county.

Edward Hill was married to Ca-rietta Williams of Duplin County. To this union was born a daugh-ter Mary who was united in mar-riage to Kobert H. Jones of Jones

Hill plantation came into the pos-sission of Mrs. Jones who passed it on to her son, John S. Jones. the present owner. Robert H. Jones served in the Confederate Army, the State Assembly, was Clerk of the Court of Carteret County and postmaster of the Ce-dar Point office for many years. Following the death of Mr. Jones, his widow married K. N. Bell.

as a planter. Known as the Hill plantation Ferrand's large holding in Car until it came into the possession until it came into the possession of Mrs. Jones, it became known as the Hill-Jones plantation, much better identified as the site of the eight-sided house.

better identified as the site of the from the site of his house is to eight-sided house. This unique structure, built by Edward Hill, standing as a land-mark for over a century, replaced the original house built by Isaac Hill before his marriage in 1778 and which was the early home of bis ten childran.

his ten children. The question is often asked, why did Mr. Hill build such an odd-shaped house? One answer is, he age of 5 in 1826. The mother, thought a nearly-round house Mary Ferrand, died in 1796. A

rectangular house having an equal of the 18th century, taking up his rectangular house having an equal of the 18th century, taking up his area of enclosing walls. Still standing on the plantation, though damaged by recent storms, is a small school building that

County. At the death of her parents, the County. The third owner of a large plantation in the Cedar Point section, William P. Ferrand, had a tract of 1,279 acres adjoining the Hill-Jones property. This land was purchased from John Pettiford who had received one of the last land grants from the Lords Pro-

prietors before they sold their holding back to the Crown in 1728. Little is known of Ferrand
