habilitation Committee.
The Highland Park road problem The Highland Park road pro-was brought before the board by Commissioner Odell Merrill. Merrill said that the state agreed two years ago to maintain the road but has been unable to do so because water lines beneath it are

too close to the surface.

Repeated requests to Carolina Water Co. to lower the lines have brought no response. J. L. Humphrey county road superintendent, would be willing to meet with C. W. Williams, water company manager, to discuss the mat-
