Helicopter Proves Useful

In Drying of Flowers

Carlsbad, Callf. (AP)—Another
use for a helicopter: After a rain,
Gene Masterson, commercial flower grower, had one hover over a
field of 24,000 blooms ready to
be picked for market. oms ready to be picked for market.

The vibration shook the rain drops off the delicate petals, which wasterson said would have rotted if packed wet. He figured it would have taken several men a full day to shake the rain off the flowers. The helicopter did it in two hours.

About the most exciting news around here is all the talk about the dance the juniors sponsored on April 20 at the gym. There was a large crowd at the dance, and I think the juniors were well pleased with the outcome. I guess every-one is waiting for another dance, and we hope there soon will be

The seniors are beginning to work on their commencement exercises. This means school is just about over. It will be a happy time for everyone except the seniors We are going to miss them next year and we don't know how we'll ever manage without them.

get around to sports, doesn't seem as if we are having too much luck with this subject. our boys could only do as well baseball as they do in basketball we could win some games. But I guess we can't have the best of everything.

Tuesday night the FFA father and son banquet was held at the school lunchroom. I'm sure every-one of the boys and their fathers enjoyed the banquet. The girls are really looking forward to their mother and daughter banquet on May 12

Introducing this week from the freshman class, Judy Slaughter and Johnny Mason.

Judy is the daughter of Mr. and Mrs. Vernon Slaughter. She was born July 19, 1941. She is a 5-9 blonde. Her favorite subjects are English and algebra, her favorite food is fried chicken.

Judy's favorite pastime is play-ing the piano, and in spite of her musical talent, she wants to be an 8th grade school teacher. We all wish Judy much success with her hope and we pray that her dreams for the future come true

Johnny is the son of Dr. and Mrs. Manly Mason. He is a 15-year-old, 6-1 blond. Johnny was elected president of the freshman class the first of the year. He was one of two boys out of the freshman class to make the basketball team this year. Johnny's favorite sport is basket-

ball (naturally). His favorite food is fried chicken, and his favorite pastime is playing checkers. We are all very proud of Johnny, and hope whatever his ambition is, he reaches it.
