Group Hears Report On Safety Check, Act On Education Program

Beaufort Jaycees launched three new projects at their meeting Mon-day night at the Scout Building. They formed a religious affairs committee, a budget committee and planned publication of an in-dustrial booklet.

The religious affairs committee was proposed to expand Jaycee interest in religious work Thomas Eure was elected chairman of the committee.

To set up a budget and a pro gram for carrying it out, A. C. Blankenship was named chairman, assisted by James Steed, Mr. Eure and Ronald Earl Mason.

Survey Finished

Mr. Mason reported that the group's industrial survey has been completed and said the next step was publication of the material gathered. Jaycees hope to pub-lish 10,000 industrial brochures. Cost of the project was esti-

mated at \$1,500. Tommy Potter, Mr. Steed and Mr. Blankenship were named to assist Mr. Mason in planning a way to raise the
