everyone of us and we are neck-deep in the details of stage scenery and learning our parts.

It is the first time in quite a few years that such a play as this has been presented by a class in Newport School. We're hoping that all of you will be with us Nov. 11, when the curtain rises and the fun and laughter begins.

—Nadine Garner, Reporter

ers has been made and those chosen to fill the offices are as follows: president, Nadine Garner; vice-president, Peggy Howard; secretary, Gaynelle Gray; treasurer, Bonnie Garner; and our representative for the Student Council is none other than Gilbert Garner.

The King and Queen contest is here once again. Each class has its own candidates and the Juniors have chosen Reba Carol Masters and Gilbert Reba Garner to represent their class. The winners will be announced at the Halloween Carnival tonight. Let's all vote and help our candidate to be victorious.

Last but not least, everyone is thinking of the many days of work ahead of us. The largest task upon us is the Junior-Senior Prom in the spring. No plans have been made, of course, but each person has ideas and opinions that will be a great help in the near future. Here's hoping that everything turns out just dandy, and may you have the best school year imaginable!

—Nadine Garner, Reporter

Mrs. Redmann's sixth grade recently elected officers. Mack Temple is president; Bobby Earl Smith, vice-president; Carolyn Avery, secretary; Marsha Garner, treasurer; and Geneva Howard, reporter. Meetings are held Fridays at 3 p.m.

Marsha Garner and Claude Garner were elected queen and king of this class. We are busily collecting money for them.

We have finished our history unit on the early nations of the

Seadogs Seek Second Victory at Pamlico

Beaufort's football forces will journey to Pamlico County tonight for a game against the Hurricanes, starting at 8 o'clock.

Since report cards came out this week, several members of the Beaufort squad, including star halfback Douglas Piner, have been dropped because of ineligibility.

Coach Hugh Gordon has stated that his squad's morale is very high and that they are ready for the clash with the Hurricanes.

The coach said his boys played one of their best games of the season last Friday night against the Jones Central Rockets and were primed for tonight's contest.

Owens Out

Jimmy Owens, stellar star of defense and offense from his end position and captain of the team, may not play tonight because of a bad charley horse.

The starting lineups for tonight's game will find Larry Kirk taking over Piner's spot in the backfield.

Other backs will be Jimmy Potter, Jamie Norris and Jerry Willis.

The probable starting lineup for the Seadogs tonight is as follows: LE—Jimmy Owens or Walter Phillips

LT—Ralph Eubanks
LG—George Martin
C—Johnny Miller
RG—Ken Swain
RT—Ed Willis
RE—Dickie Moore
QB—Jimmy Potter
LHB—Larry Kirk
RHB—Jamie Norris
FB—Jerry Willis

Among the reserves expected to see action tonight are Alex Copeland, Raymond Gillikin, Charles Springline, Danny Willis, Bobby White, Norwood (Buck) Hardesty, and Jimmy Guthrie.

Pamlico Beaten

Pamlico County was trounced badly last weekend by the Morehead City Eagles, and will have an even smaller squad than the Seadogs. Their starters will probably be as follows:

LE—Charles Buck
LT—John Warren

Newport Opens Basketball Season Tuesday at Home

Queen Street Uniform Fund Drive Nets \$330

Principal Randolph Johnson and Coach S. H. Barrow of Queen Street School announce that the fund drive for uniforms for the Knights has reached the \$330 mark.

Both coach and principal are hopeful that the team will realize the goal of \$550 by the time of the Homecoming game Saturday night, Nov. 5.

The Knights journeyed to Trenton yesterday in an attempt to win their fourth straight game.

Newport's Hawks will open up the basketball season a month ahead of their other Seashore Conference and county rivals when they play Jasper at the Newport Gym Tuesday night.

The first game between the girls' teams of both schools will get underway at 7 p.m.

Newport will send a veteran team on the court against Jasper having lost only Jimmy Kelly from last year's squad.

Expected to lead the scoring attack for the Hawks will be Eugene Edwards and Les Gillikin.

Other members of the probable starting five include Berlyn Temple, Gilbert Garner, and freshman whiz Johnny Mason.

Coach Bob King's quintet is expected to be one of the scrappiest crews in the county and most opposing coaches will be on hand to see what the Newport team has to offer for the 1955-56 season.

Ann Dennis and Virginia Mann will lead the girls in their preliminary contest.

News-Times Will Name Top Teams

For the second year THE NEWS-TIMES, with the assistance of the coaches of Seashore Conference teams will select a first and second All-Conference football team this season.

The meeting of the coaches and the sports editor of THE NEWS-TIMES will be held at the conclusion of the season to select the winners.

First team members will receive keys and members of the second squad will be presented with certificates. The outstanding coach in the conference will be awarded a plaque.

Parkins Scores 18 Points

Pee Wee Parkins, former stellar athlete at Beaufort School, was one of the leading scorers for Patterson School's Bulldogs, Lenoir, in a recent six-man football clash against Kings Creek. Pee Wee scored 18 points. His team won the game 50-0.

Surveying the Scene

with Hal Shapiro

Speed, speed and more speed!

That's the keynote today with all of the modern automobiles with their horsepower of over 200, and the ability to leave the other fellow standing at the corner as you make a quick getaway.

If you don't want to leave someone behind at an intersection you can always go out on some deserted stretch of highway and challenge someone to a race.

