Well, basketball season is finished for this season! It has been a rather successful year for Beaufort teams. Congratulations are due to the Newport teams and their coaches for winning both games Saturday night. We Beaufort girls are proud to take second place honor.

When you look at our record last year and compare it with this year, you would be proud of us, too. The girls would also like to thank the handful of Beaufort fans who took time out to see the games at Newport. It was such a let-down to us girls that so few Beaufort folks showed interest on the biggest night of the season.

You know, it helps a lot to know that your town does take enough interest in sports to come out and cheer your team to victory. We sincerely hope that the Newport boys team will go "all the way!"

We must not forget the Newport cheerleaders who also went home Saturday night with a trophy. The Morehead Boys are also to be congratulated for being runner-ups. The most important trophy of all, sportsmanship, went to the Smyrna girls and the Atlantic boys.

Every school in the county went home with a Trophy and we thought that was so nice!

On Tuesday morning grades 4 through 12 took an intelligence test from 8:45 to 10:00. These tests will show the ability of a student to solve new problems as he meets them.

The Junior Varsity has made a mighty fine record at Beaufort School. The boys won 6 and lost 8, while the girls won 7 and lost 6. The boys played one more game with Morehead than the girls. Around three Junior Varsity girl players and about two boy players

Next time you are serving a meatless tomato sauce over spaghetti, try adding anchovies to it. Use a small can (about two ounces) of the anchovies that come packed flat for a tomato sauce that is to serve four people. Cut the anchovies into small pieces before adding. The oil from the anchovy can may be used in preparing the sauce.

Nina Faye Kirk went to Charlotte Friday to attend a YWA Houseparty. Here is a report of the weekend:

We traveled by bus and stayed in the Barringer Hotel. We heard missionaries from Japan, Gaza, Israel, China, and Africa. State WMU officers were present and took part on the program. We elected our State YWA officers. Friday night we had a get-acquainted party.

Saturday night we had our banquet in the dining room of Eford's. Here the missionaries were dressed in their native costumes. After dinner we had a panel on the missionary work and then saw slides.

Sunday morning we heard Dr. C. Casper Warren, who is president of the Southern Baptist Convention and pastor of the church in Charlotte.

We received a wonderful blessing and wish everyone of our girls could have gone.
