## Message From Freshmen

Well folks, again this year, as every year, there's another crop of "green little freshmen." But don't worry, they learn fast—all 113 of them!

One major difficulty has been encountered so far, the problem of trying to remember to go around the hall monitor before entering the classroom! During several instances, pupils have been quickly extracted from doorways by monitors and given another opportunity to make a correct approach!

It seems that Mr. Clark was absent from classes Wednesday morning. I wonder why? Strangely enough though, he managed to get back in time for fourth period health class. We were supposed to have a test! It was lucky for us that he hadn't had time to make it out, due to the arrival of a brand-new 9-pound "half back!"

Coach Clark's supply of cigars just wouldn't go round. This disappointed the boys very much. But they finally reconciled themselves to the fact that they were too young to smoke—cigars especially!

The freshmen this year haven't let an opportunity pass by unused! Mokey Lassiter, one of the 41 students transferred from Camp Glenn School, is on the football team, along with John Baker and Jimmy Lloyd. They're hoping to be out there fighting for the Eagles one of these days.

And then Cathy Chalk is out