Of course, there is always the possibility that someone may get hurt, but look at the fun you can have.

On Monday night Gordon Hardesty Jr., 23, son of Mr. and Mrs. Gordon Hardesty of Beaufort, was killed instantly when the car he was racing in, overturned.

Some ministers might comment that the Lord giveth and the Lord taketh away, but it seems from this corner that the automobile speed addicts have been helping Him out somewhat.

It seemed strange that the accident should happen on exactly the night I discussed with O. J. Morrow the death of James Dean, an up and coming movie star.

Dean was also a speed enthusiast who was killed when he was making the amazing speed of 150 miles per hour in a sports car in California.

We were discussing the foolhardy exploits of some of Hollywood's glamour boys, and then in the same evening one of the county's youngsters was killed in much the same manner.

Legislation doesn't seem to be the cure-all for these many accidents in the county and throughout the nation.

Someone has to take the younger element in tow and show them the results of such accidents as befell young Mr. Hardesty Monday night.

Not too long ago I saw the mangled body of a dead Marine lying on the Atlantic Beach highway. Not too far from him was another Marine so badly banged up that he probably won't ever walk again.

If more motorists could have seen these boys, they might understand the suffering that they can cause, not only to themselves but others when they speed along the highways.

Monday night's accident occurred on the airport strip, but races on regular highways aren't uncommon.

The next time you, or YOU feel like racing on the highway, remember the consequences. You might be killed, and then again it might be someone else that has to pay the penalty for your carelessness.

The only hope that I can have is that the death of Gordon Hardesty Jr. will not be without a lesson to others. Perhaps it was meant for him to die so that others might be saved.

I sincerely hope that this is so, but it's a heartbreaking lesson.

Nick Galantis, Morehead City's original optimist, is to be congratulated for the faith he had in the Eagles this season.

Nick was the only person we know of who thought the Morehead City team was going to be a world-beater. As he said before the season started, "This is a good team, and it wouldn't surprise me to see them win all their games."

Thus far the Eagles have clinched the conference title and will be seeing their big win of their regular season's play tonight at Dunn.

Coach Norman Clark says that the Dunn team is the best opposition his team will face in regular season play, and it is his hope and that of yours truly that all Eagles fans be on hand tonight at Dunn to root the Eagles to victory.

Mr. 4% I've got the "largest dollar in town"

It's true! Mr. 4%... the Jefferson Standard Man... has the biggest policy dollars in town. They can be your dollars, too, when you insure and invest the Jefferson Standard Way.

This company, now guaranteeing 2 1/4% on policies currently issued, in 48 years has never paid less than 4% interest on policy proceeds left on deposit to provide income.

This is the highest rate of interest paid by any major life insurance company.

In a typical case, a policyholder's wife is the beneficiary of a \$10,000 policy. Her income over the years, at 4%, totaled \$3,300 more than the income on a policy that paid only 2 1/4%. Make sure your family has the benefit of these larger dollars. Mr. 4% will show you how!

Special Golf Course Event Will Start At 2 P.M. Sunday

A Halloween Scotch Foursome will be played at the Morehead City Golf and Country Club Sunday. Tee-off time will be between 2 and 2:30.

Prizes will be awarded to the golfers with the most unique costumes.

Tuesday was a Ladies Day at the course. Sixteen attended the special clinic conducted by C. C. McCuiston, pro.

In the women's division of THE NEWS-TIMES handicap tournament, two entrants have completed their 36 holes. They are Mrs. Becky Sanders with a total of 171, and Mrs. Jean Seelbinder with a score of 185.

A Few Musts For Hunters

Tucson, Ariz. (AP)—If you plan to hunt this fall make a list of the things you ought to take along.

The Arizona and New Mexico game and fish departments both agree that bedding equipment should be a must, especially if you plan to hunt elk in Arizona where the season begins Nov. 19.

Other musts, necessary for practically all types of hunting most anywhere, include comfortable boots, shirt and jacket, and plenty of substantial food.

Equipment besides a good rifle and ammunition should include a small first-aid kit, flashlight, candle, compass and a map of the area where you plan to hunt.

If you plan to dress your game on the spot, take along a skinning knife, a saw, meat sacks and some rope.

And, if you plan to hunt on a horse, be extra careful. Some trigger-happy fool might take a shot at you.

Four Year Chess Match Won By German Team

Peoria, Ill. (AP)—A 4-year international chess match between Peoria and Germany ended with a 23 1/2 to 18 1/2 victory for the team from Kronach, Bavaria, Germany.

The match was conducted by correspondence.

It began when a German immigrant visited the King's Men Chess Club at the Peoria YMCA, and gave Hank Cramer, then club president, the name and address of Alfred Joanni in Kronach.

Eagles Ranked Tenth

Morehead City's Eagles were ranked 10th this week by the Greensboro Daily News among Class A schools in the state. The Eagles are undefeated in their first seven games this season.

Injured Players Discharged

The two boys injured in the Morehead City-Pamlico County football game last Friday night, Richard Powers of the Eagles, and Bobby Lupton of the Hurricanes, were both discharged from Morehead City Hospital Tuesday.

New Line Coach

Grand Forks, N. D. (AP)—Ed McNeil, new coach of the North Dakota line, coached lines of three unbeaten teams at College of Emporia in Kansas.
