Junior Woman's Club to Sponsor Town Summer Recreation Program

The Junior Woman's club voted Monday night to sponsor the Beaufort summer recreation program this year as its contribution to the finer Carolina program.

The recreation program, which was started eight years ago by the Beaufort Rotary Club, is free to all children from the age of 8 on up, and runs for six weeks through the summer. It provides supervised swimming and baseball for the children.

Playground equipment, now located at the Beaufort Bridge, will be offered the Queen Street School for their use, the club decided.

Mrs. John Baptist, Mrs. Cecil Peterson, Mrs. T. H. Potter, Mrs. LeRoy McIntyre, Mrs. Al Phillips, Mrs. Adam Metz and Mrs. Jack Sewell will assist in distributing surplus food to storm-stricken families next Thursday afternoon and Mrs. Eddie Paul, Mrs. Glenn Adair and Mrs. Jack McManus will assist in packaging the food next Wednesday night.

Five members, Mrs. T. H. Potter, Mrs. James Steed, Mrs. Ralph Albares, Mrs. Cecil Peterson and Mrs. Wiley H. Taylor Jr., will appear on a television quiz program next Wednesday afternoon and answer questions on Beaufort.

The members voted to assist in the Red Cross drive and to do away with the point system when the club year begins next September.

Mrs. Adam Metz, Mrs. John Baptist and Mrs. T. H. Potter volunteered to clean the clothing closet this Saturday.

Three new members, Mrs. John Costlow, Mrs. Glenn Willis Jr. and Mrs. Hobert Kelly were welcomed.

Rings for Seniors Arrive, Work Starts on Play; Latin Club Meets

Hi y'all! Here we are with more news from: the ole' Beaufort School.

"Look at my ring! They're here! Mnie fits perfect! Oops! too big! I told that man!" Yes, the senior rings have finally arrived! They are so pretty with the red ruby and all the designs on the sides.

It was a glad day—and yet sad when the rings did come. You see, it meant the end of our last year in school is just around the corner.

The seniors are also busy selecting the play they will present this spring. We feel sure that their play will be one of the best yet in Beaufort School. How could it be otherwise with Miss Lena Duncan our director?

The Beta Club met Monday and was so glad to have Catherine Potter to join them. The club members decided to have a "Big" sale, just as soon as the weather breaks, on all the merchandise.

Almost all the bills have been paid so the money the club takes in will be clear profit. The drinks are selling very well at the games and schedules of sellers have also been made up. Stationery is also being sold. Don't forget to support your Beta Club!

The dance that we told you about last week will not have the entertainment as stated. Due to uncontrollable circumstances, it will be impossible to have it. But y'all come on out Friday night to the dance after the Morehead and Beaufort game and the Seniors will see that you have a gay time even without the floor show.

The ball games last week were "Pretty good." Of course, Friday night was a sad defeat. We did want to beat Pamlico girls so badly—but the boys made up for it by winning a thriller! The girls looked pretty in their new uniforms which you people helped us to get, so we'll forgive them for not winning the game!

This week we have two home games—Dixon and Morehead. The Varsity Club members will be selling shakers, so everyone bring a little extra money so you won't be a Square and not have one!

It was with regret that Mrs. Rose left us on Monday, and even though the tenure has been short and circumstances make it impossible for her to fill out the entire year, our heartfelt thanks for the excellent job and for making it possible for the program to con-

tinued on Leon's program Sunday. She discussed with her radio audience the latest going-ons at Beaufort. She mentioned how pretty the girls basketball team looked in their new white uniforms. Those of you who haven't seen these uniforms are really missing something!

Latin Club met Friday and the members have decided to give a Roman wedding in the next two or three weeks during a chapel program. Committees are being made and most of the research on Roman weddings is complete.

Due to the shortage of time, the program was postponed until Tuesday. Nina Faye Kirk was in charge of the program which centered around the different Greek gods.

Those taking part were Ed Willis, who told about "Why the sky turns," George Martin, who told about the "Winter Sky," Jimmy Owens, who told about the "Spring Gods," and Jimmy Potter, who told about the "Summer Sky."

Pictures were shown while these people gave their interesting talks. The senior English classes are busy making booklets containing best original writings of their own and their classmates. We hope these booklets will bring back the best memories of our high school days in years to come.

Mrs. Clarence Guthrie spoke to the Future Homemakers Monday on the subject of choosing home economics as a career. She stated that this field offers jobs in publishing, advertising, television, radio and research as well as in government, welfare and institutional management. And openings for teachers are now equally varied and challenging.

A home economics-trained girl is ready for a professional career and also has the best of preparation for the most satisfactory of all careers: the management of her own home for the health and happiness of her family.

After Mrs. Guthrie spoke, the chapter members discussed the Mother-Daughter banquet. Bronna Willis was appointed as chairman of the banquet planning committee.

Gertrude Powell, Nancy Pittman, Bunny Moore and Gail Cockroft have bought FHA pins and guards.

Meet Mr. Senior Meet John Miller, who was born on Sept. 30, 1937, to Mr. and Mrs. J. N. Miller in Florida. His favorite subject is physics. His favorite food is steak and his favorite sport is football.

John says he remembers all the good times he had running around in gangs and fighting and doing all the other things young boys do. John plans to join the Army after graduation and then go to State College.

Meet Miss Senior Meet the prettiest girl in the senior class, Peggy Williams. Peggy was born Feb. 13, 1938, to Mr. and Mrs. R. M. Williams. Her favorite food is pecan pie; her favorite subject is English and it is only natural that her favorite sport is basketball.

Peggy said her childhood was

made up of playing football, prison base and many other games with all the "young'uns" down Ann Street extension way. She said that they also had the best times putting on plays in the Saffrit's garage.

Voted best all-around, Peggy plans to enter Meredith next fall.
